Item 1.01 Entry into a Material Definitive Agreement***Series A Preferred Unit Purchase Agreement***

On May 29, 2018 (the “Closing Date”), Cypress Energy Partners, L.P. (the “Partnership”, “us” or “we”) entered into a Series A Preferred Unit Purchase Agreement (the “Preferred Purchase Agreement”) with Stephenson Equity, Co. No. 3 (the “Purchaser”), an affiliate of Cypress Energy Partners GP, LLC, the General Partner of the Partnership (the “General Partner”). Pursuant to the Preferred Purchase Agreement, on the Closing Date, we issued and sold in a private placement (the “Private Placement”) 5,769,231 Series A Preferred Units representing limited partner interests in the Partnership (the “Preferred Units”) to the Purchaser for a cash purchase price of \$7.54 per Preferred Unit (the “Issue Price”), resulting in proceeds to the Partnership of \$43.5 million. The proceeds of the Private Placement were used to reduce outstanding borrowings on our revolving credit facility. Concurrently with the closing of the Private Placement (the “Closing”) we entered into an Amended and Restated Credit Agreement, dated as of May 29, 2018 (the “Credit Agreement”), to amend and restate the terms of our credit facility, as described below in this Item 1.01.

The Preferred Purchase Agreement also provides the Partnership with the right to exercise an option, at any time during the six months following the Closing, to issue and sell to the Purchaser up to \$6.5 million of additional Preferred Units. The Purchase Agreement sets forth the method of determining the purchase price of these additional units, which price will in turn determine the number of units to be issued and sold.

The Preferred Purchase Agreement contains customary representations, warranties, and covenants of the Partnership and the Purchaser. The Partnership, on the one hand, and the Purchaser, on the other hand, agreed to indemnify each other and their respective officers, directors, managers, employees, agents, counsel, accountants, investment bankers, and other representatives against certain losses resulting from breaches of their respective representations, warranties, and covenants, subject to certain negotiated limitations and survival periods set forth in the Preferred Purchase Agreement.

Pursuant to the Preferred Purchase Agreement, in connection with the Closing, the General Partner executed the First Amendment to First Amended and Restated Agreement of Limited Partnership of the Partnership (the “Amendment”), which authorizes and establishes the rights and preferences of the Preferred Units. The Amendment is described in more detail under Item 5.03 of this Current Report on Form 8-K.

The foregoing description of the Preferred Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the text of the Preferred Purchase Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Amended and Restated Credit Agreement

The Credit Agreement provides up to \$90.0 million of borrowing capacity, subject to certain limitations, and contains an accordion feature that allows us to increase the borrowing capacity to \$110.0 million if lenders agree to increase their commitments in the future, or other lenders join the facility. The Credit Agreement matures on May 29, 2021. The obligations under the Credit Agreement are secured by a first priority lien on substantially all of our assets.

All borrowings under the Credit Agreement bear interest, at our option, on a leverage-based grid pricing at (i) a base rate plus a margin of 1.5% to 3.0% per annum or (ii) an adjusted LIBOR rate plus a margin of 2.5% to 4.0% per annum. Commitment fees are charged at a rate of 0.5% on any unused credit.

The Credit Agreement contains various customary covenants and restrictive provisions. The Credit Agreement also requires the maintenance of certain financial covenants, including a leverage ratio (as defined in the Credit Agreement) of not more than 4.0 to 1.0 and an interest coverage ratio (as defined in the Credit Agreement) of not less than 3.0 to 1.0. Upon the occurrence and during the continuation of an event of default, subject to the terms and conditions of the Credit Agreement, the lenders may declare any outstanding principal, together with any accrued and unpaid interest, to be immediately due and payable any may exercise other remedies as set forth or referred to in the Credit Agreement.

In addition, the Credit Agreement restricts our ability to make distributions on, or redeem or repurchase, our equity interests, with certain exceptions detailed in the Credit Agreement. However, we may make distributions of available cash so long as, both at the time of the distribution and after giving effect to the distribution, no default exists under the Credit Agreement and we are in compliance with the financial covenants in the Credit Agreement.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the text of the Credit Agreement, which is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information regarding the Credit Agreement set forth in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.

Item 3.02 Unregistered Sales of Equity Securities

The information set forth under the heading “Series A Preferred Unit Purchase Agreement” under Item 1.01 of this Current Report on Form 8-K and the information set forth under Item 5.03 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02. The Private Placement of the Preferred Units pursuant to the Preferred Purchase Agreement has been undertaken in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(a)(2) thereof.

Item 3.03 Material Modification to Rights of Security Holders

On the Closing Date, the Partnership issued the Preferred Units pursuant to the Preferred Purchase Agreement, which Preferred Units entitle their holders to certain rights that are senior to the rights of holders of Common Units, such as rights to certain distributions and rights upon liquidation of the Partnership. The general effect of the issuance of the Preferred Units upon the rights of the holders of Common Units is more fully described under Item 5.03 of this Current Report on Form 8-K, which descriptions are incorporated into this Item 3.03 by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On the Closing Date, in connection with the Closing, the General Partner executed the Amendment, which authorizes and establishes the rights and preferences of the Preferred Units.

The Preferred Units are a new class of security that rank senior to all existing classes or series of limited partner interests of the Partnership with respect to distribution rights and rights upon liquidation. The Preferred Units vote on an as-converted basis with the Common Units and have certain other class voting rights with respect to, among other things, any amendment to the First Amended and Restated Agreement of Limited Partnership of the Partnership (the "Partnership Agreement") or the Partnership's certificate of limited partnership that would be materially adverse to any of the rights, preferences, or privileges of the Preferred Units.

The holders of the Preferred Units ("Holders") will receive cumulative quarterly distributions in an amount equal to 9.5% per annum. The Partnership cannot pay any distributions on any junior securities, including any of the Common Units representing limited partner interests in the Partnership, prior to paying the quarterly distribution payable to the Preferred Units, including any previously accrued and unpaid distributions.

Each Holder may elect to convert all or any portion of its Preferred Units into Common Units on a one-for-one basis, subject to customary anti-dilution adjustments and an adjustment for any distributions that have accrued but not been paid when due (which is referred to herein as the "conversion rate"), at any time (but not more often than once per quarter) after the third anniversary of the Closing, provided that any conversion is for at least \$10 million or such lesser amount if such conversion relates to all of the Holders' remaining Preferred Units.

The Partnership may elect to convert all or any portion of the Preferred Units into Common Units based on the conversion rate at any time (but not more often than once per quarter) after the third anniversary of the Closing if (i) the Common Units are listed or admitted for trading on a national securities exchange, (ii) the closing price of the Common Units on the principal national securities exchange on which the Common Units are then listed or admitted for trading on is greater than 120% of the Issue Price for each of the 20 trading days immediately preceding notice of conversion, (iii) the average daily trading volume of the Common Units exceeds 12,000 Common Units (as adjusted to reflect splits, combinations, or similar events) for each of the 20 trading days immediately preceding notice of conversion, and (iv) the Partnership has an effective registration statement on file covering resales of the underlying Common Units to be received by the applicable Holders upon conversion of the Preferred Units, provided that, among other things, the Partnership may only convert Preferred Units with an underlying value of at least \$10 million.

The Partnership also may elect to redeem the Preferred Units, in whole or in part: i) at any time after the third anniversary of the Closing Date and on or prior to the fourth anniversary of the Closing Date at a redemption price equal to 105% of the Issue Price plus any accrued and unpaid distributions on the applicable Preferred Units, ii) at any time after the fourth anniversary of the Closing Date at a redemption price equal to 101% of the Issue Price plus any accrued and unpaid distributions on the applicable Preferred Units, and iii) at any time before the date that is six months after the Closing Date at a redemption price equal to 100% of the Issue Price of such Preferred Units plus any accrued and unpaid distributions on the applicable Preferred Units plus \$200,000.

Upon certain events involving a change of control (as defined in the Amendment) in which more than 90% of the consideration payable to the holders of the Common Units is payable in cash, the outstanding Preferred Units will automatically convert into Common Units at a conversion ratio equal to the greater of (a) the then applicable conversion rate and (b) the quotient of (i) the Issue Price multiplied by a premium factor (ranging from 110% to 100% depending on when such transaction occurs), plus any accrued and unpaid distributions on the Preferred Units, divided by (ii) the volume weighted average price of the Common Units for the 20 trading days prior to the execution of definitive documentation relating to such change of control.

In connection with other change of control events that do not meet the 90% cash consideration threshold described above, the Holders may elect to (a) convert all, but not less than all, of their Preferred Units to Common Units at the then applicable conversion rate, (b) if the Partnership is not the surviving entity (or if the Partnership is the surviving entity, but the Common Units will cease to be listed), require the Partnership to use commercially reasonable efforts to cause the surviving entity in any such transaction to issue a substantially equivalent security (or if the Partnership is unable to cause such substantially equivalent securities to be issued, to convert the Preferred Units into Common Units at a premium based on a specified formula, subject to aggregate return limitations, or to be redeemed in accordance with clause (d) below in this paragraph), (c) if the Partnership is the surviving entity, continue to hold the Preferred Units or (d) require the Partnership to redeem all, but not less than all, of the Preferred Units at a price per unit equal to 101% of the Issue Price, plus accrued and unpaid distributions, which may be paid in cash or in Common Units issued at a small discount to market price.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the text of the Amendment, a copy of which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

2. Article IV is hereby amended to add a new Section 4.11 implementing certain transfer restrictions on the Series A Preferred Units:

Section 4.11 *Restrictions on Transfers of Series A Preferred Units.*

(a) Notwithstanding any other provision of this Section 4.11 (other than the restriction on transfers to a Person that is not a U.S. resident individual or an entity that is not treated as a U.S. corporation or partnership set forth in Section 4.11(b)(4)), and subject to Section 4.8, each Series A Preferred Unitholder shall be permitted to transfer any Series A Preferred Units owned by such Series A Preferred Unitholder to any of its respective Affiliates or to any other Series A Preferred Unitholder. For the avoidance of doubt, the restrictions set forth in this Section 4.11 are in addition to other restrictions on transfer as set forth in the Partnership Agreement.

(b) Without the prior written consent of the General Partner, with respect to each Series A Preferred Unit, except as specifically provided in the Partnership Agreement, each Series A Preferred Unitholder shall not: (1) prior to the first anniversary of the Series A Initial Closing Date, offer, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, such Series A Preferred Unit; (2) prior to the second anniversary of the Series A Initial Closing Date, directly or indirectly engage in any short sales or other derivative or hedging transactions with respect to such Series A Preferred Unit or any related Series A Conversion Unit; (3) transfer such Series A Preferred Unit to any Competitor, (4) transfer such Series A Preferred Unit to any non-U.S. resident individual, non-U.S. corporation or partnership, or any other non-U.S. entity, including any foreign governmental entity, including by means of any swap or other transaction or arrangement that transfers, or that is designed to, or that might reasonably be expected to, result in the transfer to another, in whole or in part of, any of the economic consequences of ownership of such Series A Preferred Unit, regardless of whether any transaction described in clauses (1) through (4) above is to be settled by delivery of Series A Preferred Units, Common Units, Subordinated Units or other securities, in cash or otherwise (*provided, however*, that the foregoing clause (4) shall not apply if, prior to any such transfer or arrangement, such individual, corporation, partnership or other entity establishes, to the satisfaction of the Partnership, that it is entitled to a complete exemption from tax withholding, including under Code Sections 1441, 1442, 1445 and 1471 through 1474, and the Treasury regulations thereunder); or (5) effect any transfer of such Series A Preferred Unit or related Series A Conversion Unit in a manner that violates the terms of the Partnership Agreement. For the avoidance of doubt, in no way shall this Section 4.11(b) be construed to prohibit changes in the composition of any Series A Preferred Unitholder or its partners or members so long as such changes in composition only relate to changes in direct or indirect ownership of such Series A Preferred Unitholder or its partners or members.

(c) With respect to each Series A Preferred Unit, subject to Section 4.8, Section 4.11(d) and compliance with any applicable securities laws or other provisions of the Partnership Agreement, at any time after the first anniversary of the Series A Applicable Closing Date, the Series A Preferred Unitholders may freely transfer such Series A Preferred Unit, *provided, however*, that each such transfer involves an aggregate number of Series A Preferred Units with an underlying value of Common Units equal to or greater than \$10 million (taking into account and including any concurrent transfers by any Affiliates of such Series A Preferred Unitholder) based on the Closing Price of Common Units on the Trading Day immediately preceding the date of such transfer (or a lesser underlying value if such transfer (1) will result in the transfer of all of the Series A Preferred Units held by such holder and its Affiliates or (2) has been approved by the General Partner, in its sole discretion); *provided, however*, that this Section 4.11(c) shall not eliminate, modify or reduce the obligations set forth in clause (4) of Section 4.11(b) above.

(d) At any time prior to the transfer or sale of any Series A Preferred Units by a Series A Preferred Unitholder to a Person or Group other than an Affiliate of such Series A Preferred Unitholder or another Series A Preferred Unitholder (a “**Proposed Transaction**”), such selling Series A Preferred Unitholder shall first provide written notice (the “**Offering Notice**”) to the Partnership of its intention to enter into a Proposed Transaction. The Partnership shall then have a right of first refusal with respect all, but not less than all, of such Series A Preferred Units (the “**ROFR Interest**”). The Offering Notice shall include all material terms, conditions and other details relating to the Proposed Transaction, including the identity of the Person or Group to which the selling Series A Preferred Unitholder desires to transfer the Series A Preferred Units (the “**Third Party Purchaser**”). The Partnership shall have 30 calendar days following receipt of the Offering Notice (the “**ROFR Notice Period**”) to elect to purchase all, but not less than all, of such Series A Preferred Units by delivering a written notice (the “**ROFR Offer Notice**”) to the offering Series A Preferred Unitholder stating that it offers to purchase such ROFR Interest on substantially similar terms as specified in the Offering Notice. In such event, each of the Series A Preferred Unitholder and the Partnership shall take all actions as may be reasonably necessary to consummate the sale contemplated above, including entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate. If an ROFR Offer Notice is not delivered by the Partnership to such Series A Preferred Unitholder within the ROFR Notice Period, then the Series A Preferred Unitholder shall be free, during the 60-calendar-day period immediately following the expiration of the ROFR Notice Period, to consummate the Proposed Transaction with the Third Party Purchaser on terms and conditions no more favorable to the Third Party Purchaser than those set forth in the Offering Notice. If the Series A Preferred Unitholder does not consummate the Proposed Transaction with the Third Party Purchaser within such 60-calendar-day period, then the rights provided hereunder shall be deemed to be revived and the ROFR Interest shall not be transferred unless the Series A Preferred Unitholder sends a new Offering Notice in accordance with, and otherwise complies with, this Section 4.11(d).

(e) In addition to any other restrictions on transfer set forth in this Agreement, the transfer of a Series A Preferred Unit or a Series A Conversion Unit shall be subject to the restrictions imposed by Section 4.8, this Section 4.11 and Section 6.10(a), respectively.

3. Section 5.4(a) is hereby amended and restated as follows:

(a) The Partnership shall maintain for each Partner (or a beneficial owner of Partnership Interests held by a nominee, agent or representative in any case in which such nominee, agent or representative has furnished the identity of such owner to the Partnership in accordance with Section 6031(c) of the Code or any other method acceptable to the General Partner) owning a Partnership Interest a separate Capital Account with respect to such Partnership Interest in accordance with the rules of Treasury Regulation Section 1.704-1(b)(2)(iv). The initial Capital Account balance attributable to the Common Units and Subordinated Units issued to, or received by, the Organizational Limited Partner, Cypress Energy Partners – TIR, LLC, Cynthia Field, Charles C. Stephenson, Jr., G. Les Austin and Richard Carson pursuant to Section 5.2(a), and to the Organizational Limited Partner pursuant to Section 5.2(d), shall equal the respective Net Agreed Value of the

Capital Contributions specified in Section 5.2(a), which shall be deemed to equal the product of the number of Common Units and Subordinated Units issued to the Organizational Limited Partner pursuant to Section 5.2(a) and the Initial Unit Price for each such Common Unit and Subordinated Unit (and the initial Capital Account balance attributable to each such Common Unit and Subordinated Unit shall equal its Initial Unit Price). The initial Capital Account balance attributable to the Common Units issued to the IPO Underwriters pursuant to Section 5.2(b) shall equal the product of the number of Common Units so issued to the IPO Underwriters and the Initial Unit Price for each Common Unit (and the initial Capital Account balance attributable to each such Common Unit shall equal its Initial Unit Price). The initial Capital Account attributable to the General Partner Interest and the Incentive Distribution Rights shall be zero. Thereafter, the Capital Account shall in respect of each such Partnership Interest be increased by (i) the amount of all Capital Contributions made to the Partnership with respect to such Partnership Interest and (ii) all items of Partnership income and gain (including income and gain exempt from tax) computed in accordance with Section 5.4(b) and allocated with respect to such Partnership Interest pursuant to Section 6.1, and decreased by (x) the amount of cash or Net Agreed Value of all actual and deemed distributions of cash or property (other than Series A PIK Units) made to the Partner with respect to such Partnership Interest and (y) all items of Partnership deduction and loss computed in accordance with Section 5.4(b) and allocated with respect to such Partnership Interest pursuant to Section 6.1. For the avoidance of doubt, each Series A Preferred Unit will be treated as a Partnership Interest in the Partnership that is “convertible equity” within the meaning of Treasury Regulation Section 1.721-2(g)(3), and, therefore, each holder of a Series A Preferred Unit will be treated as a Partner in the Partnership. The initial Capital Account balance in respect of each Series A Preferred Unit shall be as set forth in Section 5.11(h).

4. Section 5.4(d)(i) is hereby amended and restated as follows:

(d) (i) In accordance with Treasury Regulation Sections 1.704-1(b)(2)(iv)(f) and 1.704-1(b)(2)(iv)(h)(2), on an issuance of additional Partnership Interests for cash or Contributed Property, the issuance of a Noncompensatory Option, the issuance of Partnership Interests as consideration for the provision of services, the issuance of IDR Reset Common Units pursuant to Section 5.10, the conversion of the General Partner’s Combined Interest to Common Units pursuant to Section 11.3(b), or the conversion of Series A Preferred Units to Common Units pursuant to Section 5.11(e), the Capital Account of each Partner and the Carrying Value of each Partnership property immediately prior to such issuance or immediately after such conversion, as appropriate, shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property; *provided, however*, that in the event of the issuance of a Partnership Interest pursuant to the exercise of a Noncompensatory Option (which, for purposes hereof, shall include any conversion of Series A Preferred Units to Common Units pursuant to Section 5.11(e)) where the right to share in Partnership capital represented by such Partnership Interest differs from the consideration paid to acquire and exercise such option, the Carrying Value of each Partnership property immediately after the issuance of such Partnership Interest shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property and the Capital Accounts of

the Partners shall be adjusted in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv)(s); *provided, further*, that in the event of an issuance of Partnership Interests for a de minimis amount of cash or Contributed Property, in the event of an issuance of a Noncompensatory Option to acquire a de minimis Partnership Interest, or in the event of an issuance of a de minimis amount of Partnership Interests as consideration for the provision of services, the General Partner may determine that such adjustments are unnecessary for the proper administration of the Partnership. If, upon the occurrence of a Revaluation Event described in this [Section 5.4\(d\)](#), a Noncompensatory Option of the Partnership is outstanding, the Partnership shall adjust the Carrying Value of each Partnership property in accordance with Treasury Regulation Sections 1.704-1(b)(2)(iv)(f)(1) and 1.704-1(b)(2)(iv)(h)(2). In determining such Unrealized Gain or Unrealized Loss, the aggregate fair market value of all Partnership property (including cash or cash equivalents) immediately prior to the issuance of additional Partnership Interests (or, in the case of a Revaluation Event resulting from the exercise of a Noncompensatory Option (which, for purposes hereof, shall include any conversion of Series A Preferred Units to Common Units pursuant to [Section 5.11\(e\)](#)), immediately after the issuance of the Partnership Interest acquired pursuant to the exercise of such Noncompensatory Option) shall be determined by the General Partner using such method of valuation as it may adopt; *provided, however*, that the General Partner, in arriving at such valuation, must take fully into account the fair market value of the Partnership Interests of all Partners at such time and must make such adjustments to such valuation as required by Treasury Regulation Section 1.704-1(b)(2)(iv)(h)(2). If, after making the allocation of Unrealized Gain and Unrealized Loss as set forth in this [Section 5.4\(d\)\(i\)](#), the Capital Account of each Partner with respect to each Series A Conversion Unit received upon such conversion of the Series A Preferred Unit is less than the Per Unit Capital Amount for a then Outstanding Initial Common Unit, then, in accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(s)(3), Capital Account balances shall be reallocated between the Partners holding Common Units (other than Series A Conversion Units) and Partners holding Series A Conversion Units so as to cause the Capital Account of each Partner holding a Series A Conversion Unit to equal, on a per Unit basis with respect to each such Series A Conversion Unit, the Per Unit Capital Amount of a then Outstanding Initial Common Unit. In making its determination of the fair market values of individual properties, the General Partner may first determine an aggregate value for the assets of the Partnership that takes into account the current trading price of the Common Units, the fair market value of all other Partnership Interests at such time, and the amount of Partnership Liabilities. The General Partner may allocate such aggregate value among the individual properties of the Partnership (in such manner as it determines appropriate). Absent a contrary determination by the General Partner, the aggregate fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to a Revaluation Event shall be the value that would result in the Capital Account for each Common Unit that is Outstanding prior to such Revaluation Event being equal to the Event Issue Value.

5. [Section 5.5\(a\)](#) is hereby amended and restated as follows:

(a) Subject to any approvals required by holders of Series A Preferred Units pursuant to [Section 5.11\(c\)](#), the Partnership may issue additional Partnership Interests and Derivative Partnership Interests for any Partnership purpose at any time and from time to time to such Persons for such consideration and on such terms and conditions as the General Partner shall determine, all without the approval of any Limited Partners.

6. Article V is hereby amended by adding a new Section 5.11 creating a new series of Units as follows:

Section 5.11 *Establishment of Series A Preferred Units.*

(a) *General.* The General Partner hereby designates and creates a series of Units to be designated as “Series A Preferred Units,” having the terms and conditions set forth herein.

(b) *Distributions.*

(i) Commencing with the Quarter ending September 30, 2018 and continuing through the applicable Series A Conversion Date, subject to Section 5.11(b)(iv) below, each Series A Preferred Unitholder as of the applicable Record Date for each Quarter shall be entitled to receive, in respect of each Series A Preferred Unit held, cumulative distributions in arrears in respect of such Quarter equal to the sum of (1) the Series A Distribution Amount for such Quarter and (2) any Series A Unpaid Distributions with respect to such Series A Preferred Unit (collectively, the “**Series A Quarterly Distribution**”). With respect to each Series A Preferred Unit and any Quarter (or portion thereof for which a Series A Quarterly Distribution is due) ending on or prior to the third anniversary of the end of the Quarter in which the Series A Applicable Closing Date occurs, (the “**Series A PIK Distribution Period**”), such Series A Quarterly Distribution shall be paid, as determined by the General Partner, in cash, in-kind in the form of additional Series A Preferred Units (“**Series A PIK Units**”) or in a combination thereof; *provided, however*, that a minimum of 2.5% shall be paid in cash unless the Series A Preferred Unitholder otherwise agrees. For any Quarter ending after the Series A PIK Distribution Period, all Series A Quarterly Distributions shall be paid in cash. If, for any Quarter during the Series A PIK Distribution Period, the General Partner elects to pay all or any portion of a Series A Quarterly Distribution in Series A PIK Units, the number of Series A PIK Units to be issued in connection with such Series A Quarterly Distribution shall equal the quotient of (x) the applicable Series A Distribution Amount (or portion thereof to be paid in Series A PIK Units) *divided by* (y) the applicable Series A Issue Price; *provided, however*, that fractional Series A PIK Units shall not be issued to any Person (each fractional Series A PIK Unit shall be rounded to the nearest whole Series A PIK Unit (and a 0.5 Series A PIK Unit shall be rounded to the next higher Series A PIK Unit)). Each Series A Quarterly Distribution shall be paid as declared by the Board of Directors quarterly, but no later than the earlier of (i) 60 days after the end of the applicable Quarter and (ii) the payment date of distributions, if any, on any Series A Parity Securities and Series A Junior Securities (each such payment date, a “**Series A Distribution Payment Date**”). If the General Partner establishes an earlier Record Date for any distribution to be made by the Partnership on other Partnership Interests (other than the Series A Preferred Units) in respect of any Quarter, then the Record Date

established pursuant to this Section 5.11(b)(i) for a Series A Quarterly Distribution in respect of such Quarter shall be such earlier Record Date. Unless otherwise expressly provided, references in this Section 5.11 to the Series A Preferred Units shall include all Series A PIK Units Outstanding as of any date of such determination. For the avoidance of doubt, the Series A Preferred Units shall not be entitled to any distributions made pursuant to Sections 6.4 or 6.5.

(ii) If the Partnership fails to pay in full when due the Series A Distribution Amount of any Series A Quarterly Distribution in respect of any Quarter, in accordance with this Section 5.11, then from and after the first date of such failure and continuing until such failure is cured by payment in full of all such arrearages, (x) the amount of such unpaid distributions (on a per Series A Preferred Unit bases, “*Series A Unpaid Distributions*”) unless and until paid will accrue and accumulate from and including the first day of the Quarter immediately following the Quarter in respect of which the first such payment is due until all such Series A Unpaid Distributions are paid in full, and (y) the Partnership shall not be permitted to, and shall not, declare or make, any distributions, redemptions or repurchases in respect of any Series A Junior Securities or Series A Parity Securities (including, for the avoidance of doubt, with respect to the Quarter in respect of which the Partnership first failed to pay in full the Series A Distribution Amount of any Series A Quarterly Distribution when due); *provided, however*, that distributions may be declared and paid on the Series A Preferred Units and any Series A Parity Securities so long as such distributions are declared and paid Pro Rata so that amounts of distributions declared per Series A Preferred Unit and per Series A Parity Security shall in all cases bear to each other the same ratio that accrued and accumulated distributions per Series A Preferred Unit and per Series A Parity Security bear to each other.

(iii) Each Series A Preferred Unit will have the right to share in any special distributions by the Partnership of cash, securities or other property Pro Rata with the Common Units, on an as-converted basis, provided that special distributions shall not include regular quarterly distributions paid in the normal course of business on the Common Units pursuant to Section 6.4. No adjustments pursuant to Section 5.11(e)(v) shall be made with respect to a special distribution referred to in this Section 5.11(b)(iii).

(iv) Notwithstanding anything in this Section 5.11 to the contrary, with respect to any Series A Preferred Unit that is converted into a Common Unit, (1) with respect to a distribution to be made to Record Holders as of the Record Date that precedes such conversion, the Record Holder of such Series A Preferred Unit as of such Record Date shall be entitled to receive such distribution in respect of such Series A Preferred Unit on the corresponding Series A Distribution Payment Date, but shall not be entitled to receive such distribution in respect of such Record Date established for Record Holders of Common Units in respect of the Common Units into which such Series A Preferred Unit was converted after such Record Date, and (2) with respect to a distribution to be made to Record Holders as of any Record Date that follows such conversion, the Record Holder of the Series A Conversion

Units into which such Series A Preferred Unit was converted as of such Record Date shall be entitled to receive such distribution in respect of such Series A Conversion Units on the payment date thereof, but shall not be entitled to receive such distribution in respect of such Series A Preferred Unit on the corresponding Series A Distribution Payment Date. For the avoidance of doubt, if a Series A Preferred Unit is converted into Series A Conversion Units after a Record Date but prior to the corresponding Series A Distribution Payment Date, then the Record Holder of such Series A Preferred Unit as of such Record Date shall nonetheless remain entitled to receive on the Series A Distribution Payment Date a distribution in respect of such Series A Preferred Unit pursuant to Section 5.11(b)(i) above and, until such distribution is received, Section 5.11(b)(ii) shall continue to apply.

(v) When any Series A PIK Units are payable to a Series A Preferred Unitholder pursuant to this Section 5.11 the Partnership shall issue the Series A PIK Units to such holder in accordance with Section 5.11(b)(i) (the date of issuance of such Series A PIK Units, the “*Series A PIK Payment Date*”). On the Series A PIK Payment Date, the Partnership shall have the option to (1) issue to such Series A Preferred Unitholder a certificate or certificates for the number of Series A PIK Units to which such Series A Preferred Unitholder shall be entitled, or (2) cause the Transfer Agent to make a notation in book entry form in the books of the Partnership, and all such Series A PIK Units shall, when so issued, be duly authorized, validly issued, fully paid and non-assessable Limited Partner Interests, except as such non-assessability may be affected by Sections 17-303, 17-607 or 17-804 of the Delaware Act, and shall be free from preemptive rights, except as specifically set forth in the Partnership Agreement, and free of any lien, claim, rights or encumbrances, other than those arising under the Delaware Act, the Partnership Agreement or created by the holders thereof.

(vi) For purposes of maintaining Capital Accounts, if the Partnership issues one or more Series A PIK Units with respect to a Series A Preferred Unit, (1) the Partnership shall be treated as distributing cash with respect to such Series A Preferred Unit in an amount equal to the applicable Series A Issue Price of the Series A PIK Unit issued in payment of the Series A Quarterly Distribution, and (2) the holder of such Series A Preferred Unit shall be treated as having contributed to the Partnership in exchange for such newly issued Series A PIK Unit an amount of cash equal to the applicable Series A Issue Price.

(c) *Voting.*

(i) Except as provided in Section 5.11(c)(ii) and Section 5.11(d), the Outstanding Series A Preferred Units shall have voting rights that are identical to the voting rights of the Common Units into which such Series A Preferred Units would be converted at the then-applicable Series A Conversion Rate (regardless of whether the Series A Preferred Units are then convertible), and shall vote as a single class with the holders of the Common Units on each matter with respect to which each Record Holder of a Common Unit is entitled to vote. Each reference in the Partnership Agreement to a vote of Record Holders of Common Units shall be deemed to constitute a reference to the Record Holders of Common Units and Series A Preferred Units, voting together as a single class during any period in which any Series A Preferred Units are Outstanding.

(ii) Except as provided in Section 5.11(c)(iii), notwithstanding any other provision of the Partnership Agreement, in addition to all other requirements imposed by Delaware law, and all other voting rights granted under the Partnership Agreement, the affirmative vote of the Record Holders of the Series A Required Voting Percentage shall be required for any amendment to the Partnership Agreement or the Certificate of Limited Partnership (including by merger or otherwise or any amendment contemplated by and made in accordance with Section 5.11(d)), that is materially adverse to any of the rights, preferences and privileges of the Series A Preferred Units. Without limiting the generality of the preceding sentence, any amendment shall be deemed to have such a materially adverse impact if such amendment would:

(A) reduce the Series A Distribution Amount, change the form of payment of distributions on the Series A Preferred Units, defer the date from which distributions on the Series A Preferred Units will accrue, cancel any accrued and unpaid distributions on the Series A Preferred Units or any interest accrued thereon (including any Series A Unpaid Distributions, Series A Partial Period Distributions or Series A PIK Units), or change the seniority rights of the Series A Preferred Unitholders as to the payment of distributions in relation to the holders of any other class or series of Partnership Interests;

(B) reduce the amount payable or change the form of payment to the Record Holders of the Series A Preferred Units upon the voluntary or involuntary liquidation, dissolution or winding up, or sale of all or substantially all of the assets, of the Partnership, or change the seniority of the liquidation preferences of the Record Holders of the Series A Preferred Units in relation to the rights of the holders of any other class or series of Partnership Interests upon the liquidation, dissolution and winding up of the Partnership; or

(C) make the Series A Preferred Units redeemable or convertible at the option of the Partnership other than as set forth herein.

(iii) Notwithstanding anything to the contrary in this Section 5.11, in no event shall the consent of the Series A Preferred Unitholders, as a separate class, be required in connection with any Series A Change of Control; *provided, however*, that nothing in the foregoing shall limit the voting rights of any Series A Preferred Unitholder in connection with any vote of Record Holders of Common Units and Series A Preferred Units together as a single class that may be required.

(d) *Issuances of Series A Senior Securities and Series A Parity Securities.*

(i) Other than issuances of Series A PIK Units, the Partnership shall not, without the affirmative vote of the Record Holders of the Series A Required Voting Percentage, issue any (a) Series A Senior Securities (or amend the provisions of any class of Partnership Interests to make such class of Partnership Interests a class of Series A Senior Securities), (b) Series A Parity Securities (or amend the provisions of any class of Partnership Interests to make such class of Partnership Interests a class of Series A Parity Securities) or (c) additional Series A Preferred Units; *provided, however*, that, without the consent of any holder of Outstanding Series A Preferred Units (but without prejudice to their rights to vote on an as-converted basis to the extent that the Common Units are entitled to vote on any such matter), if Series A Senior Securities with an underlying value of Common Units of less than \$10 million are Outstanding, then the Partnership may issue additional Series A Parity Securities at any time or from time to time in an amount as determined by the General Partner.

(ii) Notwithstanding anything in the foregoing to the contrary, subject to [Section 5.11\(e\)\(v\)](#), the Partnership may, without any vote of the holders of Outstanding Series A Preferred Units voting as a separate class (but without prejudice to their rights to vote on an as-converted basis to the extent that the Common Units are entitled to vote on any such matter), create (by reclassification or otherwise) and issue Series A Junior Securities in an unlimited amount.

(e) *Conversion.*

(i) *At the Option of the Series A Preferred Unitholders.* At any time after the third anniversary of the Series A Initial Closing Date, the Series A Preferred Units owned by any Series A Preferred Unitholder shall be convertible, in whole or in part, at any time and from time to time upon the request of such Series A Preferred Unitholder, but not more than once per Quarter by such Series A Preferred Unitholder (inclusive of any conversion by such Series A Preferred Unitholder's Affiliates, with each Series A Preferred Unitholder and its Affiliates being entitled to a single conversion right per Quarter), into a number of Common Units determined by multiplying the number of Series A Preferred Units to be converted by the Series A Conversion Rate at such time; *provided, however*, that the Partnership shall not be obligated to honor any such conversion request unless such conversion will involve an aggregate number of Series A Preferred Units with an underlying value of Common Units equal to or greater than \$10 million (taking into account and including any concurrent conversion requests by any Affiliates of such Series A Preferred Unitholder) based on the Closing Price of Common Units on the Trading Day immediately preceding the Series A Conversion Notice Date (or such lesser amount to the extent such exercise covers all of the Series A Preferred Units of such Series A Preferred Unitholder and its Affiliates). Immediately upon the issuance of Series A Conversion Units as a result of any conversion of Series A Preferred Units hereunder, subject to [Section 5.11\(b\)\(iv\)](#), all rights of the Series A Converting Unitholder with respect to such Series A Preferred Units shall cease, including any further accrual of distributions, and such Series A Converting Unitholder thereafter shall be treated for all purposes as the owner of Common Units. Fractional Common Units shall not be issued to any Person pursuant to this [Section 5.11\(e\)\(i\)](#) (each fractional Common Unit shall be rounded to the nearest whole Common Unit (and a 0.5 Common Unit shall be rounded to the next higher Common Unit)).

(ii) *At the Option of the Partnership.* At any time after the third anniversary of the Series A Initial Closing Date, the Partnership shall have the option, at any time and from time to time, but not more than once per Quarter, to convert all or any portion of the Series A Preferred Units then Outstanding into a number of Common Units determined by multiplying the number of Series A Preferred Units to be converted by the Series A Conversion Rate at such time. Fractional Common Units shall not be issued to any Person pursuant to this Section 5.11(e)(ii) (each fractional Common Unit shall be rounded to the nearest whole Common Unit (and a 0.5 Common Unit shall be rounded to the next higher Common Unit)). Notwithstanding the foregoing, in order for the Partnership to exercise such option:

(A) the Common Units must be listed for, or admitted to, trading on a National Securities Exchange;

(B) the Closing Price of the Common Units on the principal National Securities Exchange on which the Common Units are then listed for, or admitted to, trading must exceed 120% of the applicable Series A Issue Price for each of the 20 Trading Days immediately preceding the Series A Mandatory Conversion Notice Date;

(C) the average daily trading volume of the Common Units on the principal National Securities Exchange on which the Common Units are then listed for, or admitted to, trading must exceed 12,000 Common Units (as such amount may be adjusted to reflect any Unit split, combination or similar event) for each of the 20 Trading Days immediately preceding the Series A Mandatory Conversion Notice Date; and

(D) the Partnership must have an effective registration statement on file with the Commission covering resales of the underlying Common Units to be received by the applicable Series A Preferred Unitholders upon any such conversion;

provided, however, that the Partnership may only convert Series A Preferred Units pursuant to this Section 5.11(e)(ii) with an underlying value of Common Units of at least \$10 million based on the Closing Price of the Common Units on the Trading Day immediately preceding the Series A Mandatory Conversion Notice Date. Any such conversion shall be allocated among the Series A Preferred Unitholders on a Pro Rata basis or on such other basis as may be agreed upon by all Series A Preferred Unitholders.

Nothing in this Section 5.11(e) is intended to limit or prevent the Partnership, on the one hand, or a Series A Preferred Unitholder, on the other hand, from electing to convert the Series A Preferred Units into Common Units in accordance with Section 5.11(e), and the non-electing party shall not have any right to convert Series A Preferred Units to the extent the electing party validly delivers to the non-electing party a valid Series A Mandatory Conversion Notice or Series A Conversion Notice, as the case may be, covering all of the Series A Preferred Units that are the subject of the applicable Series A Conversion Notice or Series A Mandatory Conversion Notice, as the case may be, prior to the Series A Conversion Date or the Series A Mandatory Conversion Notice Date, as the case may be, in respect of the applicable Series A Conversion Date or the Series A Mandatory Conversion Notice Date, as the case may be.

(iii) *Conversion Notice.*

(A) To convert Series A Preferred Units into Common Units pursuant to Section 5.11(e)(i), a Series A Converting Unitholder shall give written notice (a “**Series A Conversion Notice**” and the date such notice is received, a “**Series A Conversion Notice Date**”) to the Partnership stating that such Series A Preferred Unitholder elects to so convert Series A Preferred Units pursuant to Section 5.11(e)(i), the number of Series A Preferred Units to be converted and the Person to whom the applicable Series A Conversion Units should be issued.

(B) To convert Series A Preferred Units into Common Units pursuant to Section 5.11(e)(ii), the Partnership shall give written notice (a “**Series A Mandatory Conversion Notice**” and the date such notice is sent by the Partnership, a “**Series A Mandatory Conversion Notice Date**”) to each Record Holder of Series A Preferred Units stating that the Partnership elects to so convert Series A Preferred Units pursuant to Section 5.11(e)(ii), that the conditions for electing conversion have been satisfied and the number of Series A Preferred Units to be so converted. The applicable Series A Conversion Units shall be issued in the name of the Record Holder of such Series A Preferred Units.

(iv) *Timing.* If a Series A Conversion Notice is delivered by a Series A Preferred Unitholder to the Partnership or a Series A Mandatory Conversion Notice is delivered by the Partnership to a Series A Preferred Unitholder, each in accordance with Section 5.11(e)(iii), the Partnership shall issue the applicable Series A Conversion Units no later than five (5) Business Days after the Series A Conversion Notice Date or the Series A Mandatory Conversion Notice Date, as the case may be (any date of issuance of Common Units upon conversion of Series A Preferred Units pursuant to this Section 5.11(e) or Section 5.11(f), a “**Series A Conversion Date**”). On the Series A Conversion Date, the Partnership shall instruct, and shall use its commercially reasonable efforts to cause, its Transfer Agent to electronically transmit the Series A Conversion Units issuable upon conversion to such Series A Preferred Unitholder (or designated recipient(s)), by crediting the

account of the Series A Preferred Unitholder (or designated recipient(s)) through its Deposit Withdrawal Agent Commission system. The parties agree to coordinate with the Transfer Agent to accomplish this objective. Subject to Section 5.11(b)(iv), upon issuance of Series A Conversion Units to the Series A Converting Unitholder (or its designated recipient(s)), all rights of such Series A Converting Unitholder with respect to the converted Series A Preferred Units shall cease, and such Series A Converting Unitholder shall be treated for all purposes as the Record Holder of such Series A Conversion Units.

(v) *Distributions, Combinations, Subdivisions and Reclassifications by the Partnership.* If, after the Series A Initial Closing Date, the Partnership (1) makes a distribution on the Common Units payable in Common Units or other Partnership Interests, (2) subdivides or splits its Outstanding Common Units into a greater number of Common Units, (3) combines or reclassifies the Common Units into a lesser number of Common Units, (4) issues by reclassification of its Common Units any Partnership Interests (including any reclassification in connection with a merger, consolidation or business combination in which the Partnership is the surviving Person), (5) effects a Pro Rata repurchase of Common Units, in each case other than in connection with a Series A Change of Control (which shall be governed by Section 5.11(f)), (6) issues to holders of Common Units, in their capacity as holders of Common Units, rights, options or warrants entitling them to subscribe for or purchase Common Units at less than the market value thereof, (7) distributes to holders of Common Units evidences of indebtedness, Partnership Interests (other than Common Units) or other assets (including securities, but excluding any distribution referred to in clause (1) above, any rights or warrants referred to in clause (6) above, any consideration payable in connection with a tender or exchange offer made by the Partnership or any of its Subsidiaries and any distribution of Units or any class or series, or similar Partnership Interest, of or relating to a Subsidiary or other business unit of the Partnership in the case of certain spin-off transactions described below), or (8) consummates a spin-off, where the Partnership makes a distribution to all holders of Common Units consisting of Units of any class or series, or similar equity interests of, or relating to, a Subsidiary or other business unit of the Partnership, then the Series A Conversion Rate, the Series A Redemption Price and, solely for purposes of Section 5.11(e)(ii)(B), the Series A Issue Price, in each case, in effect at the time of the Record Date for such distribution or the effective date of any such other transaction shall be proportionately adjusted: (A) in respect of clauses (1) through (4) above, so that the conversion of the Series A Preferred Units after such time shall entitle each Series A Preferred Unitholder to receive the aggregate number of Common Units (or any Partnership Interests into which such Common Units would have been combined, consolidated, merged or reclassified, as applicable) that such Series A Preferred Unitholder would have been entitled to receive if the Series A Preferred Units had been converted into Common Units immediately prior to such Record Date or effective date, as the case may be, (B) in respect of clauses (5) through (8) above, in the reasonable discretion of the General Partner to appropriately ensure that the Series A Preferred Units are convertible into an economically equivalent number of Common Units after taking into account the event described in clauses (5) through (8) above, and (C) in addition to the

foregoing, in the case of a merger, consolidation or business combination in which the Partnership is the surviving Person, the Partnership shall provide effective provisions to ensure that the provisions in this Section 5.11(e)(v) relating to the Series A Preferred Units shall not be abridged or amended and that the Series A Preferred Units shall thereafter retain the same powers, economic rights, preferences and relative participating, optional and other special rights, and the qualifications, limitations and restrictions thereon, that the Series A Preferred Units had immediately prior to such transaction or event. Notwithstanding the above, if any other terms of the Series A Preferred Units require adjustment to achieve the economic equivalence described above, such terms shall be proportionately adjusted in the manner determined in the General Partner's reasonable discretion to take into account any such subdivision, split, combination or reclassification. An adjustment made pursuant to this Section 5.11(e)(v) shall become effective immediately after the Record Date, in the case of a distribution, and shall become effective immediately after the applicable effective date, in the case of a subdivision, combination, reclassification (including any reclassification in connection with a merger, consolidation or business combination in which the Partnership is the surviving Person) or split. Such adjustment shall be made successively whenever any event described above shall occur.

(vi) *No Adjustments for Certain Items.* Notwithstanding any of the other provisions of this Section 5.11(e), no adjustment shall be made to the Series A Conversion Rate, the Series A Redemption Price or the Series A Issue Price pursuant to Section 5.11(e)(v) as a result of any of the following:

(A) any cash distributions made to holders of the Common Units, Subordinated Units or Series A Preferred Units;

(B) any grant of Common Units or options, warrants or rights to purchase or receive Common Units or the issuance of Common Units upon the exercise or vesting of any such options, warrants or rights in respect of services provided to or for the benefit of the Partnership or its Subsidiaries, under compensation plans and agreements approved by the General Partner (including any long-term incentive plan);

(C) any issuance of Common Units as all or part of the consideration to effect (1) the closing of any acquisition by the Partnership or any of its Subsidiaries of assets or equity interests of a third party in an arm's-length transaction or (2) the consummation of a merger, consolidation or other business combination of the Partnership with another entity in which the Partnership survives and the Common Units remain Outstanding, *provided* that any such transaction set forth in clause (1) or (2) of this Section 5.11(e)(vi)(C) is approved by the General Partner;

(D) the issuance of Common Units or Subordinated Units upon conversion of Series A Preferred Units;

(E) the issuance of Common Units upon conversion of Subordinated Units; or

(F) the issuance of Common Units upon conversion of Series A Preferred Units or Series A Parity Securities.

Notwithstanding anything in this Agreement to the contrary, (x) whenever the issuance of a Partnership Interest or other event would require an adjustment to the Series A Conversion Rate under one or more provisions of this Agreement, only one adjustment shall be made to the Series A Conversion Rate in respect of such issuance or event and (y) unless otherwise determined by the General Partner, no adjustment to the Series A Conversion Rate or the Series A Issue Price shall be made with respect to any distribution or other transaction described in Section 5.11(e)(v) if the Series A Preferred Unitholders are entitled to participate in such distribution or transaction as if they held a number of Common Units issuable upon conversion of the Series A Preferred Units immediately prior to such event at the then applicable Series A Conversion Rate, without having to convert their Series A Preferred Units.

(vii) All Common Units delivered upon conversion of the Class A Preferred Units in accordance with this Section 5.11(e) shall be (A) newly issued and (B) duly authorized, validly issued, fully paid and non-assessable Limited Partner Interests in the Partnership, except as such non-assessability may be affected by Section 17-303, 17-607 or 17-804 of the Delaware Act, and shall be free from preemptive rights, except as specifically set forth in the Partnership Agreement, and free of any lien, claim, rights or encumbrances, other than those arising under the Delaware Act or this Agreement and other than restrictions on transfer under applicable securities laws.

(f) *Series A Change of Control.*

(i) Subject to Section 5.11(e)(ii), in the event of a Series A Cash Change of Control, the Outstanding Series A Preferred Units shall be automatically converted, without requirement of any action of the Series A Preferred Unitholders, into Common Units at the Series A COC Conversion Rate immediately prior to the closing of the applicable Series A Cash Change of Control.

(ii) Subject to Section 5.11(e)(ii), and not less than ten (10) Business Days prior to consummating a Series A Change of Control (other than a Series A Cash Change of Control), the Partnership shall provide written notice thereof to the Series A Preferred Unitholders. Subject to Section 5.11(e)(ii), if a Series A Change of Control (other than a Series A Cash Change of Control) occurs, then each Series A Preferred Unitholder, with respect to all, but not less than all, of its Series A Preferred Units, by notice given to the Partnership within ten (10) Business Days of the date the Partnership provides written notice of such Series A Change of Control described in this Section 5.11(f)(ii) shall be entitled to elect one of the following (with the understanding that any Series A Preferred Unitholder who fails to timely provide notice of its election to the Partnership shall be deemed to have elected the option set forth in clause (A) immediately below):

(A) convert all, but not less than all, of such Series A Preferred Unitholder's Outstanding Series A Preferred Units into Common Units at the then-applicable Series A Conversion Rate;

(B) except as described below, if (i) the Partnership will not be the surviving Person upon the consummation of such Series A Change of Control or (ii) the Partnership will be the surviving Person but its Common Units will no longer be listed or admitted to trading on a National Securities Exchange, then require the Partnership to use its commercially reasonable efforts to deliver or to cause to be delivered to the Series A Preferred Unitholders, in exchange for their Series A Preferred Units upon the consummation of such Series A Change of Control, a security in the surviving Person or the parent of the surviving Person that has powers, rights, preferences and privileges substantially similar to the Series A Preferred Units, including, for the avoidance of doubt, the right to distributions equal in amount and timing to those provided in Section 5.11(b) and a conversion rate proportionately adjusted such that the conversion of such security in the surviving Person or parent of the surviving Person immediately following the consummation of such Series A Change of Control would entitle the Record Holder to the number of common securities of such Person (together with a number of common securities of equivalent value to any other assets received by holders of Common Units in such Series A Change of Control) which, if a Series A Preferred Unit had been converted into Common Units immediately prior to such Series A Change of Control, such Record Holder would have been entitled to receive immediately following such Series A Change of Control (such security in the surviving Person, a "***Series A Substantially Equivalent Unit***"); *provided, however*, that, if the Partnership is unable to deliver or cause to be delivered Series A Substantially Equivalent Units to any Series A Preferred Unitholder in connection with such Series A Change of Control, then such Series A Preferred Unitholder shall be entitled to (y) require redemption of such Series A Preferred Units in the manner contemplated by clause (D) below of this Section 5.11(f)(ii), or (z) convert the Series A Preferred Units held by such Series A Preferred Unitholder immediately prior to such Series A Change of Control into a number of Common Units at a conversion ratio equal to the quotient of (I)(a) the product of (i) 110% *multiplied* by (ii) the Series A Issue Price of all such Series A Preferred Units, less (b) such Series A Preferred Unitholder's Pro Rata portion of the sum of (i) the aggregate cash distributions paid on all Series A Preferred Units on or prior to the date of such Series A Change of Control and (ii) an amount in cash equal to the aggregate Series A Quarterly Distributions paid in Series A PIK Units (based on the value of such Series A PIK Units on the applicable Series A PIK Payment Date) on or prior to the date of such Series A Change of Control, *divided* by (II) an amount equal to 95% of the

VWAP of the Common Units for the 30-Trading Day period ending on the Trading Date immediately before the consummation of such Series A Change of Control; *provided, however*, that such conversion ratio shall in no event result in a value per Series A Preferred Unit that exceeds (1) 110% of the Series A Issue Price of such Series A Preferred Units, in the case of a Series A Change of Control occurring prior to the first anniversary of the Series A Initial Closing Date; (2) 120% of the Series A Issue Price of such Series A Preferred Units, in the case of a Series A Change of Control occurring on or after the first anniversary of the Series A Initial Closing Date, but prior to the second anniversary of the Series A Initial Closing Date; and (3) 130% of the Series A Issue Price of such Series A Preferred Units, in the case of a Series A Change of Control occurring on or after the second anniversary of the Series A Initial Closing Date;

(C) if the Partnership is the surviving Person upon the consummation of such Series A Change of Control and its Common Units continue to be listed for, or admitted to, trading on a National Securities Exchange, continue to hold such Series A Preferred Unitholder's respective Series A Preferred Units; or

(D) require the Partnership to redeem all, but not less than all, of such Series A Preferred Unitholder's respective Series A Preferred Units at a price per Series A Preferred Unit equal to 101% of the sum of (A) the Series A Accrued Amount of such Series A Preferred Unit *plus* (B) any Series A Partial Period Distributions on such Series A Preferred Unit to the redemption date. At the option of the General Partner, any redemption pursuant to this clause (D) shall be paid in cash, in Common Units or in a combination thereof. If all or any portion of such redemption is to be paid in Common Units, the Common Units to be issued shall be valued at 98% of the VWAP for the 20-Trading Day period ending on the fifth Trading Day immediately preceding the consummation of such Series A Change of Control. The Partnership's redemption obligations as set forth in this clause (D) shall (i) be subordinated to any indebtedness of the Partnership incurred in connection with such Series A Change of Control, and (ii) only be required to be paid to the extent such payment is permitted under applicable law and the terms of the Partnership's then-outstanding indebtedness. No later than three (3) Trading Days prior to the consummation of such Series A Change of Control, the Partnership shall deliver a written notice to the Record Holders of the Series A Preferred Units stating the date on which the Series A Preferred Units will be redeemed and the Partnership's computation of the amount of cash and/or Common Units to be received by the Record Holder upon redemption of such Series A Preferred Units. If the Partnership shall be the surviving Person upon the consummation of such Series A Change of Control, then no later than ten (10) Business Days following the consummation of such Series A Change of Control, the Partnership shall remit the applicable consideration to each Record Holder of then Outstanding Series A Preferred Units entitled to receive such

consideration pursuant to this clause (D). If the Partnership will not be the surviving Person upon the consummation of such Series A Change of Control, then the Partnership shall remit the applicable consideration to such Record Holders immediately prior to the consummation of such Series A Change of Control. The Record Holders shall deliver to the Partnership Certificates representing the Series A Preferred Units, if any, as soon as practicable following such redemption. Record Holders of the Series A Preferred Units shall retain all of the rights and privileges thereof unless and until the consideration due to such Record Holders as a result of such redemption is paid in full. After any such redemption, any such redeemed Series A Preferred Unit shall no longer constitute an issued and Outstanding Limited Partner Interest.

(g) *Optional Redemption.*

(i) Upon not less than twenty (20) Business Days prior written notice (each, a “**Series A Redemption Notice**”), the Partnership may redeem the Series A Preferred Units, in whole or in part, (A) at any time after the third anniversary of the Series A Initial Closing Date and on or prior to the fourth anniversary of the Series A Initial Closing Date, at a redemption price equal to 105% of the Series A Issue Price of such Series A Preferred Units to be redeemed *plus* the Series A Unpaid Distributions with respect thereto *plus* any Series A Partial Period Distributions with respect thereto, payable wholly in cash, (B) at any time after the fourth anniversary of the Series A Initial Closing Date at a redemption price equal to 101% of the Series A Issue Price of such Series A Preferred Units to be redeemed *plus* the Series A Unpaid Distributions with respect thereto *plus* any Series A Partial Period Distributions with respect thereto, payable wholly in cash, and (C) at any time before the date this is six months after the Series A Initial Closing Date at a redemption price equal to 100% of the Series A Issue Price of such Series A Preferred Units to be redeemed plus the Series A Unpaid Distributions with respect thereto plus any Series A Partial Period Distributions with respect thereto, plus \$200,000, payable wholly in cash.

(ii) The Series A Redemption Notice shall be furnished to the Series A Preferred Unitholders whose Series A Preferred Units are to be redeemed.

(iii) On and after any date fixed for redemption (each a “**Series A Redemption Date**”), provided that the Partnership has made available at the office of the Transfer Agent a sufficient amount of funds to effect the redemption, distributions will cease to accrue on the Series A Preferred Units called for redemption, such Series A Preferred Units shall no longer be deemed to be outstanding and all rights of the holders of such units as holders of Series A Preferred Units shall cease except the right to receive the cash deliverable upon such redemption, without interest from the Series A Redemption Date. Notice of any redemption will be irrevocable and will be provided by the Partnership not less than twenty (20) Business Days prior to the Series A Redemption Date, addressed to the respective Record Holders of the Series A Preferred Units to be redeemed at their

respective addresses as they appear on the books and records of the Partnership. No failure to give such notice or any defect therein shall affect the validity of the proceedings for the redemption of any Series A Preferred Units except as to any Series A Preferred Unitholder to whom the Partnership has failed to give notice or except as to any Series A Preferred Unitholder to whom notice was defective. In addition to any information required by applicable law, such notice shall state: (1) the Series A Redemption Date; (2) the Series A Redemption Price; and (3) whether all or less than all of the Outstanding Series A Preferred Units are to be redeemed, the aggregate amount of Series A Preferred Units to be redeemed and, if less than all Series A Preferred Units held by such Series A Preferred Unitholder are to be redeemed, the number of Series A Preferred Units that will be redeemed. The notice may also require delivery of Certificates representing the Series A Preferred Units to be redeemed, if any, together with certification as to the ownership of such Series A Preferred Units. Upon the redemption of Series A Preferred Units pursuant to this [Section 5.11\(g\)](#), all rights of a Series A Preferred Unitholder with respect to the redeemed Series A Preferred Units shall cease, and such redeemed Series A Preferred Units shall cease to be Outstanding for all purposes of this Agreement.

(iv) If the Partnership defaults in the payment of the redemption price by failing to pay such price by the date specified in the notice of redemption, then the Series A Preferred Units that were called for redemption shall remain outstanding and continue to accumulate the Series A Distribution Amount.

(v) Upon any redemption of Series A Preferred Units pursuant to this [Section 5.11\(g\)](#), the Partnership shall pay the Series A Redemption Price to the applicable Series A Preferred Unitholders by wire transfer of immediately available funds to an account specified by each such Series A Preferred Unitholder in writing to the General Partner as requested in the notice of redemption.

(vi) Except as provided in [Section 5.11\(f\)\(ii\)\(D\)](#), no Series A Preferred Unitholder shall have the right to require the Partnership to redeem any Series A Preferred Units. Nothing in this [Section 5.11\(g\)](#), however, is intended to limit or prevent a Series A Preferred Unitholder from electing to convert its Series A Preferred Units into Common Units in accordance with [Section 5.11\(e\)](#), and the Partnership shall not have any right to redeem Series A Preferred Units from a Series A Preferred Unitholder to the extent such Series A Preferred Unitholder delivers a valid Series A Conversion Notice covering all of the Series A Preferred Units that are the subject of the applicable Series A Redemption Notice to the Partnership prior to the Series A Redemption Date in respect of the applicable Series A Redemption Notice. Except as provided in this [Section 5.11\(g\)](#), the Partnership shall not have the right under any provision of the Partnership Agreement at its option to redeem Series A Preferred Units.

(h) *Initial Capital Account.* The initial Capital Account balance with respect to each Series A Preferred Unit will be equal to the Series A Issue Price of such Series A Preferred Unit.

(i) *Allocations*. Notwithstanding anything to the contrary in this Agreement:

(i) The holders of Series A Preferred Units shall not be entitled to receive, except as otherwise provided in this Section 5.11(i), allocations of (1) Net Income pursuant to Section 6.1(a), (2) Net Loss pursuant to Section 6.1(b), and (3) Net Termination Gains and Net Termination Losses pursuant to Section 6.1(c).

(ii) For each taxable period, after the application of Section 6.1(b) but prior to making any allocation pursuant to another portion of Section 6.1, Net Loss shall be allocated to the holders of Series A Preferred Units, in respect of the Series A Preferred Units, Pro Rata, until the Capital Account balance in respect of each Series A Preferred Unit has been reduced to zero.

(iii) For each taxable period, after the application of Section 6.1(c)(ii)(C), or the application of Section 6.1(c)(iii)(C) but prior to making any allocation pursuant to another portion of Section 6.1, Net Termination Loss shall be allocated to the holders of Series A Preferred Units, in respect of the Series A Preferred Units, Pro Rata, until the Capital Account balance in respect of each Series A Preferred Unit has been reduced to zero.

(iv) For each taxable period, following any allocation made pursuant to Section 6.1(d) but prior to making any allocation pursuant to another portion of Section 6.1:

(A) Items of Partnership gross income shall be allocated to the holders of Series A Preferred Units, Pro Rata, until the aggregate amount of gross income allocated to each holder of Series A Preferred Units pursuant hereto for the current taxable period and all previous taxable periods is equal to the cumulative amount of all cash distributions (but, for the avoidance of doubt, not Series A PIK Units) made with respect to such holder's Series A Preferred Units pursuant to Section 5.11(b) from the date such Series A Preferred Units were issued to a date 60 days after the end of the current taxable period.

(B) Items of Partnership gross income, gain and Unrealized Gain shall be allocated to the holders of Series A Preferred Units, Pro Rata, until the aggregate amount of gross income, gain and Unrealized Gain allocated to each holder of Series A Preferred Units pursuant to this Section 5.11(i)(iv)(B) for the current and all prior taxable periods is equal to the cumulative amount of all Net Losses allocated to such holder of Series A Preferred Units pursuant to Section 5.11(i)(ii) and all Net Termination Losses allocated to such holder of Series A Preferred Units pursuant to Section 5.11(i)(iii) for all previous taxable periods.

(C) If in the year of an event of any liquidation, dissolution or winding up of the Partnership under Section 12.4, either voluntary or involuntary, and after having made all other allocations provided for in Sections 5.11(i) and 6.1 for the taxable period in which such liquidation, dissolution, or winding up occurs, any holder's Per Unit Capital Amount of each Series A Preferred Unit does not equal or exceed the Series A Liquidation Amount, then items of income, gain, loss and deduction for such taxable period shall be allocated among the Partners in a manner determined appropriate by the General Partner so as to cause, to the maximum extent possible, the Per Unit Capital Amount in respect of each Series A Preferred Unit to equal the Series A Liquidation Amount (and no other allocation pursuant to this Agreement shall reverse the effect of such allocations). If in the year of such liquidation, dissolution or winding up any such holder's Capital Account in respect of such Series A Preferred Units is less than the aggregate Series A Liquidation Amount of such Series A Preferred Units after the application of the preceding sentence, then to the extent permitted by law and notwithstanding anything to the contrary contained in this Agreement, items of gross income and gain for any preceding taxable period(s) with respect to which IRS Form 1065 Schedule K-1s have not been filed by the Partnership shall be reallocated to all Unitholders holding Series A Preferred Units, Pro Rata, until the Capital Account in respect of each Series A Preferred Unit then Outstanding is equal to the Series A Liquidation Amount (and no other allocation pursuant to this Agreement shall reverse the effect of such allocation). After such allocations have been made to the Outstanding Series A Preferred Units, any remaining Net Termination Gain or Net Termination Loss shall be allocated to the Partners pursuant to Section 6.1(c) or Section 6.1(d) of the Partnership Agreement, as the case may be.

7. The introductory paragraph of Section 6.1 is hereby amended and restated as follows:

Section 6.1 *Allocations for Capital Account Purposes*. Except as otherwise required pursuant to Section 5.11(i), for purposes of maintaining the Capital Accounts and in determining the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Section 5.4(b)) for each taxable period shall be allocated among the Partners (other than Partners holding Series A Preferred Units, in respect of such Series A Preferred Units) as provided herein below.

8. Section 6.1(d)(iii)(A) is hereby amended and restated as follows:

(A) If the amount of cash or the Net Agreed Value of any property distributed (except cash or property distributed pursuant to Section 12.4 or with respect to Series A Preferred Units) with respect to a Unit for a taxable period exceeds the amount of cash or the Net Agreed Value of property distributed with respect to another Unit within the same taxable period (the amount of the excess, an "Excess Distribution" and the Unit with respect to which the greater distribution is paid, an "***Excess Distribution Unit***"), then there shall be allocated gross income and gain to each Unitholder receiving an Excess Distribution with respect to the Excess Distribution Unit until the aggregate amount of such items allocated with respect to such Excess Distribution Unit pursuant to this Section 6.1(d)(iii)(A) for the current taxable period and all previous taxable periods is equal to the amount of the Excess Distribution.

9. Article VI is hereby amended by adding a new Section 6.1(d)(xv) as follows:

(xv) *Equalization of Capital Accounts With Respect to Privately Placed Units*. Net Termination Gain or Net Termination Loss deemed recognized as a result of an event that results in adjustment of the Carrying Value of each Partnership property pursuant to Section 5.4(d) shall first be allocated to the (A) Unitholders holding Privately Placed Units or (B) Unitholders holding Common Units, Pro Rata, as applicable, to the extent necessary to cause the Capital Account in respect of each Privately Placed Unit then Outstanding to equal the Capital Account in respect of each Common Unit (other than Privately Placed Units) then Outstanding.

10. Section 6.2(h) is hereby amended and restated as follows:

(h) If, as a result of an exercise of a Noncompensatory Option (which, for purposes hereof, shall include any conversion of Series A Preferred Units to Common Units pursuant to Section 5.11(e)), a Capital Account reallocation is required under Treasury Regulation Section 1.704-1(b)(2)(iv)(s)(3), the General Partner shall make corrective allocations pursuant to Treasury Regulation Section 1.704-1(b)(4)(x).

11. Section 6.4(b) is hereby amended and restated as follows:

(b) *After the Subordination Period*. Subject to Section 5.11(b) and except as otherwise contemplated by Section 5.5(b) in respect of additional Partnership Interests issued pursuant thereto, Available Cash with respect to any Quarter after the Subordination Period that is deemed to be Operating Surplus pursuant to the provisions of Section 6.3 or Section 6.5 shall be distributed as follows:

(i) First, to all Unitholders holding Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Minimum Quarterly Distribution for such Quarter;

(ii) Second, to all Unitholders holding Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the excess of the First Target Distribution over the Minimum Quarterly Distribution for such Quarter;

(iii) Third, 15% to the holders of the Incentive Distribution Rights, Pro Rata, and 85% to all Unitholders holding Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the excess of the Second Target Distribution over the First Target Distribution for such Quarter;

(iv) Fourth, 25% to the holders of the Incentive Distribution Rights, Pro Rata, and 75% to all Unitholders holding Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the excess of the Third Target Distribution over the Second Target Distribution for such Quarter; and

(v) Thereafter, 50% to the holders of the Incentive Distribution Rights, Pro Rata, and 50% to all Unitholders holding Common Units, Pro Rata;

provided, however, that if the Target Distributions have been reduced to zero pursuant to the second sentence of Section 6.6(a), the distribution of Available Cash that is deemed to be Operating Surplus with respect to any Quarter will be made solely in accordance with Section 6.4(b)(v).

12. Section 6.5 is hereby amended and restated as follows:

Section 6.5 Distributions of Available Cash from Capital Surplus. Subject to Section 5.11(b) and unless the provisions of Section 6.3(a) require otherwise, Available Cash that is deemed to be Capital Surplus pursuant to the provisions of Section 6.3(a) shall be distributed to the Unitholders holding Common Units, Pro Rata, until a hypothetical holder of a Common Unit acquired on the Closing Date has received with respect to such Common Unit distributions of Available Cash that are deemed to be Capital Surplus in an aggregate amount equal to the Initial Unit Price. Available Cash that is deemed to be Capital Surplus shall then be distributed to all Unitholders holding Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Cumulative Common Unit Arrearage. Thereafter, all Available Cash shall be distributed as if it were Operating Surplus and shall be distributed in accordance with Section 6.4.

13. Article VI is hereby amended to add a new Section 6.10 implementing certain special provisions concerning the Series A Preferred Units.

Section 6.10 Special Provisions Relating to Series A Preferred Units.

(a) Subject to any applicable transfer restrictions in Section 4.8 or Section 4.11, the holder of a Series A Preferred Unit or a Series A Conversion Unit shall provide notice to the Partnership of the transfer of any such Series A Preferred Unit or Series A Conversion Unit, as applicable, by the earlier of (i) 30 days following such transfer and (ii) the last Business Day of the calendar year during which such transfer occurred, unless, with respect to a transfer of a Series A Conversion Unit, by virtue of the application of Section 5.4(d), the Partnership has previously determined, based on the advice of counsel, that the transferred Series A Conversion Unit should have, as a substantive matter, like intrinsic economic and federal income tax characteristics of an Initial Common Unit. In connection with the condition imposed by this Section 6.10, the Partnership shall take whatever steps are required to provide economic uniformity to the Series A Conversion Unit in preparation for a transfer of such Unit; *provided, however*, that no such steps may be taken that would have a material adverse effect on the Unitholders holding Common Units (for this purpose the allocations of income, gain, loss and deductions, and the making of any

Assuming the accuracy of the Purchaser's representations and warranties in Section 4.05, the issuances and sales of the Purchased Units to the Purchaser pursuant to this Agreement are exempt from registration requirements of the Securities Act, and neither the Partnership nor, to the Partnership's Knowledge, any Person acting on its behalf, has taken nor will take any action hereafter that would cause the loss of such exemption.

Section 3.07 Litigation. Except as described in the CELP SEC Documents, there are no actions, suits, claims, investigations, orders, injunctions or proceedings pending or, to the Knowledge of the Partnership Parties, threatened or contemplated, to which any Partnership Party or any of their respective directors or officers is or would be a party or to which any of their respective Properties is or would be subject at law or in equity, before or by any Governmental Authority, or before or by any self-regulatory organization or other non-governmental regulatory authority (including, without limitation, the NYSE), which would, individually or in the aggregate, if resolved adversely to any Partnership Party, constitute a Material Adverse Effect, or which challenge the validity of any of the Transaction Documents or the right of either of the Partnership or the General Partner to enter into any of the Transaction Documents or to consummate the transactions contemplated thereby.

Section 3.08 Authority; Enforceability. The Partnership has all requisite power and authority under the Partnership Agreement and the Delaware LP Act to issue, sell and deliver the Purchased Units, in accordance with and upon the terms and conditions set forth in this Agreement and the Partnership Agreement. All corporate, limited partnership and limited liability company action, as applicable, required to be taken by the Partnership Parties or any of their partners or members for the authorization, issuance, sale and delivery of the Purchased Units, the execution and delivery of the Transaction Documents and the consummation of the transactions

contemplated thereby has been validly taken. No approval from the holders of outstanding Common Units is required under the Partnership Agreement or the rules of the NYSE in connection with the Partnership's issuance and sale of the Purchased Units to the Purchaser. Each of the Transaction Documents has been duly and validly authorized and has been or, with respect to the Transaction Documents to be delivered at the Closings, will be, validly executed and delivered by the applicable Partnership Party and, to the Knowledge of the Partnership Parties, the other parties thereto. Each of the Transaction Documents constitutes, or will constitute, the legal, valid and binding obligations of the applicable Partnership Party and, to the Knowledge of the Partnership Parties, each of the parties thereto, in each case enforceable in accordance with its terms; *provided* that, with respect to each such agreement, the enforceability thereof may be limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar Laws from time to time in effect affecting creditors' rights and remedies generally and by general principles of equity (regardless of whether such principles are considered in a proceeding in equity or at law).

Section 3.09 Approvals. No approval, authorization, consent, waiver, license, qualification, written exemption from, or order of or filing with any Governmental Authority, or of or with any self-regulatory organization or other non-governmental regulatory authority (including, without limitation, the NYSE), or approval of the security holders of any of the Partnership Parties (each, a "Consent"), is required in connection with the issuance and sale of the Purchased Units by the Partnership, the execution, delivery and performance of this Agreement and the other Transaction Documents by the Partnership Parties party hereto or thereto and the consummation by the Partnership Parties of the transactions contemplated hereby or thereby, other than Consents (a) required under the state securities or "Blue Sky" Laws, (b) that have been obtained, and (c) Consents, the absence or omission of which would not, individually or in the aggregate, constitute a Material Adverse Effect.

Section 3.10 MLP Status. For each taxable year since the Partnership has been publicly traded within the meaning of Section 7704(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code"), the Partnership has met the gross income requirements of Section 7704(c)(2) of the Code and has otherwise satisfied the requirements for treatment as a partnership for U.S. federal income tax purposes. The Partnership expects to meet these requirements for its current taxable year and following the consummation of the transactions contemplated by the Transaction Documents.

Section 3.11 Investment Company Status. None of the Partnership Parties is, and immediately after the sale of the Purchased Units hereunder, as applicable, and the application of the net proceeds from such sales none of the Partnership Parties will be, an "investment company" or an entity "controlled" by an "investment company," as such terms are defined in the Investment Company Act of 1940, as amended, and the rules and regulations promulgated by the Commission thereunder.

Section 3.12 Certain Fees. No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission from the Purchaser with respect to the sale of any of the Purchased Units or the consummation of the transactions contemplated by this Agreement based upon arrangements made by or on behalf of any Partnership Parties. The Partnership agrees that it will indemnify and hold harmless the Purchaser from and against any and all claims,

demands, or liabilities for broker's, finder's, placement, or other similar fees or commissions incurred by the Partnership Parties or alleged to have been incurred by the Partnership Parties in connection with the sale of the Purchased Units or the consummation of the transactions contemplated by this Agreement.

Section 3.13 Insurance. The Partnership Parties maintain insurance covering the Properties, operations, personnel and businesses of the Partnership Parties as such Partnership Parties reasonably deem adequate; such insurance insures against losses and risks to an extent which is reasonably adequate, in accordance with customary industry practice, to protect the Partnership Parties and their respective businesses in a commercially reasonable manner; all such insurance is fully in force on each Closing Date; and the Partnership Parties have no reason to believe that they will not be able to renew such insurance as and when such insurance expires, except for such insurance for which the failure to be outstanding and duly in force would not constitute a Material Adverse Effect; and no Partnership Party has received notice from any insurer that capital improvements or other expenditures are required or necessary to be made in order to continue such insurance.

Section 3.14 Internal Controls. The Partnership Parties, taken as a whole, maintain a system of internal accounting controls that comply with the requirements of the Exchange Act sufficient to provide reasonable assurance that (a) transactions are executed in accordance with management's general or specific authorization, (b) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets, (c) access to assets is permitted only in accordance with management's general or specific authorization and (d) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

Section 3.15 Form S-3 Eligibility. The Partnership is eligible to register the Series A Preferred Units and the Conversion Units for resale by the Purchaser under Form S-3 promulgated under the Securities Act.

Section 3.16 No Violations; Compliance with Laws. The execution, delivery and performance by the Partnership Parties of the Transaction Documents to which each is a party and compliance by the Partnership Parties with the terms and provisions thereof, and the consummation of the transactions contemplated hereby and thereby (including the issuance, sale and delivery by the Partnership of the Purchased Units to the Purchaser and the execution and delivery of the Partnership Agreement Amendment), do not and will not (a) violate any provision of any Law having applicability to the Partnership or any of its Subsidiaries or any of their respective Properties, (b) assuming the accuracy of the representations and warranties of the Purchaser contained herein and its compliance with the covenants contained herein, violate any provision of any federal or state securities Law (c) result in a violation or breach of any provision of the Partnership Agreement, or any organizational documents of any of the Partnership's Subsidiaries, (d) require any consent, approval or notice (other than those previously obtained or given) under or result in a violation or breach of or constitute (with or without due notice or lapse of time or both) a default (or give rise to any right of termination, cancellation or acceleration) under any contract, agreement, instrument, obligation, note, bond, mortgage, license, loan or credit agreement to which the Partnership or any of its Subsidiaries is a party or by which the Partnership

or any of its Subsidiaries or any of their respective Properties may be bound, or (e) result in or require the creation or imposition of any Lien upon or with respect to any of the Properties now owned or hereafter acquired by the Partnership or any of its Subsidiaries, except in the case of clauses (a), (b) and (d) where any such violation, default, breach, termination, cancellation, failure to receive consent, approval or notice, or acceleration with respect to the foregoing provisions of this Section 3.16 would not be, individually or in the aggregate, reasonably likely to result in a Material Adverse Effect.

ARTICLE IV.
THE PURCHASER'S REPRESENTATIONS AND WARRANTIES

As of each Closing Date, the Purchaser represents and warrants and covenants to the Partnership as follows:

Section 4.01 Existence. The Purchaser is duly organized and validly existing and in good standing under the Laws of its state of formation, with all necessary power and authority to own Properties and to conduct its business as currently conducted.

Section 4.02 Authorization; Enforceability. The Purchaser has all necessary partnership power and authority to enter into, deliver and perform its obligations under the Transaction Documents to which it is a party. The execution, delivery and performance of such Transaction Documents by the Purchaser and the consummation by it of the transactions contemplated thereby have been duly and validly authorized by all necessary legal partnership action on the part of the Purchaser, and no further consent or authorization by any other Person is required for the execution, delivery and performance of such Transaction Documents by the Purchaser and the consummation by the Purchaser of the transactions contemplated thereby. Each of the Transaction Documents to which the Purchaser is a party has been, or will be at each Closing, duly executed and delivered by the Purchaser, where applicable, and constitutes, or will constitute at each Closing, a legal, valid and binding obligation of the Purchaser, except as enforceability is limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar Laws from time to time in effect affecting creditors' rights and remedies generally and by general principles of equity (regardless of whether such principles are considered in a proceeding in equity or at law).

Section 4.03 No Breach. The execution, delivery and performance of the Transaction Documents to which the Purchaser is a party by the Purchaser and the consummation by the Purchaser of the transactions contemplated thereby will not (a) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any material agreement to which the Purchaser is a party or by which the Purchaser is bound or to which any of the property or assets of the Purchaser is subject, (b) conflict with or result in any violation of the provisions of the Organizational Documents of the Purchaser, or (c) violate any Law of any Governmental Authority or body having jurisdiction over the Purchaser or the property or assets of the Purchaser, except in the case of clauses (a) and (c), for conflicts, breaches, violations or defaults as would not reasonably be expected to have a material adverse effect on the ability of the Purchaser to perform its obligations under the Transaction Documents or consummate the transactions contemplated thereby.

Section 4.04 Certain Fees. No fees or commissions are or will be payable by the Purchaser to brokers, finders or investment bankers with respect to the purchase of any of the Purchased Units or the consummation of the transactions contemplated by this Agreement except for fees or commissions for which no Partnership Party shall be responsible. The Purchaser agrees that it will indemnify and hold harmless the Partnership Parties from and against any and all claims, demands, or liabilities for broker's, finder's, placement, or other similar fees or commissions incurred by or on behalf of the Purchaser or alleged to have been incurred by or on behalf of the Purchaser in connection with the purchase of the Purchased Units or the consummation of the transactions contemplated by this Agreement.

Section 4.05 Unregistered Securities.

(a) **Accredited Investor Status; Sophisticated Purchaser.** The Purchaser is an "accredited investor" within the meaning of Rule 501 under the Securities Act and is able to bear the risk of its investment in the Purchased Units, the PIK Units and the Conversion Units, as applicable. The Purchaser has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of the Purchased Units and the Conversion Units, as applicable.

(b) **Information.** The Purchaser and its Representatives have been furnished with all materials relating to the business, finances and operations of the Partnership that have been requested and materials relating to the offer and sale of, and investment in, the Purchased Units and Conversion Units, as applicable, that have been requested by the Purchaser. The Purchaser and its Representatives have been afforded the opportunity to ask questions of the Partnership and its Representatives. Neither such inquiries nor any other due diligence investigations conducted at any time by the Purchaser and its Representatives shall modify, amend or affect the Purchaser's right (i) to rely on the Partnership's representations and warranties in Article III above or (ii) to indemnification or any other remedy based on, or with respect to the accuracy or inaccuracy of, or compliance with, the representations, warranties, covenants and agreements in any Transaction Document. The Purchaser understands that its purchase of the Purchased Units involves a high degree of risk. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Purchased Units.

(c) **Legends.** The Purchaser understands that, until such time as the Purchased Units, the PIK Units and the Conversion Units, as applicable, have been sold pursuant to an effective registration statement under the Securities Act, or the Purchased Units, the PIK Units and the Conversion Units, as applicable, are eligible for resale pursuant to Rule 144 promulgated under the Securities Act without any restriction as to the number of securities as of a particular date that can then be immediately sold, the Purchased Units, the PIK Units and the Conversion Units, as applicable, will bear a restrictive legend as provided in the Partnership Agreement.

(d) **Purchase Representation.** The Purchaser is purchasing the Purchased Units for its own account and not with a view to distribution in violation of any securities Laws. The Purchaser has been advised and understands that neither the Purchased Units, the PIK Units nor the Conversion Units have been registered under the Securities Act or under the "blue sky" Laws of any jurisdiction and may be resold only if registered pursuant to the provisions of the Securities Act (or if eligible, pursuant to the provisions of Rule 144 promulgated under the Securities Act or pursuant to another available exemption from the registration requirements of the Securities Act).

(e) Rule 144. The Purchaser understands that there is no public trading market for the Series A Preferred Units, that none is expected to develop, that the Purchased Units are characterized as restricted securities under the federal securities Laws and that the Purchased Units, the PIK Units and the Conversion Units must be held indefinitely unless and until the Purchased Units, the PIK Units or the Conversion Units, as applicable, are registered under the Securities Act or an exemption from registration is available. The Purchaser has been advised of and is knowledgeable with respect to the provisions of Rule 144 promulgated under the Securities Act.

(f) Reliance by the Partnership. The Purchaser understands that the Purchased Units are being offered and sold in reliance on a transactional exemption from the registration requirements of federal and state securities Laws and that the Partnership is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of the Purchaser to acquire the Purchased Units and the PIK Units, and the Conversion Units issuable upon conversion thereof.

ARTICLE V. COVENANTS

Section 5.01 Cooperation; Further Assurances. Each of the Parties shall use its commercially reasonable efforts promptly to take or cause to be taken all action and promptly to do or cause to be done all things necessary, proper or advisable under applicable Law and regulations to consummate and make effective the transactions contemplated by this Agreement. Without limiting the foregoing, each of the Parties shall use its commercially reasonable efforts to assist the other Party in making all filings and obtaining all consents of Governmental Authorities that may be necessary or, in the reasonable opinion of the other Party, advisable for the consummation of the transactions contemplated by the Transaction Documents. The Partnership shall use its commercially reasonable efforts to cause its transfer agent to reasonably cooperate with the Purchaser to ensure that the Purchased Units, the PIK Units and the Conversion Units are validly and effectively issued to the Purchaser and that the Purchaser's ownership of the Purchased Units, the PIK Units and the Conversion Units following each Closing is accurately reflected on the appropriate books and records of the Partnership or the Partnership's transfer agent, as applicable.

Section 5.02 Use of Proceeds. The Partnership shall use the net proceeds from the sale of the Purchased Units (after the payment of all related fees and expenses) to fund the repayment of a portion of the borrowings under the Credit Agreement.

Section 5.03 Listing. The Partnership will use its commercially reasonable efforts to have the listing application with the NYSE related to the Conversion Units approved by the NYSE and maintain such listing.

ARTICLE VI.
INDEMNIFICATION, COSTS AND EXPENSES

Section 6.01 Indemnification by the Partnership. The Partnership agrees to indemnify the Purchaser and its Representatives (collectively, “Purchaser Related Parties”) from costs, losses, liabilities, damages or expenses of any kind or nature whatsoever, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands and causes of action, and, in connection therewith, promptly upon demand, pay or reimburse each of them for any and all costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and all other reasonable expenses incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them), whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to (a) the failure of any of the representations or warranties made by the Partnership contained herein to be true and correct in all material respects (other than those representations and warranties contained in Section 3.01, Section 3.02, Section 3.03, Section 3.08, Section 3.10 or Section 3.12 or other representations and warranties that are qualified by materiality or Material Adverse Effect, which, in each case, shall be true and correct in all respects) when made and as of each Closing Date (except for any representations and warranties made as of a specific date, which shall be required to be true and correct as of such date only) or (b) the breach of any covenants of the Partnership contained herein; *provided* that, in the case of the immediately preceding clause (a), such claim for indemnification is made prior to the expiration of the survival period of such representation or warranty; *provided, further*, that for purposes of determining when an indemnification claim has been made, the date upon which the Purchaser Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Partnership shall constitute the date upon which such claim has been made; and *provided, further*, that the aggregate liability of the Partnership to the Purchaser under this Section 6.01 shall not be greater in amount than the Base Purchase Price plus, if the Option is exercised, the Option Purchase Price. No Purchaser Related Party shall be entitled to recover special, indirect, exemplary, lost profits, speculative or punitive damages under this Section 6.01; *provided, however*, that such limitation shall not prevent any Purchaser Related Party from recovering under this Section 6.01 for any such damages to the extent that such damages are payable to a third party in connection with any Third-Party Claims.

Section 6.02 Indemnification by the Purchaser. The Purchaser agrees to indemnify each of the Partnership Parties and their respective Representatives (collectively, “Partnership Related Parties”) from, costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, promptly upon demand, pay or reimburse each of them for any and all costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and all other reasonable expenses incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them), whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to (a) the failure of any of the representations or warranties made by the Purchaser contained herein to be true and correct in all material respects (other than those representations and warranties contained in Section 4.01,

Section 4.02 or Section 4.04 or that in are qualified by materiality, which, in each case, shall be true and correct in all respects) when made and as of each Closing Date or (b) the breach of any of the covenants of the Purchaser contained herein; *provided, however*, that, in the case of the immediately preceding clause (a), such claim for indemnification relating to a breach of any representation or warranty is made prior to the expiration of the survival period of the representation or warranty; and *provided, further*, that for purposes of determining when an indemnification claim has been made, the date upon which a Partnership Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Purchaser shall constitute the date upon which such claim has been made; and *provided, further*, that the liability of the Purchaser shall not be greater in amount than the sum of the Base Purchase Price plus, if the Option is exercised, the Option Purchase Price, plus any distributions paid to the Purchaser with respect to the Purchased Units, the PIK Units and the Conversion Units, if and as applicable. No Partnership Related Party shall be entitled to recover special, indirect, exemplary, lost profits, speculative or punitive damages under this Section 6.02; *provided, however*, that such limitation shall not prevent any Partnership Related Party from recovering under this Section 6.02 for any such damages to the extent that such damages are payable to a third party in connection with any Third-Party Claims.

Section 6.03 Indemnification Procedure.

(a) A claim for indemnification for any matter not involving a Third-Party Claim may be asserted by notice to the party from whom indemnification is sought; *provided, however*, that failure to so notify the Indemnifying Party shall not preclude the Indemnified Party from any indemnification which it may claim in accordance with this Article VI, except as otherwise provided in Section 6.01, Section 6.02 and Section 6.03.

(b) Promptly after any Partnership Related Party or Purchaser Related Party (hereinafter, the “Indemnified Party”) has received notice of any indemnifiable claim hereunder, or the commencement of any action, suit or proceeding by a third Person, which the Indemnified Party believes in good faith is an indemnifiable claim under this Agreement (each a “Third-Party Claim”), the Indemnified Party shall give the indemnitor hereunder (the “Indemnifying Party”) written notice of such Third-Party Claim, which shall state the nature and basis of such Third-Party Claim to the extent then known; *provided, however*, that failure to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability it may have to such Indemnified Party hereunder except to the extent that the Indemnifying Party is materially prejudiced by such failure. The Indemnifying Party shall have the right to defend and settle, at its own expense and by its own counsel who shall be reasonably acceptable to the Indemnified Party, any such matter as long as the Indemnifying Party pursues the same diligently and in good faith. If the Indemnifying Party undertakes to defend or settle, it shall promptly, and in no event later than ten (10) days, notify the Indemnified Party of its intention to do so, and the Indemnified Party shall cooperate with the Indemnifying Party and its counsel in all commercially reasonable respects in the defense thereof and the settlement thereof. Such cooperation shall include, but shall not be limited to, furnishing the Indemnifying Party with any books, records and other information reasonably requested by the Indemnifying Party and in the Indemnified Party’s possession or control. Such cooperation of the Indemnified Party shall be at the cost of the Indemnifying Party. After the Indemnifying Party has notified the Indemnified Party of its intention to undertake to defend or settle any such asserted liability, and for so long as the Indemnifying Party diligently

pursues such defense, the Indemnifying Party shall not be liable for any additional legal expenses incurred by the Indemnified Party in connection with any defense or settlement of such asserted liability; *provided, however*, that the Indemnified Party shall be entitled (i) at its expense, to participate in the defense of such asserted liability and the negotiations of the settlement thereof and (ii) if (A) the Indemnifying Party has, within 10 Business Days of when the Indemnified Party provides written notice of a Third-Party Claim, failed (1) to assume the defense or employ counsel reasonably acceptable to the Indemnified Party or (2) to notify the Indemnified Party of such assumption or (B) if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and counsel to the Indemnified Party shall have concluded that there may be reasonable defenses available to the Indemnified Party that are different from or in addition to those available to the Indemnifying Party or if the interests of the Indemnified Party reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnified Party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the Indemnifying Party as incurred. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not settle any indemnified claim without the consent of the Indemnified Party, unless the settlement thereof imposes no liability or obligation on, and includes a complete release from liability of, and does not include any admission of wrongdoing or malfeasance by, the Indemnified Party.

Section 6.04 Tax Matters. All indemnification payments under this Article VI shall be adjustments to the Base Purchase Price plus, if the Option is exercised, the Option Purchase Price, except as otherwise required by applicable Law.

ARTICLE VII. MISCELLANEOUS

Section 7.01 Expenses. All costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with the Transaction Documents and the transactions contemplated thereby shall be paid by the party incurring such costs and expenses, except that, if the Purchaser incurs customary out-of-pocket expenses paid to third-parties in connection with the transactions contemplated by this Agreement in excess \$200,000 (such excess amount, the "Excess Expenses"), the Parties shall negotiate in good faith on an equitable allocation of the Excess Expenses between the Parties.

Section 7.02 Interpretation. Article, Section, Schedule and Exhibit references in this Agreement are references to the corresponding Article, Section, Schedule or Exhibit to this Agreement, unless otherwise specified. All Exhibits and Schedules to this Agreement are hereby incorporated and made a part hereof as if set forth in full herein and are an integral part of this Agreement. All references to instruments, documents, Contracts and agreements are references to such instruments, documents, Contracts and agreements as the same may be amended, supplemented and otherwise modified from time to time, unless otherwise specified. The word "including" shall mean "including but not limited to" and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it. Whenever the Partnership has an obligation under the Transaction Documents, the expense of complying with that obligation shall be an expense of the Partnership unless otherwise specified. Any reference in this Agreement to "\$" shall mean U.S. dollars. Whenever any determination,

consent or approval is to be made or given by a Party, such action shall be in such Party's sole discretion, unless otherwise specified in this Agreement. If any provision in the Transaction Documents is held to be illegal, invalid, not binding or unenforceable, (a) such provision shall be fully severable and the Transaction Documents shall be construed and enforced as if such illegal, invalid, not binding or unenforceable provision had never comprised a part of the Transaction Documents, and the remaining provisions shall remain in full force and effect, and (b) the Parties shall negotiate in good faith to modify the Transaction Documents so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to the Transaction Documents, the date that is the reference date in calculating such period shall be excluded. If the last day of such period is not a Business Day, the period in question shall end on the next succeeding Business Day. Any words imparting the singular number only shall include the plural and vice versa. The words such as "herein," "hereinafter," "hereof" and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The provision of a Table of Contents, the division of this Agreement into Articles, Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement.

Section 7.03 Survival of Provisions. The representations and warranties in Section 3.01, Section 3.02, Section 3.03, Section 3.08, Section 3.10, Section 3.12, Section 4.01, Section 4.02, Section 4.04, Section 4.05(a) and Section 4.05(b) shall survive the execution and delivery of this Agreement indefinitely, and the other representations and warranties set forth herein shall survive for a period of twelve (12) months following each Closing Date, regardless of any investigation made by or on behalf of the Partnership or the Purchaser. The covenants made in this Agreement or any other Transaction Document shall survive each Closing and remain operative and in full force and effect in accordance with their respective terms until fully performed. Regardless of any purported general termination of this Agreement, the provisions of Article VI and all indemnification rights and obligations of the Partnership and the Purchaser thereunder, and this Article VII shall remain operative and in full force and effect as between the Partnership and the Purchaser, unless the Partnership and the Purchaser execute a writing that expressly (with specific references to the applicable Section or subsection of this Agreement) terminates such rights and obligations as between the Partnership and the Purchaser.

Section 7.04 No Waiver: Modifications in Writing.

(a) Delay. No failure or delay on the part of any party in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies provided for herein are cumulative and are not exclusive of any remedies that may be available to a party at law or in equity or otherwise.

(b) Specific Waiver. Except as otherwise provided herein, no amendment, waiver, consent, modification or termination of any provision of any Transaction Document (except in the case of the Partnership Agreement for amendments adopted under Article XIII thereof) shall be effective unless signed by each of the parties thereto affected by such amendment, waiver, consent,

modification or termination. Any amendment, supplement or modification of or to any provision of any Transaction Document, any waiver of any provision of any Transaction Document and any consent to any departure by the Partnership from the terms of any provision of any Transaction Document shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement, no notice to or demand on the Partnership in any case shall entitle the Partnership to any other or further notice or demand in similar or other circumstances. Any investigation by or on behalf of any party shall not be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein.

Section 7.05 Binding Effect. This Agreement shall be binding upon the Partnership, the Purchaser and their respective successors and permitted assigns. Except as expressly provided in this Agreement, this Agreement shall not be construed so as to confer any right or benefit upon any Person other than the parties to this Agreement and their respective successors and permitted assigns.

Section 7.06 Communications. All notices and demands provided for hereunder shall be in writing and shall be given by registered or certified mail, return receipt requested, facsimile, electronic mail, air courier guaranteeing overnight delivery or personal delivery to the notice address for each Party indicated on their respective signature page to this Agreement or to another address as the Partnership or the Purchaser designate in writing from time to time, upon providing such additional address to the Partnership or the Purchaser, as applicable. All notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; upon actual receipt if sent by certified or registered mail, return receipt requested, or regular mail, if mailed; upon actual receipt of the facsimile, if sent via facsimile; when sent, if sent by electronic mail prior to 5:00 P.M. Tulsa, Oklahoma time on a Business Day, or on the next succeeding Business Day, if not; and upon actual receipt when delivered to an air courier guaranteeing overnight delivery.

Section 7.07 Removal of Legend. In connection with a sale of Purchased Units, PIK Units or Conversion Units by the Purchaser in reliance on Rule 144 promulgated under the Securities Act, the Purchaser shall deliver to the Partnership a representation letter providing to the Partnership any information the Partnership deems necessary to determine that the sale of such Purchased Units, PIK Units or Conversion Units is made in compliance with Rule 144 promulgated under the Securities Act and a certification as to the length of time such units have been held. Upon receipt of such representation letter, the Partnership shall promptly direct its transfer agent to remove the notation of a restrictive legend in the Purchaser's book-entry account maintained by the Partnership's transfer agent, including the legend referred to in Section 4.05, and the Partnership shall bear all costs associated with the removal of such legend in the Partnership's books. The Partnership shall cooperate with the Purchaser to effect the removal of the legend referred to in Section 4.05 at any time such legend is no longer appropriate.

Section 7.08 Entire Agreement. This Agreement, the other Transaction Documents, and the other agreements and documents referred to herein are intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the Parties in respect of the subject matter contained herein and therein. There are no restrictions, promises, warranties or undertakings, other than those set forth

or referred to in this Agreement or the other Transaction Documents with respect to the rights granted by the Partnership or any of its Affiliates or the Purchaser or any of its Affiliates. This Agreement, the other Transaction Documents and the other agreements and documents referred to herein or therein supersede all prior agreements and understandings among the parties with respect to such subject matter.

Section 7.09 Governing Law. This Agreement, and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), will be construed in accordance with and governed by the Laws of the State of Delaware without regard to principles of conflicts of laws.

Section 7.10 Waiver of Jury Trial. (a) Subject to the terms and conditions hereof, each Revolving Facility Lender severally agrees to make revolving credit loans under the Revolving Facility (the “Revolving Facility Loans”) to any Borrower in an amount requested by the Borrowers’ Agent on behalf of such Borrower from time to time during the Revolving Facility Commitment Period in an aggregate principal amount at any one time outstanding which, when added to such Revolving Facility Lender’s then-outstanding Extensions of Credit, does not exceed such Lender’s Revolving Facility Commitment at such time; provided that after giving effect to any Revolving Facility Loan requested by

the Borrowers' Agent on behalf of any Borrower, each of the conditions set forth in Section 6.2 shall be satisfied or waived. During the Revolving Facility Commitment Period, each Borrower may borrow, prepay the Revolving Facility Loans in whole or in part, and reborrow Revolving Facility Loans, all in accordance with the terms and conditions hereof.

(b) Revolving Facility Loans may be denominated only in United States Dollars and may from time to time be (i) Eurodollar Loans, (ii) Base Rate Loans or (iii) a combination thereof, in each case, as the Borrowers' Agent shall notify the Administrative Agent in accordance with Sections 2.4 and 4.3. No Revolving Facility Loan shall be made as a Eurodollar Loan after the day that is one (1) month prior to the Revolving Facility Commitment Termination Date.

2.2 Swing Line Loans. (a) Subject to the terms and conditions hereof, the Swing Line Lender shall make a portion of the credit under the Revolving Facility Commitments available to the Borrowers by making swing line loans (individually, a "Swing Line Loan" and, collectively, the "Swing Line Loans") to any Borrower in an amount requested by the Borrowers' Agent on behalf of such Borrower from time to time during the Revolving Facility Commitment Period in an aggregate principal amount for all Borrowers at any one time outstanding not to exceed the Swing Line Loan Sub-Limit then in effect; provided that (i) the aggregate principal amount of Swing Line Loans outstanding at any time (including any such new Swing Line Loans), when aggregated with the Swing Line Lender's Revolving Facility Commitment Percentage of the Total Revolving Facility Extensions of Credit, may exceed such Swing Line Lender's Revolving Facility Commitment then in effect and (ii) neither the Borrowers' Agent nor any Borrower shall request, and the Swing Line Lender shall not make, any Swing Line Loan if, after giving effect to the making of such Swing Line Loan, the aggregate amount of the Available Revolving Facility Commitments would be less than zero; provided further that after giving effect to any Swing Line Loan requested by the Borrowers' Agent, each of the conditions set forth in Section 6.2 shall be satisfied or waived. During the Revolving Facility Commitment Period, each Borrower may use that portion of the Revolving Facility that is subject to the Swing Line Loan Sub-Limit by borrowing, repaying and reborrowing such portion, all in accordance with the terms and conditions hereof.

(b) Swing Line Loans shall be Base Rate Loans.

2.3 [Reserved].

2.4 Procedure for Borrowing Loans. (a) Each Borrower may request a Loan at any time and from time to time during the Revolving Facility Commitment Period on any Business Day; provided that the Borrowers' Agent shall give the Administrative Agent, irrevocable notice (which notice must be received by the Administrative Agent, (x) prior to 12:30 p.m. (New York City time), (A) three (3) Business Days prior to the requested Borrowing Date, if all or any part of the requested Loan is to be initially a Eurodollar Loan, or (B) one Business Day prior to the requested Borrowing Date, otherwise, and (y) in the case of a Swing Line Loan, prior to 12:00 pm (noon) (New York City time) on the requested Borrowing Date, in each case, in the form attached hereto as Annex I-A (the "Borrowing Notice"), specifying:

(i) whether the borrowing is to be Revolving Facility Loan or a Swing Line Loan;

(ii) the amount to be borrowed;

(iii) the requested Borrowing Date;

(iv) in the case of a Revolving Facility Loan, whether the borrowing is to be a Base Rate Loan, a Eurodollar Loan or a combination thereof; and

(v) in the case of a Revolving Facility Loan, if the borrowing is to be entirely or partly of Eurodollar Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Periods therefor;

(b) Each borrowing of Revolving Facility Loans and Swing Line Loans shall be in an amount equal to (x) in the case of Base Rate Loans, \$500,000 or a whole multiple of \$100,000 in excess thereof (or, if the then aggregate Available Revolving Facility Commitments applicable to such Loans of all Lenders of such Loans are less than \$500,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$1,000,000 or a whole multiple of \$100,000 in excess thereof.

(c) Upon receipt of any notice from the Borrowers' Agent pursuant to Section 2.4(a) with respect to a requested borrowing of Revolving Facility Loans, the Administrative Agent shall promptly notify each Revolving Facility Lender thereof. Subject to the satisfaction or waiver of the conditions contained in Section 6.2, each Revolving Facility Lender shall make the amount of its Revolving Facility Commitment Percentage of each such borrowing of Revolving Facility Loans, available to the Administrative Agent for the account of the applicable Borrower at the Administrative Agent's office specified in Section 11.2 prior to 2:30 p.m. (New York City time) on the Borrowing Date requested by the Borrowers' Agent in funds immediately available to the Administrative Agent. Each Loan so requested will then promptly, and not later than 3:30 p.m. (New York City time), be made available on the Borrowing Date to the relevant Borrower by the Administrative Agent by wire transfer to the account of the relevant Borrower set forth on Schedule 2.2(A) or to such other account as may be specified by the Borrowers' Agent in like funds as received by the Administrative Agent.

(d) Upon receipt of any notice from the Borrowers' Agent pursuant to Section 2.4(a) with respect to a requested borrowing of a Swing Line Loan, the Swing Line Lender will make the amount of the requested Swing Line Loan available to the applicable Borrower within three (3) hours of receipt of the Borrowing Notice therefor on the Borrowing Date by wire transfer to the account of the relevant Borrower set forth on Schedule 2.2(A) or such other account as may be specified by the Borrowers' Agent.

2.5 Refunding of Swing Line Loans. (a) Each Borrower unconditionally promises to pay each Swing Line Loan on or before 1:00 p.m. (New York City time) on the tenth (10th) day following the making of such Swing Line Loan, including by arranging to refinance such Swing Line Loan with a Revolving Facility Loan in accordance with procedures specified herein; provided that if such tenth day is not a Business Day, payment shall be due on the next succeeding Business Day (such date the "Swing Line Loan Expiration Date"). If the Administrative Agent shall not have received full repayment in cash of any Swing Line Loan on or before 1:00 p.m. (New York City time) on the Swing Line Loan Expiration Date, the Swing Line Lender may, not later than 3:00 p.m. (New York City time), on such day, request on behalf of such Borrower (and each Borrower hereby irrevocably authorize the Swing Line Lender to act on its behalf solely in this regard), that each Revolving Facility Lender, including the Swing Line Lender, make a Revolving Facility Loan (which initially shall be a Base Rate Loan) in an amount equal to such Revolving Facility Lender's Revolving Facility Commitment Percentage of the outstanding amount of such Swing Line Loan (a "Refunded Swing Line Loan"). In accordance with Section 2.4(c), unless any of the conditions contained in Section 6.2 shall not have been satisfied or waived (in which event the procedures of clause (b) of this Section 2.5 shall apply), each Revolving Facility Lender shall make the proceeds of its Revolving Facility Loan available to the Swing Line Lender for the account of the Swing Line Lender at the Swing Line Lender's Applicable Lending Office for Base Rate Loans prior to 11:00 a.m. (New York City time) in funds immediately available on the Business Day next succeeding the date such request is made. The proceeds of such Revolving Facility Loans shall be immediately applied to repay the Refunded Swing Line Loans.

(b) If for any reason any Swing Line Loan cannot be refinanced by a Revolving Facility Loan in accordance with paragraph (a) of this Section 2.5, the Swing Line Lender irrevocably agrees to grant to each Revolving Facility Lender, and, to induce the Swing Line Lender to make Swing Line Loans hereunder, each Revolving Facility Lender irrevocably agrees to accept and purchase from the Swing Line Lender, on the terms and conditions hereinafter stated, for such Revolving Facility Lender's own account and risk on the date such Revolving Facility Loan was to have been made, an undivided participation interest in the then-outstanding Swing Line Loans in an amount equal to its Revolving Facility Commitment Percentage of such Swing Line Loans that were to have been repaid with such Revolving Facility Loans (the "Swing Line Participation Amount"). Each Revolving Facility Lender shall pay to the Administrative Agent for the account of the Swing Line Lender in immediately available funds such Revolving Facility Lender's Swing Line Participation Amount, and upon receipt thereof, the Administrative Agent shall promptly distribute such funds to the Swing Line Lender in like funds received.

(c) If any Revolving Facility Lender failed to timely pay to the Administrative Agent all or a portion of its Swing Line Participation Amount required to be paid pursuant to Section 2.5(b), such overdue amounts shall bear interest payable by such Revolving Facility Lender at the rate per annum applicable to Base Rate Loans hereunder until such overdue amounts are paid in full.

(d) Each Revolving Facility Lender's obligation to make Revolving Facility Loans referred to in Section 2.5(a) and to purchase participation interests pursuant to Section 2.5(b) shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right which such Revolving Facility Lender may have against the Swing Line Lender, any Borrower, or any other Person for any reason whatsoever, (ii) the occurrence or continuance of an Event of Default, (iii) any failure to satisfy any condition precedent to the applicable extension of credit set forth in Section 6, (iv) any adverse change in the condition (financial or otherwise) of any Loan Party, (v) any breach of this Agreement or any Loan Document by any Loan Party or any other Lender or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(e) Whenever, at any time after the Swing Line Lender has received from any Revolving Facility Lender its Swing Line Participation Amount, the Swing Line Lender receives any payment on account thereof (whether directly from a Borrower, the Borrowers' Agent or otherwise, including proceeds of collateral applied thereto by the Swing Line Lender) or any payment of interest on account thereof, the Swing Line Lender shall distribute to such Revolving Facility Lender its Revolving Facility Commitment Percentage of such payments and promptly notify the Administrative Agent in writing thereof; provided, however, that in the event that any such payment received by the Swing Line Lender shall be required to be returned by the Swing Line Lender, such Revolving Facility Lender shall return to the Swing Line Lender the portion thereof previously distributed by the Swing Line Lender to it in like funds received and promptly notify the Administrative Agent in writing thereof. The Administrative Agent may conclusively rely on such written notices as evidence of such distribution to the extent that such distributions were not made through the Administrative Agent.

2.6 Commitment Fees. Subject to Section 4.18(b)(i), the Borrowers agree to pay to the Administrative Agent for the account of each Revolving Facility Lender under the Revolving Facility a commitment fee for the period from and including the first day of the Revolving Facility Commitment Period to but not including the applicable Revolving Facility Commitment Termination Date, computed at the Applicable Commitment Fee Rate on the average daily amount of the Available Revolving Facility Commitment of such Revolving Facility Lender during the period for which payment is made, payable quarterly in arrears on the fifteenth (15th) day after the last Business Day of each March, June, September and December (or, if such day is not on a Business Day, the next succeeding Business Day) and on the applicable Revolving Facility Commitment Termination Date or such earlier date as the Total Revolving Facility Commitments shall terminate as provided herein, commencing on the first of such date to occur after the date hereof.

SECTION 3. LETTERS OF CREDIT

3.1 Letters of Credit. Subject to the terms and conditions hereof, each Issuing Lender severally agrees to issue letters of credit ("Letters of Credit") for the account of any Borrower for use by any Borrower or any other Loan Party from time to time during the Revolving Facility Commitment Period; provided that after giving effect to any Letter of Credit requested by the Borrowers' Agent on behalf of a Borrower:

- (i) each of the conditions set forth in Section 6.2 shall be satisfied or waived; and
- (ii) Section 3.3 shall not be contravened by any Loan Party at any time.

3.2 Procedure for the Issuance and Amendments of Letters of Credit.

(a) Procedure for the Issuance of Letters of Credit. The Borrowers' Agent may from time to time request the issuance of a Letter of Credit from an Issuing Lender by delivering to the Issuing Lender of such Letter of Credit and the Administrative Agent a Letter of Credit Request, and such other certificates, documents and other papers and information as such Issuing Lender may reasonably request (consistent with requests made by such Issuing Lender from other similarly situated account parties). Such Letter of Credit Request shall specify:

- (i) the maximum amount of such Letter of Credit and the account party therefor;
- (ii) whether such Letter of Credit is a Performance Letter of Credit or a Trade Letter of Credit;
- (iii) the requested date on which such Letter of Credit is to be issued;
- (iv) the purpose and nature of the proposed Letter of Credit;
- (v) the name and address of the beneficiary of such Letter of Credit;

- (viii) the delivery instructions for such Letter of Credit, and
- (ix) the applicable Borrower on whose behalf such requested Letter of Credit is to be issued.

Notwithstanding anything herein to the contrary, no Issuing Lender shall be obligated to issue any Letter of Credit if, after giving effect to the issuance of such Letter of Credit, the aggregate outstanding L/C Obligations attributed to Letters of Credit issued by such Issuing Lender exceeds such Issuing Lender's Issuance Cap.

If requested by the Issuing Lender, the Borrowers' Agent also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. To the extent that any material provision of any such application is inconsistent with the provisions of this Section 3 or adds events of default, grants of security, or remedies not already contained in the Loan Documents, the provisions of this Section 3 and this Agreement shall apply and such provision shall not be given effect.

(b) Procedure for Amendments of Letters of Credit. The Borrowers' Agent may from time to time request an amendment (including any extension) to any outstanding Letter of Credit by delivering to the Issuing Lender of such Letter of Credit and the Administrative Agent a Letter of Credit Request which shall specify:

- (i) the Letter of Credit to be amended;
- (ii) the requested date of the proposed amendment;
- (iii) the nature of the proposed amendment; and
- (iv) the delivery instructions for such amendment.

Notwithstanding anything herein to the contrary, no Issuing Lender shall be obligated to extend any Letter of Credit if, after giving effect to the extension of such Letter of Credit, the aggregate outstanding L/C Obligations attributed to Letters of Credit issued by such Issuing Lender exceeds such Issuing Lender's Issuance Cap.

(c) Timing of Letter of Credit Requests. A Letter of Credit Request must be received by the applicable Issuing Lender and the Administrative Agent by no later than 12:00 p.m. (New York City time), on the Business Day before the date such Letter of Credit is to be issued or amended, or such other time as previously agreed between the Issuing Lender thereof and the Borrowers' Agent. Upon the issuance of any Letter of Credit or any amendment to an outstanding Letter of Credit, the Administrative Agent and the Revolving Facility Lenders shall be entitled to assume that the Letter of Credit Request and certificates, documents and other papers and information reasonably requested by the Issuing Lender in connection therewith were completed and delivered to the satisfaction of such Issuing Lender.

(d) Validation Procedure. Upon receipt of a Letter of Credit Request by an Issuing Lender, such Issuing Lender will confirm with the Administrative Agent (in writing) that the Administrative Agent has received a copy of such Letter of Credit Request and, if not, such Issuing Lender will provide the Administrative Agent, with a copy thereof. Upon receipt by such Issuing Lender of confirmation from the Administrative Agent that the requested Letter of Credit or amendment is permitted in accordance with the terms of this Section 3.2, such Issuing Lender shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower or enter into the applicable amendment, as the case may be, in each case in accordance with such Issuing Lender's usual and customary business practices.

3.3 General Terms of Letters of Credit. (a) Each Letter of Credit is to be denominated only in United States Dollars.

(b) Each Letter of Credit shall, subject to Section 3.3(d), expire no later than one year after the date of issuance (or extension); provided that (i) at any time, the aggregate face of amount of all Letters of Credit issued with an expiration date after the Revolving Facility Commitment Termination Date shall not exceed the Letter of Credit Sub-Limit; (ii) all Letters of Credit with an

expiration date after the Revolving Facility Commitment Termination Date shall be returned and cancelled (with the beneficiary's consent) or Cash Collateralized at least fifteen (15) Business Days prior to the Revolving Facility Commitment Termination Date applicable thereto and (iii) no such Letter of Credit may be issued with an expiration date after the date that is nine months after the Revolving Facility Commitment Termination Date.

(c) Upon request by the Borrowers' Agent in the applicable Letter of Credit Request, the relevant Issuing Lender may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"). Unless otherwise agreed upon by the applicable Issuing Lender at its sole discretion, the Borrowers' Agent shall make a specific request to such Issuing Lender for any renewal of an Auto-Renewal Letter of Credit, such prior notice to be delivered to the applicable Issuing Lender and the Administrative Agent no later than thirty (30) days prior to the expiration or termination date of such Auto-Renewal Letter of Credit (the date of the delivery of such notice, the "Renewal Notice Date"); provided that unless otherwise agreed upon by the applicable Issuing Lender at its sole discretion, the Borrowers' Agent shall provide to the applicable Issuing Lender and the Administrative Agent written notice of its intent to not renew such an Auto-Renewal Letter of Credit no later than thirty (30) days prior to the expiration or termination date of such Auto-Renewal Letter of Credit (the date of the delivery of such notice, the "Non-Renewal Notice Date"). Once an Auto-Renewal Letter of Credit has been issued (or is permitted to be outstanding hereunder in the case of an outstanding Letter of Credit that is an Auto-Renewal Letter of Credit), the Lenders shall be deemed to have authorized (but the Lenders may not require) such Issuing Lender to permit the renewal of such Letter of Credit at any time to a date not later than nine (9) months after the Revolving Facility Commitment Termination Date; provided, however, that no Issuing Lender shall permit any renewal of an Auto-Renewal Letter of Credit if (A) such Issuing Lender has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 3.3 or 6.2 or otherwise), (B) after giving effect to any such renewal, the earlier of the (x) expiration date of such Auto-Renewal Letter of Credit and (y) the next occurring Non-Renewal Notice Date of such Auto-Renewal Letter of Credit would occur after the Revolving Facility Commitment Termination Date, or (C) it has received notice in writing on or before the date that is two (2) Business Days before the Renewal Notice Date from the Administrative Agent, any Lender or the Borrowers' Agent that one or more of the applicable conditions specified in Section 3.3 or 6.2 is not then satisfied. Notwithstanding anything to the contrary contained herein, no Issuing Lender shall have any obligation to permit the renewal of any Auto-Renewal Letter of Credit at any time if any of the applicable conditions specified in Section 6.2 is not then satisfied.

(d) If any Issuing Lender shall issue, extend or amend any Letter of Credit without obtaining prior confirmation of the Administrative Agent (as provided in Section 3.3(d)), or if any Issuing Lender shall permit the extension or renewal of an Auto-Renewal Letter of Credit without giving timely prior notice to the Administrative Agent, or when such extension or renewal is not permitted hereunder (as provided in sub-section (c) above), such Letter of Credit (A) shall for all purposes be deemed to have been issued by such Issuing Lender solely for its own account and risk and (B) shall not be considered a Letter of Credit outstanding under this Agreement, and no Lender shall be deemed to have any participation therein, effective as of the date of such issuance, amendment, extension or renewal, as the case may be, unless the Required Lenders expressly consent thereto; provided, however, that to be considered a Letter of Credit outstanding under this Agreement, the consent of all Lenders shall be required to the extent that any such issuance, amendment, extension or renewal is not then permitted hereunder by reason of the provisions of this Section 3.3.

(e) Notwithstanding anything herein to the contrary, an Issuing Lender is under no obligation to issue or provide any Letter of Credit (including any renewal of an Auto-Renewal Letter of Credit) or renew, extend or amend any Letter of Credit unless consented to by such Issuing Lender and the Collateral Agent, if:

(i) Any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Lender from issuing, renewing, extending or amending such Letter of Credit, or any Requirement of Law applicable to such Issuing Lender or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance, renewal, extension or amending of a Letter of Credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (in the case of an amendment of a Letter of Credit, for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Restatement Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Restatement Date and which such Issuing Lender in good faith deems material to it; or

(ii) such Letter of Credit or the requested amendment is not in form and substance reasonably acceptable to such Issuing Lender thereof or the issuance of such Letter of Credit shall violate any applicable policies of such Issuing Lender.

(f) Within one (1) Business Day after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Issuing Lender thereof will also deliver to the Borrowers' Agent and the Administrative Agent, a true and complete copy of such Letter of Credit or amendment.

(g) Each Letter of Credit shall be subject to the International Standby Practices ("ISP98") International Chamber of Commerce Publication No. 590 or Uniform Customs and Practice for Documentary Credits No. 600 ("UCP 600"), as applicable, and to the extent not inconsistent with ISP 98 or UCP 600, the Laws of the State of New York.

3.4 Fees, Commissions and Other Charges.

(a) Letter of Credit Fee. The Borrowers shall pay to the Administrative Agent, for the account of the relevant Issuing Lender and the L/C Participants a letter of credit commission, with respect to each outstanding Letter of Credit, in an amount equal to the Applicable L/C Fee Rate times the average daily maximum amount of such Letter of Credit; provided that such letter of credit commission shall not be in an amount less than \$1,500 for the period during which such Letter of Credit is outstanding, and, in each case, such commission shall be payable to the L/C Participants and the Issuing Lender of such Letter of Credit to be shared ratably among them in accordance with the average daily amount of their respective Revolving Facility Commitment Percentages. Such commission shall be payable quarterly in arrears on each L/C Fee Payment Date.

(b) Fronting Fee. In addition to the fees and commissions in Sections 3.4(a) and (c), the Borrowers shall pay each relevant Issuing Lender an amount equal to 0.20% per annum times the face amount of each Letter of Credit issued by such Issuing Lender. Such fee shall be nonrefundable and shall be payable quarterly in arrears on each L/C Fee Payment Date.

(c) Other Charges. In addition to the foregoing fees and commissions, the Borrowers shall pay or reimburse each Issuing Lender of any Letter of Credit for such normal and customary costs, expenses and fees as are incurred or charged by such Issuing Lender in issuing, effecting payment under, amending, processing, negotiating or otherwise administering any Letter of Credit. The applicable Borrower shall pay each relevant Issuing Lender of any Letter of Credit (i) a fee of no less than \$1,500 for any issuance of a Letter of Credit by such Issuing Lender and (ii) a fee of \$500 for any amendment of a Letter of Credit issued by such Issuing Lender (which fees shall be in addition to any fee payable under the preceding sentence for such issuance or amendment).

(d) Distribution of Fees. The Administrative Agent shall, within two (2) Business Days following its receipt thereof, distribute to the relevant Issuing Lenders and the L/C Participants all fees and commissions received by the Administrative Agent for their respective accounts pursuant to this Section 3.4.

3.5 L/C Participations. (a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lenders to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each such Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk, an undivided interest in such Issuing Lender's obligations and rights under each Letter of Credit issued or provided by such Issuing Lender hereunder and the amounts paid by such Issuing Lender thereunder equal to such L/C Participant's Revolving Facility Commitment Percentage.

(b) Each L/C Participant's obligation to accept and purchase for such L/C Participant's own account and risk, an undivided participation interest in an Issuing Lender's obligations and rights under each Letter of Credit issued or provided by such Issuing Lender hereunder and the amounts paid by such Issuing Lender thereunder equal to such L/C Participant's Revolving Facility Commitment Percentage thereof shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right which such L/C Participant may have against any Issuing Lender, any Borrower, or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default, (iii) any adverse change in the condition (financial or otherwise) of any Loan Party, (iv) any breach of this Agreement or any other Loan Document by any Loan Party or any other Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(c) The obligations of the L/C Participants to purchase participations in the obligations of the Issuing Lenders under outstanding Letters of Credit pursuant to Section 3.5 shall survive the Revolving Facility Commitment Termination Date with respect to Letters of Credit which have been Cash Collateralized pursuant to Section 3.3(b) until the earliest of (i) the expiration date for such Letters of Credit and all drawings thereunder having been repaid in full, (ii) the date the entire amount available under such Letters of Credit are drawn and such drawings are repaid and no further drawings are permitted under such Letters of Credit, and (iii) the date that is nine (9) months after the Revolving Facility Commitment Termination Date applicable to such Letters of Credit; provided that notwithstanding any other provision of this Section 3.5(c), with respect to any Letter of Credit having an expiration date following the Revolving Facility Commitment Termination Date applicable thereto (such a Letter of Credit, a "Post-Termination LOC"), in no event shall the obligations of the L/C Participants to purchase participations in the obligations of an Issuing Lender under a Post-Termination LOC pursuant to Section 3.5(a) expire or terminate prior to the Business Day following the expiration, cancellation or termination of the last remaining outstanding Post-Termination LOC and the payment in full of all drawings, if any, thereunder.

(d) If for any reason any Unreimbursed Amount cannot be refinanced by an L/C Reimbursement Loan in accordance with Section 3.6(c), each L/C Participant shall, on or before the deadline for such Revolving Facility Loan to have been made, pay to the Administrative Agent for the account of the applicable Issuing Lender in immediately available funds such L/C Participant's Revolving Facility Commitment Percentage of such Unreimbursed Amount, and upon receipt thereof, the Administrative Agent shall promptly distribute such funds to the applicable Issuing Lender in like funds received.

(e) If any L/C Participant fails to timely pay to the Administrative Agent all or a portion of its Revolving Facility Commitment Percentage of any Unreimbursed Amount required to be paid pursuant to Section 3.5(d), such overdue amounts shall bear interest payable by such L/C Participant at the rate per annum applicable to Base Rate Loans hereunder until such overdue amounts are paid in full.

(f) Whenever, at any time after any Issuing Lender has received from any L/C Participant its Revolving Facility Commitment Percentage of any Unreimbursed Amount, such Issuing Lender receives any payment on account thereof (whether directly from a Borrower or otherwise, including proceeds of collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, such Issuing Lender shall distribute to such L/C Participant its Revolving Facility Commitment Percentage of such payments and promptly notify the Administrative Agent in writing thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it in like funds received and promptly notify the Administrative Agent in writing thereof. The Administrative Agent may conclusively rely on such written notices as evidence of such distribution to the extent that such distributions were not made through the Administrative Agent.

3.6 Reimbursement Obligations of the Borrowers. (a) Upon receipt by the relevant Issuing Lender from the beneficiary of any Letter of Credit of any notice of a drawing or demand for payment under such Letter of Credit, such Issuing Lender shall promptly notify the Borrowers' Agent and the Administrative Agent thereof. If the Borrowers' Agent receives notice (confirmed by telephone) from such Issuing Lender of a drawing or demand for payment under a Letter of Credit prior to 1:00 p.m. (New York City time), on any Business Day, the Borrowers shall reimburse such Issuing Lender on such Business Day for the Unreimbursed Amount of such Letter of Credit. If the Borrowers' Agent receives notice (confirmed by telephone) from such Issuing Lender of a drawing or demand for payment under a Letter of Credit at or after 1:00 p.m. (New York City time), on any Business Day, the Borrowers shall so reimburse such Issuing Lender on the Business Day immediately following the Business Day upon which such notice was received by the Borrowers' Agent. Such reimbursement shall be made directly to such Issuing Lender in an amount in United States Dollars equal to (i) the amount so paid and (ii) any Non-Excluded Taxes and any reasonable fees, charges or other costs or expenses incurred by such Issuing Lender at its Applicable Lending Office in immediately available funds (such amount that has not been reimbursed by the Borrowers being, the "Unreimbursed Amount").

(b) If the Borrowers fail to fully reimburse any Issuing Lender pursuant to Section 3.6(a) at the time and on the due date specified in such Section (the "Reimbursement Date"), such Issuing Lender shall so notify the Administrative Agent (with a copy to the Borrowers' Agent), which notice shall be provided on a Business Day, and specify in such notice the amount of the Unreimbursed Amount. On the next Business Day following receipt of such notice from such Issuing Lender, the Administrative Agent shall notify each L/C Participant of the Reimbursement Date, the Unreimbursed Amount, and the amount of such L/C Participant's Revolving Facility Commitment Percentage thereof.

(c) If there shall be any Unreimbursed Amounts owing to any Issuing Lender on or after such Unreimbursed Amounts were due pursuant to Section 3.6(a), the relevant Issuing Lender may request on behalf of the Borrowers (which hereby irrevocably authorize such Issuing Lender to act on their behalf solely in this regard), that each Revolving Facility Lender make a Revolving Facility Loan (which initially shall be a Base Rate Loan) in an amount equal to such Revolving Facility Lender's

Revolving Facility Commitment Percentage of the outstanding amount of such Unreimbursed Amount (an "L/C Reimbursement Loan"). In accordance with Section 2.4(c), unless any of the conditions contained in Section 6.2 shall not have been satisfied or waived (in which event the procedures set forth in Section 3.5 shall apply), each Revolving Facility Lender shall make the proceeds of its Revolving Facility Loan available to the Administrative Agent prior to 11:00 a.m. (New York City time) in funds immediately available on the second Business Day following the date such request is made. The proceeds of such Revolving Facility Loans shall be immediately applied to repay the applicable Issuing Lender.

(d) With respect to Unreimbursed Amounts that are not paid on the date due, interest shall be payable on any and all Unreimbursed Amounts from the date such amounts become payable (whether at stated maturity, by acceleration, demand or otherwise) until payment in full (either in cash or upon the making of a Revolving Facility Loan) at the applicable rate which would be payable on any outstanding Revolving Facility Loans which were then overdue pursuant to Section 4.2(c).

3.7 Obligations Absolute. The Borrowers' obligations under this Section 3 shall be absolute, irrevocable and unconditional and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Lender under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Lenders, nor any of their Related Persons, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Lender; provided that the foregoing shall not be construed to excuse the applicable Issuing Lender from liability to the Borrowers to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by the Borrowers that are caused by the applicable Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the applicable Issuing Lender (as finally determined by a court of competent jurisdiction), the Issuing Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

3.8 Role of the Issuing Lenders. (a) The responsibility of any Issuing Lender to any Borrower in connection with any draft presented for payment under any Letter of Credit issued on behalf of such Borrower shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered by or on behalf of the beneficiary under such Letter of Credit in connection with such presentment are in conformity with

such Letter of Credit. In addition, each Lender and each Borrower agree that, in paying any drawing or demand for payment under any Letter of Credit, the Issuing Lender of such Letter of Credit shall not have any responsibility to inquire as to the validity or accuracy of any document presented in connection with such drawing or demand for payment or the authority of the Person executing or delivering the same.

(b) No Agent-Related Person nor any of the respective correspondents, participants or assignees of any Issuing Lender shall be liable to any Lender for: (i) any action taken or omitted in connection herewith in respect of any Letter of Credit at the request or with the approval or deemed approved of the Required Lenders; (ii) any action taken or omitted in respect of any Letter of Credit in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any Letter of Credit or any document delivered in connection with the issuance or payment of such Letter of Credit.

(c) Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower from pursuing such rights and remedies as it may have against such beneficiary or transferee. No Agent-Related Person, nor any of the respective correspondents, participants or assignees of the Issuing Lenders shall be liable or responsible for any of the matters described in Section 3.7; provided, however, that anything in such Section or elsewhere herein to the contrary notwithstanding, a Borrower may have a claim against any Issuing Lender and such Issuing Lender may be liable to a Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower which such Borrower proved were caused by such Issuing Lender's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of documents strictly complying with the terms and conditions of such Letter of Credit. In furtherance and not in limitation of the foregoing: (i) any Issuing Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary; and (ii) no Issuing Lender shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

3.9 Letter of Credit Request. To the extent that any material provision of any Letter of Credit Request related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

3.10 Existing Letters of Credit. On the Restatement Effective Date, without further action by any party hereto, subject to the terms of this Section 3.10, (a) each Existing Letter of Credit shall become a Letter of Credit hereunder and subject to the terms hereof and (b) each Issuing Lender that has issued an Existing Letter of Credit shall be deemed to have granted each L/C Participant, and each L/C Participant shall be deemed to have acquired from such Issuing Lender, on the terms and conditions of Section 3.5 hereof, for such L/C Participant's own account and risk, an undivided participation interest in such Issuing Lender's obligations and rights under each such Existing Letter of Credit equal to such L/C Participant's Revolving Facility Commitment Percentage of (x) the outstanding amount available to be drawn under such Existing Letter of Credit and (y) the aggregate amount of any outstanding reimbursement obligations in respect thereof.

SECTION 4. GENERAL PROVISIONS APPLICABLE TO LOANS AND LETTERS OF CREDIT

4.1 Increase, Termination or Reduction of Commitments. (a) The Borrowers' Agent shall have the right, from time to time, upon not less than five (5) Business Days' notice to the Administrative Agent, to terminate the Revolving Facility Commitments or, from time to time, to reduce the Revolving Facility Commitments on a ratable basis; provided that no such termination or reduction of the Revolving Facility Commitments shall be permitted to the extent that, after giving effect thereto and to any prepayments of the Loans and Cash Collateralization of the Letters of Credit made on or before the effective date thereof the Total Revolving Facility Extensions of Credit would exceed the Total Revolving Facility Commitments. Any such reduction shall be in an amount equal to \$500,000 or a whole multiple thereof and shall reduce permanently and ratably the applicable relevant Commitment then in effect.

(b) At any time during the Increase Period, the Total Revolving Facility Commitments may be increased to an amount not to exceed the Revolving Facility Maximum Amount (a "Revolving Facility Increase") pursuant to the following procedure; provided that the aggregate Revolving Facility Increases made on and after the Restatement Effective Date shall not exceed the Maximum Facility Increase Amount:

(i) Not more than thirty (30) days and not less than fifteen (15) days prior to the proposed effective date of any Revolving Facility Increase, the Borrowers' Agent may make a written request for such Revolving Facility Increase to the Administrative Agent (a "Facility Increase Request"), who shall forward a copy of any such request to (x) each of the Revolving Facility Lenders under identified in such Facility Increase Request and (y) such additional Persons (subject to the approval of the Collateral Agent, the Swing Line Lender and each Issuing Lenders, such approvals not to be unreasonably withheld, delayed or conditioned) as requested by the Borrowers' Agent (such additional Persons, the "New Lenders"). Each request by the Borrowers' Agent pursuant to the immediately preceding sentence shall specify a proposed effective date of such increase (the "Requested Increase Effective Date"), the aggregate amount of such requested increase (the "Requested Increase Amount"), and shall constitute an invitation to each of the Revolving Facility Lenders and the New Lenders, in each case, identified in the applicable Facility Increase Request to accept or increase (as applicable) Revolving Facility Commitments.

(ii) Each Revolving Facility Lender and each New Lender identified in the applicable Facility Increase Request, acting in its sole discretion and with no obligations to increase or accept (as applicable) Revolving Facility Commitments pursuant to this Section 4.1(b), shall by written notice to the Borrowers' Agent and the Administrative Agent advise the Borrowers' Agent and the Administrative Agent whether or not such Lender or New Lender (as applicable) agrees to all or any portion of such Revolving Facility Commitment or increase in its Revolving Facility Commitments (as applicable) within ten (10) days after the Borrowers' Agent's request. Any such Revolving Facility Lender or New Lender may accept all of the Revolving Facility Commitments or increase in its Revolving Facility Commitment offered to it pursuant to the applicable Facility Increase Request, or decline to accept any of such Revolving Facility Commitment or Revolving Facility Commitment increase (as applicable). If any such Revolving Facility Lender or New Lender (as applicable) shall not have responded affirmatively within such ten (10) day period, such Lender or New Lender (as applicable) shall be deemed to have rejected the Borrowers' Agent's request for an increase in such Revolving Facility Commitment in full. Promptly following the conclusion of such ten (10) day period, the Administrative Agent shall notify the Borrowers' Agent of the results of the request for the applicable Revolving Facility Increase.

(iii) If the aggregate amount of the increases in the Revolving Facility Commitments that the Lenders have accepted in accordance with Section 4.1(b)(ii) shall be less than the Requested Increase Amount, the Collateral Agent may offer to such additional Persons (including the Revolving Facility Lenders and additional lenders), as may be agreed by the Borrowers' Agent and the Collateral Agent, the opportunity to make available such amount of new Revolving Facility Commitments under as may be required so that the aggregate increases in the Revolving Facility Commitments by the existing

Lenders thereunder together with such new Revolving Facility Commitments by the New Lenders shall equal the Requested Increase Amount (the aggregate Revolving Facility Increase provided by such existing Lenders and the New Lenders, the “Increase Amount”). Such Increase Amount shall be in an amount equal to \$5,000,000 or a whole multiple thereof. The effectiveness of all such increases in the Revolving Facility Commitments are subject to the satisfaction of the following conditions: (A) each Revolving Facility Lender that so elects to increase its Revolving Facility Commitment (each an “Increasing Lender”), each New Lender, the Collateral Agent, the Borrowers’ Agent, and the Borrowers shall have executed and delivered an agreement, substantially in the form attached hereto as Exhibit L (an “Increase and New Lender Agreement”); (B) the Total Revolving Facility Commitment after giving effect to such increases shall not exceed the Revolving Facility Maximum Amount; (C) any fees and other amounts (including, without limitation, pursuant to Section 11.6) payable by the Borrowers in connection with such increase and accession shall have been paid; (D) no Default or Event of Default has occurred and is continuing or would result from such increase in the Revolving Facility Commitments; and (E) the Collateral Agent shall have received in respect of the Mortgaged Properties (1) such amendments to the Mortgage and Security Agreements as are in form and substance reasonably satisfactory to the Collateral Agent, in each case, executed and delivered by a Responsible Person of the relevant Loan Party to the extent necessary to reflect the increase in the Revolving Facility and (2) to the extent required by applicable Law, a standard flood hazard determination for each Mortgaged Property, and with respect to any Mortgaged Property that is located in a special flood hazard area, evidence of flood insurance in form and substance reasonably satisfactory to the Collateral Agent.

(iv) On any Requested Increase Effective Date, (A) each Increasing Lender or New Lender thereof shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine for the benefit of the other Revolving Facility Lenders as being required in order to cause (after giving effect to such increase and the use of such amounts to make payments to the other Revolving Facility Lenders) each Revolving Facility Lender’s portion of the outstanding Revolving Facility Loans of all Revolving Facility Lenders to equal its Revolving Facility Commitment Percentage, (B) the Borrowers shall be deemed to have repaid and reborrowed all outstanding Loans of all the Revolving Facility Lenders to equal its Revolving Facility Commitment Percentage of such outstanding Loans as of the date of the applicable Facility Increase (with such reborrowing to consist of the Types of Loans, with related Interest Periods, if applicable, specified in a notice delivered by the Borrowers’ Agent in accordance with the requirements of Section 4.3) and (C) the participations in Letters of Credit shall be adjusted to reflect changes in the Revolving Facility Commitment Percentages. The deemed payments made pursuant to clause (B) of the immediately preceding sentence in respect of each Eurodollar Loan shall be subject to indemnification by the Borrowers pursuant to the provisions of Section 4.14 if the deemed payment occurs other than on the last day of the related Interest Periods.

(v) Upon the Requested Increase Effective Date, Schedule 1.0 of the Increase and New Lender Agreement, which shall reflect the Revolving Facility Commitments and the Revolving Facility Commitment Percentages of the Lenders at such time, shall be deemed to supersede Schedule 1.0 hereto without any further action or consent of any party. The Administrative Agent shall cause a copy of such revised Schedule 1.0 to be available to the Issuing Lenders and the Lenders.

4.2 Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate for such Eurodollar Loan determined for such day plus the Applicable Margin.

(b) Each Base Rate Loan (including Swing Line Loans) shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin.

(c) (i) Upon the occurrence of any Event of Default and during its continuance, all outstanding Obligations (whether or not overdue) (to the extent legally permitted) shall bear interest at a rate per annum that is equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2.00%, (y) in the case of Reimbursement Obligations, the rate applicable to Base Rate Loans plus 2.00%, and (z) in the case of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder, such amount shall bear interest at a rate per annum equal to the rate then applicable to Base Rate Loans plus 2.00%, in each case, from the date of such nonpayment until such amount is paid in full (after as well as before judgment). Accrued interest on any Loan (or any portion thereof) shall be paid upon repayment of such Loan (or portion thereof, whether at stated maturity, by acceleration or otherwise) as provided in Section 4.9(b) and any principal and interest on any Loan or Reimbursement Obligation not paid when due shall be payable on demand.

(d) Interest shall be payable in arrears on each Interest Payment Date or on the applicable date with respect to interest payable pursuant to Section 4.2(c) above.

4.3 Conversion and Continuation Options. (a) The Borrowers' Agent may elect from time to time to Convert Eurodollar Loans to Base Rate Loans by giving the Administrative Agent at least two (2) Business Days' prior irrevocable notice of such election in the form attached hereto as Annex II (the "Continuation/Conversion Notice"), such Continuation/Conversion Notice specifying the amount and the date such Conversion is to be made; provided that any such Conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. The Borrowers' Agent may elect from time to time to Convert Base Rate Loans to Eurodollar Loans by giving the Administrative Agent irrevocable notice of such election (in the form of a Continuation/Conversion Notice) prior to 1:00 p.m. (New York City time) at its New York office, three (3) Business Days before the date of such election. Any such notice of Conversion to Eurodollar Loans shall specify the amount to be Converted, the date of such Conversion and the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each Lender thereof. All or any part of outstanding Eurodollar Loans or Base Rate Loans may be Converted as provided herein; provided that (i) no Base Rate Loan may be Converted into a Eurodollar Loan when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have reasonably determined that such a Conversion is not appropriate and (ii) no Base Rate Loan may be Converted into a Eurodollar Loan after the date that is one (1) month prior to the Revolving Facility Commitment Termination Date.

(b) Any Eurodollar Loans may be Continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrowers' Agent giving the Administrative Agent irrevocable notice (in the form of a Continuation/Conversion Notice) prior to 1:00 p.m. (New York City time), at its New York office, in each case, three (3) Business Days before the date such Eurodollar Loans are to be Continued, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans. If the Borrowers' Agent fails to give timely notice requesting a Continuation, then the applicable Loans shall be Converted to Base Rate Loans. Any automatic Conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Loans.

(c) During the existence of an Event of Default, no Loan may be requested as, Converted to or Continued as Eurodollar Loans if the Required Lenders have reasonably determined that such a request, Conversion or Continuation is not appropriate.

4.4 Minimum Amounts of Tranches; Maximum Number of Tranches. (a) All borrowings, Conversions and Continuations of Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Tranche shall be equal to \$1,000,000 or a whole multiple of \$100,000 in excess thereof.

(b) No more than fifteen (15) Tranches of Eurodollar Loans shall be outstanding at any one time; provided that for each Revolving Facility Increase in an aggregate principal amount of \$20,000,000, one (1) additional Tranches of Eurodollar Loans may be outstanding (up to a maximum of sixteen (16) Tranches of Eurodollar Loans) at any one time.

4.5 Repayment of Loans; Evidence of Debt. (a) Each Borrower unconditionally promises to pay to the Administrative Agent for the account of the appropriate Lender or to the relevant Issuing Lender, as applicable, the then unpaid principal amount of each Revolving Facility Loan on the Maturity Date therefor. Each Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans and Reimbursement Obligations of such Borrower from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 4.2.

(b) Each Lender shall maintain in accordance with its usual practice a record or records setting forth all of the indebtedness of each Borrower to such Lender resulting from each Loan or other Extension of Credit of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrowers, shall maintain the Register required by Section 11.7(d), and shall include a subaccount therein for each Lender, in which it shall record (i) the amount of each Loan and a copy of the Note, if any, evidencing such Loan, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest or fee due and payable or to become due and payable from the Borrowers to each Lender hereunder, (iii) the amount of such Lender's share of any Unreimbursed Amount and (iv) both the amount of any sum received by the Administrative Agent hereunder from the Borrowers and each Lender's share thereof.

(d) The entries made in the Register and the records of each Lender maintained pursuant to Section 4.5(b) shall, to the extent permitted by applicable Law, be prima facie evidence of the existence and amounts of the obligations of each Borrower therein recorded (absent manifest error); provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of any Borrower to repay (with applicable interest) the Loans and other extensions of credit hereunder made to the Borrowers by such Lender in accordance with the terms of this Agreement.

(e) Any Borrower agrees that, upon the request to the Administrative Agent by any Lender, the Borrowers will execute and deliver to such Lender a promissory note evidencing the Revolving Facility Loans or the Swing Line Loans, as applicable, of such Lender, substantially in the form of Exhibit A-1 or A-2, as applicable, with appropriate insertions as to date and principal amount (individually, a "Note" and, collectively, the "Notes").

4.6 Optional Prepayments. Any Borrower may at any time and from time to time prepay the Loans made to it, in whole or in part, without premium or penalty, upon notice from the Borrowers' Agent in the form attached hereto as Annex III (the "Notice of Prepayment") delivered to the Administrative Agent (x) no later than 1:00 p.m. (New York City time) at least three (3) Business Days prior to the proposed prepayment date in the case of Eurodollar Loans, (y) no later than 1:00 p.m. (New York City time) on the proposed prepayment date in the case of Base Rate Loans, and (z) not later than 1:00 p.m. (New York City time) on the proposed prepayment date in the case of Swing Line Loans, in

each case, which notice shall specify (x) the date and amount of prepayment, (y) which Loans shall be prepaid and (z) whether the prepayment is of Base Rate Loans, Eurodollar Loans or a combination thereof, and, if of a combination thereof, the amount allocable to each; provided that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, or the Borrowers' Agent revokes any notice of prepayment previously delivered pursuant to this Section 4.6 after the date/time specified above, such Borrower shall also pay any amounts owing pursuant to Section 4.14. Upon receipt of any such notice the Administrative Agent shall promptly notify each Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with any amounts payable pursuant to Section 4.14. Partial prepayments pursuant to this Section 4.6 shall be in an aggregate principal amount of \$100,000 or a whole multiple thereof. If any Borrower shall make any prepayment of a Swing Line Loan after 1:00 p.m. (New York City time) on the Swing Line Loan Expiration Date and the Swing Line Lender shall have requested from the Lenders Refunded Swing Line Loans in accordance with Section 2.5(a) on account of such Swing Line Loan, the Administrative Agent shall apply such prepayment in the following order: *first*, to any other Swing Line Loans of the Borrowers outstanding at such time, and *second*, to any outstanding Revolving Facility Loans that are Base Rate Loans of such Borrower. If the amount of such prepayment is greater than the outstanding amount of such Swing Line Loans and such Revolving Facility Loans that are Base Rate Loans at the time such prepayment is made, the Administrative Agent shall promptly remit the excess to the applicable Borrower.

4.7 Mandatory Prepayments. (a) With respect to any Specified Permitted Disposition and any Specified Permitted Debt Issuance, 100% of the Net Cash Proceeds received for such sale shall be applied to repay Revolving Facility Extensions of Credit in accordance with Section 4.9.

(b) If on any date the Total Revolving Facility Extensions of Credit shall exceed the Total Revolving Facility Commitments, and/or (ii) any extension of credit under this Agreement shall result in any Applicable Sub-Limit being exceeded, then (A) the Borrowers' Agent shall specify, at its sole discretion, one or more Loans of a Borrower or Borrowers to be prepaid and such Borrower or Borrowers shall prepay such Loans and (B) if no Loans are then outstanding, the Borrowers shall Cash Collateralize, replace or decrease (if the beneficiary of such Letter of Credit agrees to such decrease) the amount of outstanding Letters of Credit by an amount sufficient to eliminate such excess, no later than three (3) Business Days immediately following such date.

(c) Unless the Required Lenders shall otherwise agree, if on any date any Borrower or any Guarantor shall receive Net Cash Proceeds in excess of \$500,000 at any time from (x) Asset Sales effected on or after the Restatement Effective Date (whether received in one transaction or in a series of transactions) or (y) Recovery Events unless a Reinvestment Notice shall be delivered in respect of such Recovery Event within three (3) Business Days receipt of such Net Cash Proceeds, 100% of such Net Cash Proceeds shall be applied on such third Business Day toward the prepayment of the relevant Loans (provided, however, that the Borrowers' Agent shall specify, at its sole discretion, the Loan or Loans of the Borrowers to be so prepaid) and Cash Collateralization of the relevant Letters of Credit in accordance with and Section 4.7(d); provided that with respect to any Reinvestment Event for which a Reinvestment Notice is provided, on the earlier of (i) the date occurring twelve (12) months after such Reinvestment Notice and (ii) the date on which the applicable Loan Party shall have determined not to, or shall have otherwise ceased to, acquire assets (directly or through the purchase of the Capital Stock of a Person pursuant to an Acquisition or otherwise) to replace, repair or upgrade the assets subject to the applicable Recovery Event, then all remaining Net Cash Proceeds received in connection with such Recovery Event shall be applied toward the prepayment of the relevant Loans pursuant to Section 4.7(d).

(d) The Borrowers' Agent shall notify the Administrative Agent by written notice of any prepayment due hereunder (i) in the case of prepayment of a Eurodollar Loan, not later than 1:00 p.m. (New York City time), three (3) Business Days before the date of the prepayment, (ii) in the case of prepayment of a Base Rate Loan, not later than 1:00 p.m. (New York City time) on the date of the prepayment and (iii) in the case of prepayment of a Swing Line Loan, not later than 1:00 p.m. (New York City time) on the date of prepayment. Each such notice shall specify the prepayment date, the principal amount of each Loan or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the required amount of such prepayment. Promptly following receipt of any such notice (other than a notice relating solely to Swing Line Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each prepayment of an extension of credit shall be applied ratably to the Loans included in the prepaid extension of credit and otherwise in accordance with this Section 4.7(d). Prepayments shall be accompanied by accrued interest to the extent required by Section 4.2.

(e) Any prepayment of Loans pursuant to this Section 4.7, and the rights of the Lenders in respect thereof, are subject to the provisions of Section 4.9.

(f) For the avoidance of doubt, no amounts prepaid under this Section 4.7 shall permanently reduce any Commitments.

4.8 Computation of Interest and Fees. (a) All fees and interest on Base Rate Loans that are calculated using clause (c) of the definition of "Base Rate" and Eurodollar Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on Base Rate Loans (other than Base Rate Loans that are calculated using clause (c) of the definition of "Base Rate") shall be calculated on the basis of a 365/366-day year, as the case may be, for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrowers' Agent and the Lenders of each determination of each Eurodollar Rate for any Eurodollar Loans outstanding. Any change in the interest rate on a Loan resulting from a change in the Base Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrowers' Agent and the Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrowers and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrowers' Agent, deliver to the Borrowers' Agent a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 4.2(a).

4.9 Pro Rata Treatment and Payments. (a) Other than as expressly set forth herein, each borrowing by any Borrower from the Lenders hereunder and any reduction of the Commitments under any Facility shall be made *pro rata* according to the respective Revolving Facility Commitment Percentages, as applicable, of the Lenders under such Facility. Other than as expressly set forth herein, each payment (including each prepayment) by any Borrower on account of principal of and interest and fees on the Loans and Reimbursement Obligations under any Facility shall be made *pro rata* according to the respective outstanding principal amounts of the Loans and Reimbursement Obligations under such Facility, respectively, then held by the Lenders.

(b) All payments (including prepayments) to be made by the Borrowers hereunder on account of principal of Loans (other than Base Rate Loans on any day other than the Maturity Date of such Loans) shall be accompanied by a payment in an amount equal to all accrued and unpaid interest on such Loans. All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees or otherwise, shall be made without set-off or counterclaim and shall be made prior to 1:00 p.m. (New York City time) on the due date thereof to the Administrative Agent for the

account of the applicable Lenders at the Administrative Agent's office specified in Section 11.2 in United States Dollars in immediately available funds. The Administrative Agent shall distribute such payments to the appropriate Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment obligation shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(c) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its Commitment Percentage of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 4.9 shall be conclusive in the absence of manifest error. If such Lender's Commitment Percentage of such borrowing is not made available to the Administrative Agent by such Lender within three (3) Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans on demand from the Borrowers (without duplication of the interest otherwise applicable thereto).

(d) Subject to Section 4.18, the application of any payment of Loans (including optional and mandatory prepayments), along with the application of any proceeds obtained upon the exercise of remedies by the Agents for the Lenders hereunder or under any Loan Document, shall be made to each Lender based upon its Revolving Facility Commitment Percentage, *first*, to Base Rate Loans and, *second*, to Eurodollar Loans. Each payment of the Eurodollar Loans shall be accompanied by accrued interest to the date of such payment on the amount paid.

4.10 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender or the Administrative Agent with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) does or shall subject any Lender or the Administrative Agent to any Tax or increased Tax of any kind whatsoever with respect to this Agreement or any other Loan Document, any Loan or any Letter of Credit made by it, or change the basis of taxation of payments to such Lender or the Administrative Agent in respect thereof (provided, however, that the foregoing shall not apply to (x) any U.S. federal withholding Tax or Other Taxes, as to which Section 4.11 shall govern, or (y) any Tax imposed on or measured by a Lender's or the Administrative Agent's net income (to the extent it does not change the basis of taxation), including without limitation any changes in the rate of net income Taxes (or franchise Taxes in lieu thereof) imposed on a Lender or the Administrative Agent, as applicable);

(ii) does or shall impose, modify or hold applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the Eurodollar Rate; or

(iii) does or shall impose on such Lender or the Administrative Agent any other condition, cost or expense (provided, however, that the foregoing shall not apply to (x) any U.S. federal withholding Tax or Other Taxes, as to which Section 4.11 shall govern, or (y) any Tax imposed on or measured by a Lender's net income (to the extent it does not change the basis of taxation), including any changes in the rate of net income Taxes (or franchise Taxes in lieu thereof) imposed on a Lender); and the result of any of the foregoing is to increase the cost to such Lender or the Administrative Agent of making, Converting into, Continuing or maintaining this Agreement or any other Loan Document, any Loan or issuing, providing and maintaining any Letter of Credit or holding an interest in any Issuing Lender's obligations thereunder, or to reduce any amount receivable by the Lender or the Administrative Agent in respect thereof, then the Lender or the Administrative Agent shall use reasonable efforts to designate a different Applicable Lending Office for funding or booking Loans or issuing Letters of Credit if, in the judgment of such Lender or the Administrative Agent, as applicable, such designation (x) would eliminate or reduce amounts payable pursuant to this Section 4.10 or eliminate the need to provide the notice specified in clause (c) of this Section 4.10 and (y) would not subject such Lender or the Administrative Agent to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or the Administrative Agent; then, in any such case, and to the extent that such cost is not fully compensated for by an adjustment to the Eurodollar Rate, the Base Rate or any fee on a Letter of Credit or mitigated pursuant to a change in such Lender's Applicable Lending Office, the Borrowers shall promptly, after receiving notice as specified in clause (c) of this Section 4.10, pay such Lender or the Administrative Agent, as applicable, such additional amount or amounts as will compensate such Lender or the Administrative Agent for such increased cost or reduced amount receivable on a net after-Tax basis

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy and liquidity) by an amount deemed by such Lender to be material, then from time to time, the Borrowers shall promptly pay to such Lender such additional amount or amounts as will compensate such Lender for such reduction on a net after-Tax basis.

(c) If any Lender becomes entitled to claim any additional amounts pursuant to this Section 4.10, it shall promptly notify the Borrowers' Agent (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled. A certificate prepared in good faith as to any additional amounts payable pursuant to this Section 4.10 submitted by such Lender to the Borrowers' Agent (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. The agreements in this Section 4.10 shall survive the termination of this Agreement and the payment of the Loans, Reimbursement Obligations and all other amounts payable hereunder. No Lender shall be entitled to claim any additional amounts pursuant to Section 4.10(a) and (b) for circumstances which occurred more than 180 days prior to the date such Lender makes a request for payment hereunder; provided that, if the event giving rise to such increased cost or reduction is retroactive, then the 180-day period shall be extended to include the period of retroactive effect.

(d) It is agreed and understood that, for all purposes under this Agreement (including for purposes of this [Section 4.10](#) and [Section 4.11](#)) that (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements or directives thereunder or issued in connection therewith on in implementation thereof and (ii) all requests, rules, guidelines, requirements or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be an adoption or change in a Requirement of Law made subsequent to the date hereof, regardless of the date enacted, adopted, implemented or issued.

4.11 Taxes. (a) Any and all payments by or on behalf of each Loan Party or any Agent under or in respect of this Agreement or any other Loan Documents to which such Loan Party is a party shall, unless otherwise required by law, be made free and clear of, and without deduction or withholding for or on account of, any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities (including penalties, interest and additions to tax) with respect thereto, whether now or hereafter imposed, levied, collected, withheld or assessed by any taxation authority or other Governmental Authority (collectively, "Taxes"). If any Loan Party or the Agent shall be required under any Requirement of Law to deduct or withhold any Taxes from or in respect of any sum payable under or in respect of this Agreement, the Loans, the Letters of Credit or any of the other Loan Documents to any Agent or Lender (including for purposes of this [Section 4.11](#) and [Section 4.10](#) any assignee, successor or participant), as determined in good faith by the applicable Loan Party or Agent, (i) such Loan Party or Agent shall make all such deductions and withholdings in respect of Taxes, (ii) such Loan Party or Agent shall pay the full amount deducted or withheld in respect of Taxes to the relevant taxation authority or other Governmental Authority in accordance with any Requirement of Law, and (iii) in the case of any Non-Excluded Taxes, the sum payable by such Loan Party shall be increased as may be necessary so that after such Loan Party or Agent has made all required deductions and withholdings (including deductions and withholdings applicable to additional amounts payable under this [Section 4.11](#)) such Lender or Agent receives an amount equal to the sum it would have received had no such deductions or withholdings been made or required in respect of Non-Excluded Taxes. For purposes of this Agreement the term "Non-Excluded Taxes" are Taxes other than, (i) in the case of a Lender or Agent, Taxes that are imposed on it by the jurisdiction (or political subdivision thereof) under the laws of which such Lender or Agent is organized or has its applicable lending office, unless such Taxes are imposed solely as a result of such Lender or Agent having executed, delivered or performed its obligations or received payments under, or enforced, this Agreement, the Loans, the Letters of Credit or any of the other Loan Documents, in which case such Taxes will be treated as Non-Excluded Taxes, (ii) net income, franchise or branch profit taxes imposed on a Lender or an Agent (A) by the jurisdiction (or political subdivision thereof) under the laws of which such Lender or Agent is organized or has its principal office or applicable lending office or (B) that are Other Connection Taxes, (iii) any U.S. federal withholding Tax imposed on any payment under the law as of the Restatement Effective Date, (iv) any Tax imposed on a Transferee (other than an assignee pursuant to a request by the Borrowers' Agent under [Section 4.17](#)) or successor Agent to the extent that, under applicable Law in effect on the date of the transfer to such Transferee or such successor Agent, the amount of such Tax exceeds the Non-Excluded Taxes, if any, that were imposed on payments to the transferring Lender or predecessor Agent, or (v) any U.S. federal withholding Tax imposed under FATCA. For the avoidance of doubt, the exclusions described in the preceding sentence will apply to the same effect to direct or indirect beneficial owners of a Lender that is fiscally transparent.

(b) In addition, each Loan Party hereby agrees to pay any present or future stamp, recording, documentary, excise, property or value-added taxes, or similar taxes, charges or levies that arise from any payment made under or in respect of this Agreement or any other Loan Document or from the execution, delivery or registration of, any performance under, or otherwise with respect to, this Agreement or any other Loan Document (collectively, "Other Taxes").

(c) Each Loan Party hereby agrees to indemnify each Lender that is not fiscally transparent and, in the case of a Lender that is fiscally transparent, its direct or indirect beneficial owners for which such Loan Party has received proof of such ownership and entitlement to the benefits of this Section 4.11 (subject to the same conditions for, and exclusions from indemnification as are applicable to a Lender that is not fiscally transparent), and each Agent for, and to hold each harmless against, the full amount of Non-Excluded Taxes and Other Taxes, and the full amount of Taxes of any kind imposed by any jurisdiction on amounts payable under this Section 4.11 imposed on or paid by such Lender or Agent, and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. The indemnity by the Loan Parties provided for in this Section 4.11(c) shall apply and be made whether or not the Non-Excluded Taxes or Other Taxes for which indemnification hereunder is sought have been correctly or legally asserted. Amounts payable by any Loan Party under the indemnity set forth in this Section 4.11(c) shall be paid within ten (10) days from the date on which the Lender or Agent makes written demand therefor.

(d) Within thirty (30) days after the date of any payment of Taxes, the applicable Loan Party (or any Person making such payment on behalf of the Loan Parties) shall furnish to Lender and/or Agent for its own account a certified copy of the original official receipt evidencing payment thereof or, if unavailable, such evidence as is reasonably satisfactory to such Lender or Agent. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) For purposes of this Section 4.11(e), the terms “United States” and “United States person” shall have the meanings specified in Section 7701 of the Code. Each Lender (including for avoidance of doubt any assignee, successor or participant) or Agent (including for the avoidance of doubt any successor) (i) that is not incorporated under the laws of the United States, any State thereof, or the District of Columbia or (ii) whose name does not include “Incorporated”, “Inc.”, “Corporation”, “Corp.”, “P.C.”, “N.A.”, “National Association”, “insurance company”, or “assurance company” (in the case of a Lender, a “Non-Exempt Lender”) and (in the case of an Agent, a “Non-Exempt Agent”) shall at or prior to the Restatement Effective Date, or in the case of a Transferee of a Lender or a successor to an Agent, on or prior to the date such Person becomes a Transferee or Agent, deliver or cause to be delivered to each of the Administrative Agent and the Borrowers’ Agent original copies of the following properly completed and duly executed documents:

(i) in the case of a Non-Exempt Lender or Non-Exempt Agent that is not a United States person or is a foreign disregarded entity for U.S. federal income tax purposes that is entitled to provide such form, a complete and executed (x) U.S. Internal Revenue Service Form W-8BEN with Part II completed in which Lender claims the benefits of a tax treaty with the United States providing for a zero or reduced rate of withholding (or any successor forms thereto), including all appropriate attachments or (y) U.S. Internal Revenue Service Form W-8ECI (or any successor forms thereto); or

(ii) in the case of a Non-Exempt Lender or Non-Exempt Agent that is an individual, (x) a complete and executed U.S. Internal Revenue Service Form W-8BEN (or any successor forms thereto) and a certificate substantially in the form of the applicable Exhibit D-1, D-2, D-3 or D-4 (a “Section 4.11 Certificate”) or (y) a complete and executed U.S. Internal Revenue Service Form W-9 (or any successor forms thereto); or

(iii) in the case of a Non-Exempt Lender or Non-Exempt Agent that is organized under the laws of the United States, any State thereof, or the District of Columbia, a complete and executed U.S. Internal Revenue Service Form W-9 (or any successor forms thereto); or

(iv) in the case of a Non-Exempt Lender or Non-Exempt Agent that (x) is not organized under the laws of the United States, any State thereof, or the District of Columbia and (y) is treated as a corporation for U.S. federal income tax purposes, a complete and executed U.S. Internal Revenue Service Form W-8BEN (or any successor forms thereto) and a Section 4.11 Certificate; or

(v) in the case of a Non-Exempt Lender or Non-Exempt Agent that (A) is treated as a partnership or other non-corporate entity and (B) is not organized under the laws of the United States, any State thereof, or the District of Columbia, (x)(i) a complete and executed U.S. Internal Revenue Service Form W-8IMY (or any successor forms thereto) (including all required documents and attachments) and (ii) a Section 4.11 Certificate, and (y) if the Non-Exempt Lender or Non-Exempt Agent is not a withholding foreign partnership or withholding foreign trust, without duplication, with respect to each of its beneficial owners and the beneficial owners of such beneficial owners looking through chains of owners to individuals or entities that are treated as corporations for U.S. federal income tax purposes (all such owners, “beneficial owners”), the documents that would be provided by each such beneficial owner pursuant to this Section 4.11(e) if each such beneficial owner were a Lender; or

(vi) in the case of a Non-Exempt Lender or Non-Exempt Agent that is disregarded for U.S. federal income tax purposes, the document that would be provided by its beneficial owner pursuant to this Section 4.11(e) if such beneficial owner were the Lender; or

(vii) in the case of a Non-Exempt Lender or Non-Exempt Agent that (A) is not a United States person and (B) is acting in the capacity of an “intermediary” (as defined in U.S. Treasury Regulations), (x)(i) a U.S. Internal Revenue Service Form W-8IMY (or any successor form thereto) (including all required documents and attachments) and (ii) a Section 4.11 Certificate, and (y) if the intermediary is a “non-qualified intermediary” (as defined in U.S. Treasury Regulations), from each person upon whose behalf the “non-qualified intermediary” is acting the documents that would be provided by such person pursuant to this Section 4.11(e) if each such person were a Lender.

Each Lender that is not a Non-Exempt Lender or Non-Exempt Agent shall, at or prior to the Restatement Effective Date, or in the case of a Transferee, on or prior to the date such Person becomes a Transferee, deliver to each of the Administrative Agent and the Borrowers’ Agent a complete and executed U.S. Internal Revenue Service Form W-9 (or any successor forms thereto). If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers’ Agent and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers’ Agent or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C) (i) of the Code) and such additional documentation reasonably requested by the Borrowers’ Agent or the Administrative Agent as may be necessary for the Borrowers’ Agent and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Person required to deliver any forms, certificates or other evidence with respect to United States federal withholding tax matters pursuant to Section 4.11(e) hereby agrees, from time to time after the initial delivery by such Person of such forms, certificates or other evidence, whenever a lapse in time or change in circumstances renders such forms, certificates or other evidence obsolete or inaccurate in any material respect, that such Person, to the extent it is entitled to do so, shall promptly (x) deliver to each of the Administrative Agent and the Borrowers' Agent new originals of any forms or other certifications required under this Section 4.11(e), properly completed and duly executed by such Person, together with any other certificate or statement of exemption required in order to confirm or establish that such Person is entitled to an exemption or reduction in the amount of United States federal income tax required to be withheld from payments to such Person under this Agreement or any other Loan Documents or (y) notify the Administrative Agent and the Borrowers' Agent of its inability to deliver any such forms, certificates or other evidence in which case such Person shall not be required to deliver any such form or certificate pursuant to this Section 4.11(e).

(f) For any period with respect to which Lender has failed to provide Borrower with the appropriate form, certificate or other document described in Section 4.11(e), if required (other than if such failure is due to a change in any Requirement of Law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other document originally was required to be provided by such Lender, such Lender shall not be entitled to indemnification or additional amounts under Section 4.11(a) or (c) with respect to Non-Excluded Taxes imposed by the United States by reason of such failure; provided, however, that should a Lender become subject to Non-Excluded Taxes because of its failure to deliver a form, certificate or other document required hereunder, Borrower shall use commercially reasonable efforts as such Lender shall reasonably request to assist such Lender in recovering such Non-Excluded Taxes.

(g) Without prejudice to the survival of any other agreement of the Loan Parties hereunder, the agreements and obligations of the Loan Parties contained in this Section 4.11 shall survive the termination of this Agreement and the other Loan Documents. Nothing contained in Section 4.10 or this Section 4.11 shall require any Agent or Lender to make available any of its tax returns or any other information that it deems to be confidential or proprietary.

4.12 Lending Offices. Loans of each Type made by any Lender shall be made and maintained at such Lender's Applicable Lending Office for Loans of such Type.

4.13 Credit Utilization Reporting. (a) Within five (5) Business Days after the end of each calendar month, each Issuing Lender shall deliver a report to the Administrative Agent, substantially in the form of Annex IV (a "Credit Utilization Summary" and, collectively, the "Credit Utilization Summaries"), setting forth, for each Letter of Credit issued or provided by such Issuing Lender, (i) the amount available to be drawn or utilized under such Letters of Credit as of the end of such calendar month and (ii) the amount of any drawings, payments or reductions of such Letters of Credit during such month, in each case, on an aggregate and per Letter of Credit basis. Upon receiving notice from a Borrower or the beneficiary under a Letter of Credit issued or provided by such Issuing Lender of a reduction or termination of such Letter of Credit, each Issuing Lender shall notify the Administrative Agent thereof.

(b) Within five (5) Business Days after receiving each Credit Utilization Summary from the Issuing Lenders, the Administrative Agent shall deliver to each Lender (i) the Credit Utilization Summaries of all issued and outstanding Letters of Credit and Loans, (ii) the information referred to in clauses (i) and (ii) of Section 4.13(a), on an aggregate basis, and (iii) for each Type of Loan, (A) the amount outstanding under such Loans as of the last day of such calendar month and (B) the amount of any payments of such Loans during such month.

4.14 Indemnity. The Borrowers jointly and severally agree to indemnify each Lender and to hold each Lender harmless from any actual loss or expense (other than, in the case of expenses, any administrative, processing or similar fee in respect thereof exceeding \$100 for each affected Lender for each relevant event) which such Lender sustains or incurs as a result of (a) default by any Borrower in making a borrowing of, Conversion into or Continuation of Eurodollar Loans after the Borrowers' Agent has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrowers in making any prepayment of a Eurodollar Loan after the Borrowers' Agent has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Eurodollar Loans on a day which is not the last day of an Interest Period with respect thereto. This covenant shall survive the termination of this Agreement and the payment of the Loans, Reimbursement Obligations and all other amounts payable hereunder.

4.15 Inability to Determine Interest Rate. (a) If prior to the first day of any Interest Period:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrowers) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the relevant Eurodollar Rate for such Interest Period; or

(ii) the Administrative Agent shall have received notice from the Required Lenders that the relevant Eurodollar Rate determined or to be determined for such Interest Period, as applicable, will not adequately and fairly reflect the cost to such Lenders of making or maintaining their affected Eurodollar Loans during such Interest Period;

then the Administrative Agent shall give written notice thereof to the Borrowers' Agent and the Lenders as soon as practicable thereafter.

(b) If such notice is given with respect to the Eurodollar Rate applicable to Eurodollar Loans, (x) any such Eurodollar Loan requested to be made on the first day of such Interest Period shall be made as a Base Rate Loan, (y) any Base Rate Loans that were to have been Converted on the first day of such Interest Period to Eurodollar Loans shall not be so Converted and shall continue as Base Rate Loans and (z) any outstanding Eurodollar Loans shall be Converted on the first day of such Interest Period to Base Rate Loans. Until such notice has been revoked by the Administrative Agent, no further Eurodollar Loans shall be made or Continued as such, nor shall the Borrowers' Agent have the right to Convert Loans into such Type.

(c) The Administrative Agent shall promptly revoke (i) any such notice pursuant to clause (a) above if the Administrative Agent determines that adequate and reasonable means exist for ascertaining the relevant Eurodollar Rate for the applicable Interest Period and (ii) any such notice pursuant to clause (b) above upon receipt of notice from the requisite Lenders necessary to give such notice in clause (b) that the relevant circumstances described in such clause (b) have ceased to exist.

4.16 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Eurodollar Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make Eurodollar Loans, Continue Eurodollar Loans as such and Convert Base Rate Loans to Eurodollar Loans shall forthwith be suspended to the extent necessary for such Lender to avoid any such unlawful action until such Lender notifies the Administrative Agent that it is lawful to make or maintain Eurodollar Loans as contemplated by this Agreement and (b) such Lender's Loans then outstanding as Eurodollar Loans, if any, shall be Converted automatically to available and

lawful Interest Periods, if any, or Base Rate Loans, at the option of the Borrowers' Agent, on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such Conversion of a Eurodollar Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to such Lender such amounts, if any, as may be required pursuant to Section 4.14.

4.17 Replacement of Lenders. If (a)(i)(A) any Borrower is required to pay any additional amount to or indemnify any Lender pursuant to Section 4.11 or (B) any Lender requests compensation under Section 4.10, and (ii) in the case of Section 4.11, a Lender has declined to designate a different Applicable Lending Office, (b) any Lender invokes Section 4.16, (c) any Lender becomes a Defaulting Lender, or (d) any Lender has failed to consent to a proposed amendment, waiver or other modification that, pursuant to the terms of Section 11.1, requires the consent of all the Lenders, or all affected Lenders, and with respect to which the Required Lenders shall have granted their consent, then, in each case, so long as no Default or Event of Default shall have occurred and be continuing, the Borrowers' Agent may, at its sole cost and expense, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions and obligations contained in Section 11.7), all of its interests, rights (other than its existing rights to payments pursuant to Sections 4.10 and 4.11) and obligations under this Agreement and the other Loan Documents (or all of its interests, rights and obligations in respect of the Loans or Commitments that are the subject of the related amendment, waiver or other modification) to an assignee that shall assume such obligations and become a Lender pursuant to the terms of this Agreement and the other Loan Documents; provided that (i) the transferring Lender shall have received payment of an amount equal to (A) the outstanding principal of its Loans, accrued interest thereon, and accrued fees payable to it hereunder, from the Assignee and (B) any additional amounts (including indemnity payments) payable to it hereunder from the Borrowers and (ii) in the case of a transferring Lender that is also an Issuing Lender, the Letters of Credit issued by such transferring Lender shall have been cash collateralized or backed by a letter of credit or other credit support from a non-Defaulting Lender or other bank reasonably acceptable to the transferring Lender, in each case, on terms and conditions reasonably satisfactory to such transferring Lender; provided, further, that, if, upon such demand by the Borrowers' Agent, such Lender elects to waive its request for additional compensation pursuant to Sections 4.10 or 4.11, or consents to the proposed amendment, waiver or other modification, the demand by the Borrowers' Agent for such Lender to so assign all of its rights and obligations under this Agreement shall thereupon be deemed withdrawn. Nothing in this Section 4.17 shall affect or postpone any of the rights of any Lender or any of the Obligations of the Borrowers under any of the foregoing provisions of Sections 4.10, 4.11 or 4.16 in any manner. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interest hereunder in the circumstances contemplated by this Section 4.17.

4.18 Defaulting Lender. Notwithstanding any other provision in this Agreement to the contrary, if at any time a Lender becomes a Defaulting Lender, the following provisions shall apply so long as any Lender is a Defaulting Lender:

(a) If any Defaulting Lender (or a Lender who would be a Defaulting Lender but for the expiration of the relevant grace period) as a result of the exercise of a set-off shall have received a payment in respect of its Loans or its participation interests in Swing Line Loans, or Letters of Credit which results in its Revolving Facility Extensions of Credit under any Facility being less than its Revolving Facility Commitment Percentage of the Total Revolving Facility Extensions of Credit under such Facility, then payments (including principal, interest and fees) to such Defaulting Lender will be suspended until such time as all amounts due and owing to the Lenders under such Facility have been equalized in accordance with such Lenders' Revolving Facility Commitment Percentages of the Total

Revolving Facility Extensions of Credit under such Facility. Further, if at any time prior to the acceleration or maturity of the Obligations under any Facility with respect to which a Defaulting Lender is a Lender at such time, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of a Letter of Credit under such Facility, the Administrative Agent shall apply such payment first to the Loans and participations in Letters of Credit and, if applicable, Swing Line Loans, under such Facility and for which such Defaulting Lender shall have failed to fund its pro rata share until such time as such Defaulting Lender's obligation to fund such Loans and/or participations are paid in full or each Lender under such Facility is owed its Revolving Facility Commitment Percentage of the Total Revolving Facility Extensions of Credit under such Facility. After acceleration or maturity of the Obligations under any Facility to which a Defaulting Lender is a Lender, subject to the first sentence of this Section 4.18(a), all principal will be paid ratably as provided in Section 4.9(a).

(b) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the Available Revolving Facility Commitments of such Defaulting Lender pursuant to Section 2.6.

(ii) with respect to the obligation of a Lender to fund its *pro rata* of portion of a Revolving Facility Loan pursuant to Section 2.4(c), all or any part of such Defaulting Lender's *pro rata* portion of such requested Loan shall be reallocated to the Non-Defaulting Lenders in accordance with each Non-Defaulting Lender's Revolving Facility Commitment Percentage (calculated without regard to any Defaulting Lender's Revolving Facility Commitments) but only to the extent that (x) the sum of all Non-Defaulting Lenders' Available Revolving Facility Commitments is greater than zero, (y) the conditions set forth in Section 6.2 are satisfied at such time and (z) each such Non-Defaulting Lender's Available Revolving Facility Commitment is greater than zero

(iii) with respect to any L/C Participation Obligation or Refunded Swing Line Loan, Swing Line Participation (collectively, "Participation Obligations") of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's *pro rata* portion of all Participation Obligation shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Facility Commitment Percentages (calculated without regard to such Defaulting Lender's Revolving Facility Commitment) but only to the extent that (x) the sum of all Non-Defaulting Lenders' Available Revolving Facility Commitments is greater than zero, (y) the conditions set forth in Section 6.2 are satisfied at such time and (z) each such Non-Defaulting Lender's Available Revolving Facility Commitment is greater than zero;

(B) if the reallocation described in clause (iii)(A) above cannot, or can only partially, be effected, then the Borrowers shall within three (3) Business Days following notice by the Administrative Agent (1) Cash Collateralize such Defaulting Lender's portion of the Letters of Credit (after giving effect to any partial reallocation pursuant to clause (iii)(A) above) for so long as such Letters of Credit are outstanding and (2) after giving effect to any partial reallocation pursuant to clause (iii)(A) above, if such Defaulting Lender is a Revolving Facility Lender, repay the non-reallocated amount of each Swing Line Loan for so long as such Refunded Swing Line Loan and Swing Line Participation are outstanding;

(C) if the Participation Obligations of the Non-Defaulting Lenders under the relevant Facility are reallocated pursuant to clause (iii)(A) above or Cash Collateralized or repaid pursuant to clause (iii)(B), then the fees payable to the Lenders under such Facility pursuant to Section 2.6 shall be adjusted or reduced, as applicable, in accordance with such Non-Defaulting Lenders' Revolving Facility Commitment Percentages (calculated without regard to such Defaulting Lender's Revolving Facility Commitment); and

(D) if any Defaulting Lender's portion of the Participation Obligations under any Facility is neither Cash Collateralized nor reallocated pursuant to this Section 4.18(b)(iii), then, without prejudice to any rights or remedies hereunder of the Lenders and Issuing Lenders and the Swing Line Lender, all commitment and commission fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Revolving Facility Commitment that was utilized by the Participation Obligations) and letter of credit fees payable under Section 3.5(a) with respect to such Defaulting Lender's portion of the Letters of Credit shall be payable to the Issuing Lenders and the Swing Line Lender, *pro rata*, until such Participation Obligations are Cash Collateralized, reallocated and/or repaid in full.

(c) So long as any Revolving Facility Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the exposure of the L/C Participants in respect of such Letter of Credit will be 100% covered by the Revolving Facility Commitments of the Non-Defaulting Lenders and/or Cash Collateral will be provided by the Borrowers in accordance with Section 4.18(b), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.5 (and Defaulting Lenders shall not participate therein), and (ii) the Swing Line Lender shall not be required to advance any Swing Line Loan, unless it is satisfied that the remaining Revolving Facility Lenders' exposure in respect of such Swing Line Loan will be 100% covered by the Revolving Facility Commitments of the Non-Defaulting Lenders.

(d) So long as any Lender is a Defaulting Lender, such Defaulting Lender shall not be a Qualified Counterparty with respect to any Commodity OTC Agreements or Financial Hedging Agreements, or a Qualified Cash Management Bank with respect to a Cash Management Bank Agreement, entered into while such Lender is a Defaulting Lender.

(e) In the event that the Administrative Agent, the Borrowers' Agent, each Issuing Lender and the Swing Line Lender, each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Participation Obligations under such Facility shall be readjusted to reflect the inclusion of such Defaulting Lender's Commitment under such Facility, and on such date each Lender under such Facility shall purchase at par such of the Loans, funded Participation Obligations and Commitments under such Facility as the Collateral Agent shall determine may be necessary in order for such Lender to hold such Loans, funded Participation Obligations and Commitments in accordance with its Revolving Facility Commitment Percentage with respect to such Facility.

SECTION 5. REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans and provide other extensions of credit hereunder, the Loan Parties hereby jointly and severally represent and warrant to each Agent and each Lender as of the Restatement Effective Date and each Borrowing Date that:

5.1 Financial Condition. (a) The financial statements delivered to the Agents pursuant to Section 7.1(a), including the related schedules and notes thereto, (i) have been prepared in accordance with GAAP, in each case applied consistently throughout the periods involved (except as approved by such accountants and as disclosed therein) and (ii) are complete and correct and present fairly in all material respects the financial condition of the Loan Parties as at such date.

(b) The financial statements delivered to the Agents pursuant to Section 7.1(b), including the related schedules and notes thereto, (i) have been prepared in accordance with GAAP, in each case applied consistently throughout the periods involved (except as approved by such accountants and as disclosed therein) and (ii) are complete and correct and present fairly in all material respects the financial condition of the Loan Parties as at such date.

(c) The Annual Budgets have been prepared in good faith under the direction of a Responsible Person of the Borrowers' Agent. The Annual Budgets were based upon good faith estimates and assumptions believed by the Loan Parties to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount.

(d) Except as set forth in the Disclosure Letter, no Loan Party has as of the Restatement Effective Date any material Guarantee Obligation, contingent liability or liability for taxes, or any material long-term lease or unusual forward or long-term commitment, including, without limitation, any material interest rate or foreign currency swap or exchange transaction or other financial derivative which is not reflected in the foregoing statements or in the notes thereto.

5.2 No Change. Since December 31, 2017, there has been no Material Adverse Effect.

5.3 Existence; Compliance with Law. Each of the Loan Parties (a) is duly formed or organized, validly existing and in good standing under the Laws of the jurisdiction of its formation, (b) has the corporate (or analogous) power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign entity and in good standing under the Laws of each jurisdiction where such qualification is required, except where the failure to be so qualified or in good standing could not reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.4 Power; Authorization; Enforceable Obligations. Each of the Loan Parties has the corporate (or analogous) power and authority, and the legal right, to execute, deliver and perform the Loan Documents to which it is a party and to borrow hereunder and has taken all necessary corporate (or analogous) action to authorize the borrowings on the terms and conditions of this Agreement and any Notes and to authorize the execution, delivery and performance of the Loan Documents to which it is a party. Except for (a) the filing of Uniform Commercial Code financing statements and equivalent filings for foreign jurisdictions and the taking of applicable actions referred to in Section 5.16 and (b) the filings or other actions listed on Schedule 5.4 (and including, without limitation, such other authorizations, approvals, registrations, actions, notices or filings as have already been obtained, made or taken and are in full force and effect), no consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person, to which any Borrower or other Loan Party is subject, is required in connection with the borrowings hereunder or with the execution, delivery, validity or enforceability of the Loan Documents to which the Loan Parties are a party (except for any reports required to be filed by the Borrowers' Agent with the SEC pursuant to the Exchange Act). This Agreement has been, and each other Loan Document to which any Loan Party is a party will be, duly executed and delivered on behalf of such Loan Party. This Agreement constitutes, and each other Loan

Document to which it is a party when executed and delivered will constitute, a legal, valid and binding obligation of each Loan Party enforceable against such Loan Party in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

5.5 No Legal Bar. The execution, delivery and performance of the Loan Documents to which any of the Loan Parties is a party, the borrowings hereunder and the use of the proceeds thereof (i) will not violate any Requirement of Law, in each case to the extent applicable to or binding upon such Loan Party or its Properties, (ii) will not violate a material Contractual Obligation of any of the Loan Parties, except where such violation could not reasonably be expected to have a Material Adverse Effect and (iii) will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any such Requirement of Law or Contractual Obligation (other than Liens created by the Security Documents in favor of the Collateral Agent and Liens permitted by Section 8.3).

5.6 No Material Litigation. No litigation, investigation or proceeding to which a Loan Party is party before any arbitrator or Governmental Authority is pending or, to the knowledge of any Loan Party, threatened by or against any Loan Party or against any of their respective properties or revenues (a) with respect to any of the Loan Documents, (b) with respect to any of the transactions contemplated by or occurring simultaneously with the entering into of any of the Loan Documents in which such litigation, investigation or proceeding is material and has a reasonable basis in fact, or (c) which could reasonably be expected to have a Material Adverse Effect.

5.7 No Default. No Loan Party is in default under or with respect to any Contractual Obligation in any respect, which could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

5.8 Ownership of Property; Liens. Except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes and except where the failure to have such title could not reasonably be expected to have a Material Adverse Effect, each Loan Party has defensible title in fee simple to, or a valid leasehold interest in, all its real property, and good title to, or a valid leasehold interest in, all its tangible personal property, and none of such property is subject to any Lien except as permitted by Section 8.3.

5.9 Intellectual Property. Each Loan Party owns, is licensed to use or has a common law or contractual right to access and use, all material trademarks, trade names, copyrights, patents, technology, know-how and processes necessary for the conduct of its business as currently conducted (the "Intellectual Property") except for those the failure to own or license which could not reasonably be expected to have a Material Adverse Effect. Except as set forth on Schedule 5.9, no claim has been asserted nor is pending by any Person challenging or questioning the use by any such Loan Party of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property, nor does any Loan Party know of any valid basis for any such claim, except any claim that could not reasonably be expected to have a Material Adverse Effect. The use of such Intellectual Property by the Loan Parties does not infringe on the rights of any Person, except for such claims and infringements that, in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

5.10 No Burdensome Restrictions. No Requirement of Law or Contractual Obligation of any Loan Party has or could reasonably be expected to have a Material Adverse Effect.

5.11 Taxes. (a) Each Loan Party and each of its Subsidiaries has timely filed or caused to be filed all material Tax returns required to be filed and has timely paid all material Taxes due and payable by it or imposed with respect to any of its property and all other material fees or other charges imposed on it or any of its property by any Governmental Authority (other than any Taxes the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the Loan Parties).

(b) There are no Liens for Taxes and no claim is being asserted with respect to Taxes, except for statutory liens for Taxes not yet due and payable or for Taxes the amount or validity of which are currently being contested in good faith by appropriate proceedings and, in each case, with respect to which reserves in conformity with GAAP have been provided on the books of the Borrowers.

5.12 Federal Regulations. No part of the proceeds of any Loan or Letter of Credit will be used for “purchasing” or “carrying” any “margin stock” within the respective meanings of each of the quoted terms under Regulation U, or for any purpose which violates, or which would be inconsistent with, the provisions of the regulations of the Board. If requested by any Lender or the Collateral Agent, the Borrowers will furnish to the Collateral Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1 referred to in said Regulation U.

5.13 ERISA. Neither a Reportable Event nor a failure to satisfy the minimum funding requirements of Section 412 or 430 of the Code has occurred during the six-year period prior to the date on which this representation is made or deemed made or is reasonably expected to occur with respect to any Single Employer Plan, no Plan is reasonably expected to be in “at risk” status within the meaning of Section 430 of the Code and each Plan (including, to the knowledge of the Loan Parties, a Multiemployer Plan or a multiemployer welfare plan maintained pursuant to a collective bargaining agreement) has complied in all respects with the applicable provisions of ERISA, the Code and the constituent documents of such Plan, except in each of the foregoing cases for circumstances that, in the aggregate, could not reasonably be expected to have a Material Adverse Effect. No termination of a Single Employer Plan has occurred during such six-year period or is reasonably expected to occur (other than a termination described in Section 4041(b) of ERISA), and no Lien in favor of the PBGC or a Plan has arisen during such six-year period or is reasonably expected to arise. Except to the extent that any such excess could not reasonably be expected to have a Material Adverse Effect, the present value of all accrued benefits under each Single Employer Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits. Except to the extent that such liability could not reasonably be expected to have a Material Adverse Effect, neither the Loan Parties nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan, and the Loan Parties would not become subject to any liability under ERISA if a Loan Party or any Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made. To the knowledge of the Loan Parties, no such Multiemployer Plan is in Reorganization, Insolvent or terminating or is reasonably expected to be in Reorganization, become Insolvent or be terminated or is, or is reasonably expected to be in endangered, seriously endangered or critical status, in each case within the meaning of Section 432 of the Code. Except to the extent that any such excess could not reasonably be expected to have a Material Adverse Effect, the present value (determined using actuarial and other assumptions which are reasonable in respect of the benefits provided and the employees participating) of the aggregate liabilities of the Loan Parties and each Commonly Controlled Entity for the provision of post-retirement benefits to their current and former employees under Plans which are welfare benefit plans (as defined in Section 3(1) of ERISA) do not, in the aggregate, exceed the total assets under all such Plans allocable to such benefits except as disclosed in the financial statements of the Loan Parties.

Neither the Loan Parties nor any Commonly Controlled Entity has engaged in a prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code in connection with any Plan that would subject any Loan Party to liability under ERISA and/or Section 4975 of the Code that could reasonably be expected to have a Material Adverse Effect. There is no other circumstance which may give rise to a liability in relation to any Plan that could reasonably be expected to have a Material Adverse Effect.

5.14 Investment Company Act; Other Regulations. None of the Loan Parties is required to register as an “investment company”, or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940. The Loan Parties are not subject to regulation under any federal or state statute or regulation (other than Regulation X of the Board) which limits their ability to incur Indebtedness.

5.15 Subsidiaries. Schedule 5.15 sets forth as of the Restatement Effective Date the names of all direct or indirect Subsidiaries of the Borrowers (other than the Excluded Subsidiaries), their respective forms of organization, their respective jurisdictions of organization, the total number of issued and outstanding shares or other interests of Capital Stock thereof, the classes and number of issued and outstanding shares or other interests of Capital Stock of each such class, and with respect to the Borrowers (other than the Borrowers’ Agent), the name of each holder of Capital Stock thereof and the number of shares or other interests of such Capital Stock held by each such holder and the percentage of all outstanding shares or other interests of such class of Capital Stock held by such holders.

5.16 Security Documents. (a) The provisions of the Security Documents are effective to create in favor of the Collateral Agent for the ratable benefit of the Secured Parties a legal, valid and enforceable Lien in all right, title and interest of each Loan Party party thereto in the “Collateral” described therein, subject to any Liens permitted by Section 8.3.

(b) When proper financing statements or other applicable filings listed in Schedule 5.16 have been filed in the offices in the jurisdictions listed in Schedule 5.16, the security interest granted under the Security Agreement shall constitute a perfected first Lien on, and security interest in, all right, title and interest of the Borrowers and those Loan Parties party thereto in the portion of the “Collateral” described therein, subject to any Liens permitted by Section 8.3.

(c) When an Account Control Agreement has been entered into with respect to each Pledged Account, the Security Agreement shall constitute a Perfected First Lien on, and security interest in, all right, title and interest of the Loan Party party thereto in the portion of the “Collateral” described therein that consists of Pledged Accounts, prior and superior in right to any other Person, subject to any Permitted Cash Management Liens.

5.17 Accuracy and Completeness of Information. All written factual information, reports and other papers and data with respect to the Loan Parties (other than the Projections (as defined below) and information of a general economic or industry-specific nature) furnished pursuant to this Agreement and the other Loan Documents, and all factual statements and representations made in writing, to the Agents, the Lead Arranger, or the Lenders by any Loan Party were, at the time the same were so furnished or made, when taken together with all such other factual written information, reports and other papers and data previously so furnished and all such other factual statements and representations previously so made in writing, complete and correct in all material respects, to the extent necessary to give the Agents, the Lead Arranger, and the Lenders true and accurate knowledge of the subject matter thereof in all material respects, and did not, as of the date so furnished or made, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements contained therein not misleading in light of the circumstances in which the same were made. The financial estimates, projected financial information and other forward-looking statements (the

“Projections”) contained in the materials referenced above were based upon good faith estimates and assumptions believed by the Loan Parties to be reasonable at the time made, it being recognized by the Agent, the Lead Arranger, and the Lenders that such Projections are not to be viewed as fact and that actual results during the period or periods covered by such Projections may differ from the projected results set forth therein by a material amount. No representation or warranty is made with respect to information of a general economic or industry-specific nature.

5.18 Labor Relations. No Loan Party is engaged in any unfair labor practice which could reasonably be expected to have a Material Adverse Effect. Except as could not reasonably be expected to have a Material Adverse Effect, there is (a) no unfair labor practice complaint pending or, to the best knowledge of each Loan Party, threatened against a Loan Party before the National Labor Relations Board and no grievance or arbitration proceeding arising out of or under a collective bargaining agreement is so pending or, to the knowledge of any Loan Party, threatened, (b) no strike, labor dispute, slowdown or stoppage pending or threatened against a Loan Party, and (c) no union representation question existing with respect to the employees of a Loan Party and, no union organizing activities are taking place with respect to any thereof.

5.19 Insurance. As of the Restatement Effective Date, each Loan Party has, with respect to its properties and business, insurance covering the risks, in the amounts, with deductibles or other retention amounts, and with the carriers listed in the Disclosure Letter, which insurance meets the requirements of Section 7.5 hereof as of the Restatement Effective Date.

5.20 Solvency. (a) As of the Restatement Effective Date, and each other Borrowing Date, immediately after giving effect to Loans and Letters of Credit to be made, issued or provided on such date, (i) the amount of the “present fair saleable value” of the assets of each Borrower and of the Loan Parties and their respective Subsidiaries, taken as a whole, will, as of such time, exceed the amount of all “liabilities of each Borrower and of the Loan Parties and their respective Subsidiaries, taken as a whole, contingent or otherwise”, such quoted terms are determined in accordance with applicable federal and state Laws governing determinations of the insolvency of debtors, (ii) the present fair saleable value of the assets of each Borrower and of the Loan Parties and their respective Subsidiaries, taken as a whole, will be greater than the amount that will be required to pay the liabilities of the Loan Parties and their Subsidiaries, taken as a whole, on their respective debts as such debts become absolute and matured, (iii) each Borrower and of the Loan Parties and their respective Subsidiaries, taken as a whole, will not have an unreasonably small amount of capital with which to conduct their respective businesses, and (iv) each Borrower and of the Loan Parties and their respective Subsidiaries, taken as a whole, will be able to pay their respective debts as they mature. For purposes of this Section 5.20, “debt” means “liability on a claim”, “claim” means any (x) right to payment, whether or not such a right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured, and (y) right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured or unmatured, disputed, undisputed, secured or unsecured.

5.21 Use of Letters of Credit and Proceeds of Loans. (a) The proceeds of the Revolving Facility Loans shall be used only (A) to finance the Loan Parties’ purchase, storage and sale of Eligible Commodities, (B) for hedging related to the purchase, storage and sale of Eligible Commodities, (C) to finance the carrying of accounts receivable, (D) for the payment of contractual margin calls (with respect to exchange-traded contracts, over-the-counter contracts and otherwise) or establishment of reserves in connection therewith, (E) to refinance all or portion of the Existing Credit Agreement, (F) pay any fees and expenses payable to the Lenders, the Agents and any other Secured Parties, and for the general working capital purposes of the Loan Parties, and (F) for other general corporate purposes.

(b) Letters of Credit shall be used only (i) for the general working capital purposes of the Loan Parties, (ii) to facilitate and finance the purchase of Eligible Commodities for resale or storage, and (iii) to secure the obligations of any Loan Party under any contract or agreement or in connection with any legal requirement or governmental permit, such as transportation obligations, bonding obligations, performance and margin-related obligations related to hedging of Eligible Commodities.

5.22 Environmental Matters. Except as set forth on Schedule 5.22:

(a) To each Loan Party's knowledge, the facilities and properties owned, leased or operated by the Loan Parties (the "Properties") do not contain, and have not previously contained, any Materials of Environmental Concern in amounts or concentrations which (i) constitute or constituted a violation of, or (ii) could give rise to liability under, any Environmental Law except in either case insofar as such violation or liability, or any aggregation thereof, is not reasonably likely to result in a Material Adverse Effect.

(b) To each Loan Party's knowledge, (i) except where the failure to be in compliance could not reasonably be expected to have a Material Adverse Effect, the Properties and all operations at the Properties are in compliance, and have, for the lesser of the last five years or for the duration of their ownership, lease, or operation by Loan Parties, been in compliance in all material respects with all applicable Environmental Laws and Environmental Permits, and (ii) there is no contamination at, under or about the Properties or violation of any Environmental Law or Environmental Permit with respect to the Properties or the business at the Properties operated by Loan Parties (the "Business") which could materially interfere with the continued operation of the Properties or materially impair the fair saleable value thereof. All Environmental Permits necessary in connection with the ownership and operation of each Loan Party's business have been obtained and are in full force and effect, except where any such failure to obtain and maintain in full force and effect (individually or in the aggregate) has not had and is not reasonably likely to result in a Material Adverse Effect.

(c) No Loan Party has received any written notice of violation, alleged violation, non-compliance, liability or potential liability pursuant to Environmental Laws or Environmental Permits with regard to any of the Properties or the Business, nor do the Loan Parties have knowledge or reason to believe that any such notice will be received or is being threatened, except insofar as such notice or threatened notice, or any aggregation thereof, does not involve a matter or matters that is or are reasonably likely to result in a Material Adverse Effect.

(d) To each Loan Party's knowledge, Materials of Environmental Concern have not been transported or disposed of from the Properties in violation of, or in a manner or to a location which could give rise to liability under, any Environmental Law, nor have any Materials of Environmental Concern been generated, treated, stored or disposed of at, on or under any of the Properties in violation of, or in a manner that could give rise to liability under, any applicable Environmental Law, except insofar as any such violation or liability referred to in this paragraph, or any aggregation thereof, is not reasonably likely to result in a Material Adverse Effect.

(e) No judicial proceeding or governmental or administrative action is pending or, to the knowledge of any Loan Party, threatened, under any Environmental Law to which any Loan Party is or will be named as a party with respect to any of the Properties or the Business, nor are there any consent decrees or other decrees, consent orders, administrative orders or other orders, or other administrative or judicial requirements or liens outstanding under any Environmental Law with respect to any of the Properties or the Business, except insofar as such proceeding, action, decree, order or other requirement or lien, or any aggregation thereof, is not reasonably likely to result in a Material Adverse Effect.

(f) There has been no release or threat of release of Materials of Environmental Concern at or from any of the Properties arising from or related to the operations of any Loan Party in connection with any of the Properties or otherwise in connection with the Business in violation of or in amounts or in a manner that could give rise to liability under Environmental Laws, except insofar as any such violation or liability referred to in this paragraph, or any aggregation thereof, is not reasonably likely to result in a Material Adverse Effect.

5.23 Foreign Corrupt Practices Act. No part of the proceeds of the Loans or Letters of Credit shall be used, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended (the “FCPA”).

5.24 Sanctions Laws. (b) Senior Secured Leverage Ratio. Permit, as of the last day of any fiscal quarter to occur following the Additional Indebtedness Incurrence Date, the Senior Secured Leverage Ratio for the twelve-month period ending on such day to exceed the Maximum Senior Secured Leverage Ratio applicable as of such day in accordance with the definition thereof.

(c) Minimum Consolidated Interest Coverage Ratio. Permit, as of the last day of any fiscal quarter starting with the fiscal quarter ending March 31, 2018, the Consolidated Interest Coverage Ratio for the twelve-month period ending on such day to be less than the Minimum Consolidated Interest Coverage Ratio as of such day in accordance with the definition thereof.

(d) Equity Cure Rights.

(g) (i) Any Person that is a fiduciary, party-in-interest or disqualified person with respect to a Plan shall engage in any non-exempt “prohibited transaction” (as defined in Section 406 of ERISA or Section 4975 of the Code) involving such Plan; (ii) any failure to satisfy the minimum funding requirements of Section 412 or 430 of the Code, whether or not waived, shall occur with respect to any Plan, a Plan shall obtain “at risk” status within the meaning of Section 430 of the Code or any Lien in favor of the PBGC or a Plan shall arise on the assets of any Loan Party or any Commonly Controlled Entity; (iii) a Reportable Event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Single Employer Plan, which Reportable Event or commencement of proceedings or appointment of a trustee is, in the reasonable opinion of the Required Lenders, likely to result in the termination of such Plan for purposes of Title IV of ERISA; (iv) any Single Employer Plan shall terminate pursuant to Section 4041(c) or 4042 of ERISA; (v) the Loan Parties or any Commonly Controlled Entity incur any liability in connection with a complete or partial withdrawal from, or the Insolvency, Reorganization or termination of, a Multiemployer Plan or any such Multiemployer Plan obtains endangered, seriously endangered or critical status, in each case within the meaning of Section 432 of the Code; or (vi) any other event or condition shall occur or exist with respect to a Plan; and in each case in clauses (i) through (vi) above, such event or condition, together with all other such events or conditions, if any, could reasonably be expected to have a Material Adverse Effect; or

(h) One or more judgments or decrees shall be entered against any Loan Party involving in the aggregate a liability (to the extent not paid or covered by insurance) of \$5,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within thirty (30) days from the entry thereof; or

(i) (i) Any of the Security Documents shall cease, for any reason, to be in full force and effect, or any Loan Party shall so assert or (ii) the Lien created by any of the Security Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby (other than, in each case, by reason of the express release thereof pursuant to Section 11.5) against any portion of Collateral with a value exceeding \$500,000; or

(j) The Guaranty shall cease, for any reason (other than by reason of the express release thereof pursuant to Section 11.5), to be in full force and effect or any Loan Party or any Affiliate of any Loan Party shall so assert; or

(k) Any Change of Control shall occur;

then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of Section 9.1(f) hereof with respect to a Borrower, the Commitments shall immediately and automatically terminate and the Loans and Reimbursement Obligations (except as provided in the following paragraph) hereunder (with accrued interest thereon) and all other amounts owing under this Agreement shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrowers’ Agent declare the Commitments to be terminated forthwith, whereupon the Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrowers’ Agent, declare the Loans and, except as provided in the following paragraph, Reimbursement Obligations hereunder (with accrued interest thereon) and all other amounts owing under this Agreement (including, without limitation, all amounts of L/C Obligations) to be due and payable forthwith, whereupon the same shall immediately become due and payable.

With respect to all outstanding Letters of Credit with respect to which demand for payment shall not have occurred at the time of an acceleration pursuant to the preceding paragraph, the Borrowers shall at such time Cash Collateralize the aggregate then-undrawn and unexpired amount of such Letters of Credit. The Borrowers hereby grant to the Collateral Agent, for the benefit of the Issuing Lenders, the Lenders, the L/C Participants and the other Secured Parties, a security interest in such Cash Collateral to secure all obligations of the Borrowers under this Agreement and the other Loan Documents and all other Obligations. Cash Collateralized amounts shall be applied by the Collateral Agent to the payment of drafts drawn under such Letters of Credit, and fees owing with respect to such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other obligations of such Borrowers hereunder and under the Notes and any other Obligations. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other obligations of each Borrower hereunder and under the Notes and all other Obligations shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the applicable Borrower. The Borrowers shall execute and deliver to the Collateral Agent, for the account of the Issuing Lenders, the Lenders, the L/C Participants and the other Secured Parties, such further documents and instruments as the Collateral Agent may reasonably request to evidence the creation and perfection of the security interest in such Cash Collateral account.

SECTION 10. THE AGENTS

10.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

(b) Each Qualified Counterparty and each Qualified Cash Management Bank, pursuant to the terms of the applicable Hedging Agreement Qualification Notification and/or by accepting the grant by the Loan Parties of the security interest in the Collateral pursuant to the Security Documents, hereby irrevocably designates and appoints the Agents as the agents of such Qualified Counterparty or Qualified Cash Management Bank under this Agreement and the other Loan Documents, and each such Qualified Counterparty and Qualified Cash Management Bank irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Qualified Counterparty or Qualified Cash Management Bank, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

10.2 Delegation of Duties. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys in-fact selected by it with reasonable care.

10.3 Exculpatory Provisions. Neither any Agent nor any of its officers, directors, employees, agents, attorneys-in-fact, Subsidiaries or Affiliates (each, an “Agent-Related Person”) shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except for its or such Person’s own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or Collateral Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. In no event shall the Agents be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether such Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

10.4 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any Note, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, teletype, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrowers or any other Loan Party), independent accountants and other experts selected by such Agent with reasonable care. The Agents may deem and treat the payee of any Note as the owner thereof for all purposes unless a notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater percentage of Lenders as shall be required therefor under Section 11.1) as it deems appropriate or as otherwise required by Section 11.1 or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or such greater percentage of Lenders as shall be required therefor under Section 11.1) and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders and all future holders of the Loans and all other Obligations.

10.5 Notice of Default. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless such Agent has received notice from a Lender, or the Borrowers’ Agent or any other Loan Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Agents shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until an Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

10.6 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that none of the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact, Subsidiaries or Affiliates has made any representations or warranties to it and that no act by any Agent hereinafter taken, including any review of the affairs of the Borrowers or any Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties and made its own decision to extend credit to the Borrowers hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrowers and other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent or the Collateral Agent hereunder or under any of the other Loan Documents, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Borrowers or any other Loan Party which may come into the possession of such Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact, Subsidiaries or Affiliates. Without limiting the generality of the foregoing, no Agent shall have any duty to monitor the assets of the Loan Parties or the reporting requirements or the contents of reports delivered by the Borrowers' Agent. Each Lender assumes the responsibility of keeping itself informed at all times.

10.7 Indemnification. The Lenders agree to indemnify each Agent and each other Agent-Related Person on an after-Tax basis in its capacity as such (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), ratably according to their respective Revolving Facility Commitment Percentages in effect on the date on which indemnification is sought, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the payment of the Loans and Reimbursement Obligations and the cash collateralization of the L/C Obligations) be imposed on, incurred by or asserted against such Agent or such Agent-Related Person in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing (including the fees and expenses of such Agent's or such Agent-Related Person's counsel); provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely from such Agent's or such Agent-Related Person's gross negligence or willful misconduct. The agreements in this Section 10.7 shall survive the payment of the Loans, Reimbursement Obligations and all amounts payable hereunder and the cash collateralization of the L/C Obligations.

10.8 Agents in Their Individual Capacity. Each Agent and its Subsidiaries and Affiliates may make loans and other extensions of credit to, accept deposits from and generally engage in any kind of business with the Borrowers and the other Loan Parties and their Subsidiaries and Affiliates as though such Agent were not an Agent hereunder and under the other Loan Documents. With respect to the Loans and other extensions of credit made by it hereunder, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

10.9 Successor Agents. The Administrative Agent and the Collateral Agent may resign as the Administrative Agent or the Collateral Agent, as applicable, upon thirty (30) days' notice to the Borrowers' Agent and the Lenders. If the Administrative Agent or the Collateral Agent shall resign as the Administrative Agent or the Collateral Agent, as applicable, under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders (unless no Lender is willing to act as such Agent, in which case such Agent may be any Person approved by the Required Lenders) a successor Administrative Agent or Collateral Agent, as applicable, for the Lenders, which successor Administrative Agent or Collateral Agent shall be approved by the Borrowers' Agent (which approval shall not be unreasonably withheld and shall not be required during the continuance of an Event of Default), whereupon such successor Administrative Agent or Collateral Agent shall succeed to the rights, powers and duties of the Administrative Agent or the Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent", as applicable, shall mean such successor Administrative Agent or the Collateral Agent effective upon such appointment and approval, and the former Administrative Agent's or Collateral Agent's rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or Collateral Agent, as applicable, or any of the parties to this Agreement or any holders of the Loans or other Obligations. After any retiring Administrative Agent's or Collateral Agent's resignation as Administrative Agent or Collateral Agent, the provisions of this Section 10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents. If no successor Administrative Agent or Collateral Agent has accepted appointment as Administrative Agent or Collateral Agent by the date which is thirty (30) days following a retiring Administrative Agent's or Collateral Agent's, as applicable, notice of resignation, the retiring Administrative Agent's or Collateral Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of such Administrative Agent or Collateral Agent, as applicable, hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

10.10 Collateral Matters. (a) The Collateral Agent is authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from the Lenders, from time to time to take any action with respect to any Collateral or the Loan Documents which may be necessary to perfect and maintain perfected the security interest in and Liens upon the Collateral granted pursuant to the Loan Documents.

(b) The Lenders, and each Qualified Counterparty and each Qualified Cash Management Bank (pursuant to the terms of the applicable Hedging Agreement Qualification Notification and/or by accepting the grant by the Loan Parties of the security interest in the Collateral pursuant to the Security Documents), irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon termination of the Commitments, and payment in full of all Loans and all other Obligations known to the Collateral Agent and payable under this Agreement or any other Loan Document (except indemnification obligations for which no claim has been made and of which no Responsible Person of any Loan Party has knowledge or any obligations owed under a Commodity OTC Agreement with a Qualified Counterparty, any Financial Hedging Agreement with a Qualified Counterparty or any Cash Management Bank Agreement with a Qualified Cash Management Bank); (ii) constituting property sold or to be sold or disposed of as part of or in connection with any sale, transfer or other disposition permitted hereunder; (iii) constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; (iv) constituting property leased to any Loan Party under a lease which has expired or been

terminated in a transaction permitted under this Agreement or is about to expire and which has not been, and is not intended by the Borrowers to be, renewed or extended; (v) consisting of an instrument evidencing Indebtedness or other debt instrument, if the indebtedness evidenced thereby has been paid in full; or (vi) if approved, authorized or ratified in writing by the portion of the Lenders required by Section 11.1. Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 10.10; provided that the absence of any such confirmation for whatever reason shall not affect the Collateral Agent's rights under this Section 10.10.

(c) The Collateral Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Collateral Agent shall not be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

10.11 Force Majeure. The Agents shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Agents (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

SECTION 11. MISCELLANEOUS

11.1 Amendments and Waivers. Neither this Agreement nor any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 11.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents with the Loan Parties party thereto for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights and obligations of the Lenders or of the Loan Parties party thereto hereunder or thereunder or (b) waive or consent to any departure from, prospectively, concurrently or retrospectively, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver or consent and no such amendment, supplement or modification shall:

(i) reduce the amount or extend the scheduled date of maturity of any Loan or payment Obligation hereunder or any installment thereof (excluding mandatory prepayments), or extend the due date for any Reimbursement Obligation, or reduce the stated rate of any interest or fee payable hereunder or extend the scheduled date of any payment thereof or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the additional written consent of each Lender affected thereby, or

(ii) [reserved]; or

(iii) amend, modify or waive any provision of this Section 11.1 or change the percentage specified in the definition of Required Lenders or consent to the assignment or transfer by the Borrowers' Agent of any of their rights and obligations under this Agreement and the other Loan Documents, in each case without the written consent of all of the Lenders, or

(iv) consent to the release by the Collateral Agent of all or substantially all of the Collateral or release any guarantor from its Guarantee Obligations under the Guaranty or provide for the Collateral or the Guaranty to no longer secure or guarantee all Obligations ratably, without the written consent of all of the Lenders, except to the extent such release is permitted or required under this Agreement, or

(v) amend, modify or waive any provision of Section 10, or any other provision affecting the rights, duties or obligations of any Agent, without the written consent of any Agent directly affected thereby, or

(vi) amend, modify or waive any provision of Section 3, or any provision of Section 11.7(c) affecting the right of the Issuing Lenders to consent to certain assignments thereunder, without the written consent of the Issuing Lenders or any other provision affecting the rights, duties or obligations of any Issuing Lenders, without the additional written consent of any Issuing Lender directly affected thereby.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans and other Obligations. In the case of any waiver, the Loan Parties, the Lenders and the Agents shall be restored to their former positions and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

(b) Limited Use of Electronic Mail. Except as permitted otherwise in Section 11.2(d), electronic mail and internet and intranet websites may be used only to distribute routine communications, such as financial statements and other information, and to distribute Loan Documents for execution by the parties thereto, and may not be used to deliver any notice hereunder.

(c) Reliance by Agents and Lenders. The Agents and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices) purportedly given by or on behalf of the Borrowers' Agent even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify each Agent and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers' Agent. All telephonic notices to and other communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

(d) Intralinks. Each Loan Party and Lender hereby acknowledges that the Administrative Agent will make information available to the Secured Parties by posting the information on IntraLinks or another similar electronic system (the "Platform"). Each Lender hereunder agrees that any document or notice posted on the Platform by the Administrative Agent shall be deemed to have been delivered to the Lenders. The Borrowers and the Lenders further agree that, to the extent reasonably practicable, any document delivered to the Administrative Agent for purposes of compliance with any provision of this Agreement or for dissemination to any other party hereto shall be delivered to the Administrative Agent in electronic form capable of being posted to the Platform. With respect to the Platform, the parties agree and acknowledge the following:

(i) Each Loan Party understands that the distribution of materials and other communications through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the applicable Agent, as determined by a final non-appealable judgment of a court of competent jurisdiction; and

(ii) The Platform is provided “as is” and “as available”. Neither the Administrative Agent, any other Agent nor any of their respective Affiliates warrants the accuracy or completeness of the information contained on the Platform or the adequacy of the Platform and each expressly disclaims liability for errors or omissions in the information contained on the Platform. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects is made by the Administrative Agent, any other Agent or any of their respective Affiliates in connection with the information contained on the Platform.

11.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein and in the other Loan Documents provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

11.4 Survival of Representations and Warranties. All representations and warranties made herein, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other Extensions of Credit hereunder.

11.5 Release of Collateral and Guarantee Obligations. (a) Upon any sale or other transfer of any Collateral that is permitted under the Loan Documents by any Loan Party or a sale of all of the assets of, or all of the Capital Stock of, a Subsidiary in a transaction that is permitted under the Loan Documents (other than a sale, transfer or other disposition to another Loan Party), or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 10.10 hereof, the security interest in such Collateral shall automatically terminate and Collateral Agent or Administrative Agent, as the case may be, shall execute and deliver a termination or satisfaction of any Mortgage and Security Agreement affecting such Collateral, in proper form for recording.

(b) Upon any sale or other transfer of all of the Capital Stock of any Loan Party that is permitted or consented to under the Loan Documents (other than a sale or transfer to another Loan Party), the Guaranty of such Loan Party shall automatically be released and terminated.

(c) Upon termination of the Commitments and payment in full of the Loans and all other Obligations payable under this Agreement or any other Loan Document (except indemnification obligations for which no claim has been made and of which no Responsible Person of any Loan Party has knowledge) and the termination or expiration of all Letters of Credit, the pledge and security interest granted pursuant to this Agreement and the other Loan Documents shall automatically terminate and all rights to the Collateral shall revert to the applicable Loan Party. Upon any such termination or pursuant to any termination or release as described in Section 11.5(a), the Collateral Agent will, at the applicable Loan Party's expense, execute and deliver to such Loan Party such documents as such Loan Party shall reasonably request to evidence such termination.

11.6 Payment of Costs and Expenses. The Borrowers agree (a) to pay or reimburse each Agent and the Lead Arranger for all its reasonable and documented out-of-pocket costs and expenses incurred in connection with the development, preparation, negotiation, execution, delivery and administration of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including, without limitation, the reasonable and documented fees and disbursements of one counsel to the Agents and the Lead Arranger (including the fees and expenses of Hunton & Williams LLP), (b) to pay or reimburse each Lender, the Swing Line Lender, each Issuing Lender, each Agent and the Lead Arranger, for all its documented costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including, without limitation, the documented fees and disbursements of counsel to each Lender, the Lead Arranger, the Swing Line Lender and each Issuing Lender and of counsel to the Agents, (c) to pay or reimburse the Agents and the Lead Arranger for its documented costs and expenses incurred in connection with inspections performed pursuant to Section 7.9, and any other due diligence performed in connection with this Agreement and the other Loan Documents, including the reasonable and documented fees and disbursements of counsel to the Agents (including the fees and expenses of Hunton & Williams LLP), (d) to pay, indemnify, and hold each Lender, the Swing Line Lender, the Issuing Lenders, each Agent and the Lead Arranger harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other similar taxes (except to the extent the Borrowers have otherwise indemnified such Person for such taxes under Section 4.11(b)), if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent (including the determination of whether or not any such waiver or consent is required) under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (e) on a net after-Tax basis, to pay, indemnify, and hold each Lender, the Issuing Lenders and the Agents, and each of their respective officers, employees, directors, trustees, agents, advisors, affiliates, partners and controlling persons (each, an “Indemnitee”), harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever other than Taxes (as to which Section 4.10 and Section 4.11 shall govern) with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, and any such other documents, including, without limitation, any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrowers and any of its Subsidiaries, or any of the Properties, including the fees and expenses of such Indemnitee’s counsel (all the foregoing in this clause (e), collectively, the “Indemnified Liabilities”); provided that the Borrowers shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are (x) found by a final, non-appealable judgment of a court of competent jurisdiction (unless settled by final binding mediation or final determination by another form of alternative dispute resolution chosen by the parties) to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if such Loan Party has obtained a final, non-appealable judgment of a court of competent jurisdiction (unless settled by final binding mediation or final determination by another form of alternative dispute resolution chosen by the parties) in its favor on such claim. The agreements in this Section 11.6 shall survive repayment of the Loans, Reimbursement Obligations and all other amounts payable hereunder. This Section 11.6 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

11.7 Successors and Assigns; Participations and Assignments. (a) This Agreement shall be binding upon and inure to the benefit of the Borrowers, the Lenders, the Agents and their respective successors and assigns, except as otherwise provided in Section 8.4, that no Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of each Lender (and any purported such assignment or transfer by such Borrower without such consent of each Lender shall be null and void).

(b) Any Lender may, in accordance with applicable Law, at any time sell to one or more banks, financial institutions or other entities (individually, a "Participant" and, collectively, the "Participants") participating interests in any Loan or Reimbursement Obligation owing to such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents (a "Participation"). In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan, Reimbursement Obligation or other interest for all purposes under this Agreement and the other Loan Documents, and the Borrowers and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents, except with respect to Sections 4.10 and 4.11, under which the Participant has certain rights with respect thereto. In no event shall any Participant under any such Participation have any right to approve any amendment to or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or the stated rate of interest on, the Loans, Reimbursement Obligation or any fees payable hereunder, or postpone the date of the final maturity of the Loans or Reimbursement Obligations, in each case to the extent subject to such Participation (and, for the avoidance of doubt, the Borrowers may exercise any rights granted to it in Section 4.17 with respect to the Lender that sold a Participation to such Participant to the extent that the direction by such Participant to such Lender to not consent to any such amendment would cause the applicable Lender to be subject to the provisions of Section 4.17). The Borrowers agree that if amounts outstanding under this Agreement are due or unpaid during an Event of Default, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable Law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement; provided that in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 11.8(a) as fully as if it were a Lender hereunder. The Borrowers also agree that each Participant shall be entitled to the benefits of, and bound by the obligations imposed on the Lenders in, Sections 4.10, 4.11 and 4.14 with respect to its Participation in the Commitments and the Loans and other extensions of credit hereunder outstanding from time to time as if it were a Lender.

(c) Any Lender may, in accordance with applicable Law, at any time and from time to time assign to any Lender or any Subsidiary, Affiliate or Approved Fund thereof, or, with the consent of the Collateral Agent, and, in the case of an assignment of the Revolving Facility Commitment, the Issuing Lenders, and Swing Line Lender, and, so long as no Default or Event of Default has occurred and is continuing, the Borrowers' Agent (which consent shall not be unreasonably withheld or delayed), to any other Person (the "Assignee"), all or any part of its rights and obligations under this Agreement and the other Loan Documents pursuant to an Assignment and Acceptance, substantially in the form of Exhibit F, appropriately completed (an "Assignment and Acceptance"), executed by such Assignee, such assigning Lender (and, in the case of an Assignee that is not then a Lender or any Subsidiary, Affiliate or Approved Fund thereof, by the Collateral Agent, and in the case of an Assignment of the Revolving Facility Commitment, the Issuing Lenders, and Swing Line Lender, and, so long as no Default or Event of Default has occurred and is continuing and the Borrowers' Agent is not deemed to consent to such assignment, the Borrowers' Agent) and attaching the Assignee's relevant tax forms, administrative details

and wiring instructions, and delivered to the Administrative Agent for its acceptance and recording in the Register; provided that (i) each such assignment to an Assignee (other than any Lender) shall be in an aggregate principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof (other than in the case of (A) an assignment of all of a Lender's interests under this Agreement or (B) an assignment to another Lender, a Subsidiary, an Affiliate or an Approved Fund of such assigning Lender), unless otherwise agreed by the Collateral Agent and, so long as no Default or Event of Default has occurred and is continuing, the Borrowers' Agent (such amount to be aggregated in respect of assignments by to any Lender and the affiliates or Approved Funds thereof), (ii) in the case of an assignment by a Lender to a Bank CLO managed by such Lender or an affiliate of such Lender, unless such assignment to such Bank CLO has been consented to by the Collateral Agent, and in the case of an Assignment of the Revolving Facility Commitment, the Issuing Lenders, and the Swing Line Lender, and, so long as no Default or Event of Default has occurred and is continuing, the Borrowers' Agent (such consent not to be unreasonably withheld or delayed), the assigning Lender shall retain the sole right to approve any amendment, waiver or other modification of this Agreement or any other Loan Document; provided that the Assignment and Acceptance between such Lender and such Bank CLO may provide that such Lender will not, without the consent of such Bank CLO, agree to any amendment, modification or waiver that requires the consent of each Lender directly affected thereby pursuant to Section 11.2, and (iii) each Assignee shall comply with the provisions of Section 4.11(e) and (iv) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitments assigned, and each Lender assigning all or a portion of its rights and obligations must do so on a pro rata basis among the two separate Facilities. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder with Commitments as set forth therein, and (y) the assigning Lender thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such assigning Lender shall cease to be a party hereto). Notwithstanding any provision of this paragraph (c) and paragraph (e) of this Section 11.7, (x) the consent of the Borrowers' Agent shall not be required, and, unless requested by the Assignee and/or the assigning Lender, new Notes shall not be required to be executed and delivered by the Borrowers' Agent, for any assignment which occurs at any time when any of the events described in Section 9.1(f) shall have occurred and be continuing and (y) the Borrowers' Agent shall be deemed to have consented to any assignment that requires such consent pursuant to the terms thereof unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.7 shall be treated for purposes of this Agreement as a sale by such Lender of a Participation in such rights and obligations in accordance with Section 11.7(b).

(d) The Administrative Agent, on behalf of the Borrowers, shall maintain at the address of the Administrative Agent referred to in Section 11.2 a copy of each Assignment and Acceptance delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders (including all Assignees and successors) and the Commitments of, and principal amounts of the Loans and other Obligations owing to, each Lender from time to time. The entries made in the Register shall, to the extent permitted by applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrowers therein recorded (absent manifest error), and the Borrowers, the Administrative Agent and the Lenders may (and, in the case of any Loan or other Obligation hereunder not evidenced by a Note, shall) treat each Person whose name is recorded in the Register as the owner of a Loan or other Obligation hereunder as the owner thereof for all purposes of this Agreement and the other Loan Documents, notwithstanding any notice to the contrary; provided, however, that the failure of the Administrative Agent to maintain the Register, or any error therein, shall not in any manner

affect the obligation of the Borrowers to repay (with applicable interest) the Loans and other extensions of credit hereunder made to the Borrowers by such Lender in accordance with the terms of this Agreement. Any assignment of any Loan or other Obligation hereunder, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register. The Register shall be available for inspection by the Borrowers' Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice. The parties intend for the Loans or other Obligations to be in registered form for tax purposes and this provision shall be construed in accordance with that intent.

(e) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an Assignee (and, in the case of an Assignee that is not then a Lender (or any Subsidiary, Affiliate or Approved Fund thereof), by the Administrative Agent, and in the case of an assignment of the Revolving Facility Commitment, the Issuing Lenders, and the Swing Line Lender and, so long as no Default or Event of Default has occurred and is continuing, the Borrowers' Agent), together with payment to the Administrative Agent by the assigning Lender of a registration and processing fee of \$3,500 (other than in the case of an assignment to a Lender or an Affiliate of a Lender or any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance and (ii) on the effective date determined pursuant thereto record the information contained therein in the applicable Register and give notice of such acceptance and recordation to the Lenders and the Borrowers' Agent.

(f) The Borrowers authorize each Lender to disclose to any Participant or Assignee (each, a "Transferee") and any prospective Transferee in each case, any and all financial information in such Lender's possession concerning the Borrowers, the other Loan Parties and their Subsidiaries and Affiliates which has been delivered to such Lender by or on behalf of the Borrowers or the other Loan Parties pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrowers or other Loan Parties in connection with such Lender's credit evaluation of the Borrowers, the other the Loan Parties and their Subsidiaries or Affiliates prior to becoming a party to this Agreement; provided that such Transferee or prospective Transferee shall have agreed to be bound by the provisions of Section 11.16 hereof.

(g) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section 11.7 concerning assignments of Loans and other extensions of credit hereunder and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including, without limitation, (i) any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank in accordance with applicable Law and (ii) any pledge or assignment by a Lender which is a fund to its trustee for the benefit of such trustee and/or its investors to secure its obligations under any indenture or Governing Documents to which it is a party; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

11.8 Adjustments; Set-off. (a) If any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of its Loans or Reimbursement Obligations with regards to either Facility, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 9.1(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender under such Facility, if any, in respect of such other Lender's Loans or Reimbursement Obligations under such Facility, or interest thereon, except to the extent specifically provided hereunder, such Benefited Lender shall purchase for cash from the other Lenders under such Facility a participating interest in such portion of each such other Lender's Loans or Reimbursement Obligations under such Facility, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or

proceeds ratably with each of the Lenders under such Facility; except that with respect to any Lender that is a Defaulting Lender by virtue of such Lender failing to fund its Revolving Facility Commitment Percentage of any Loan or Participation Obligation, such Defaulting Lender's *pro rata* share of the excess payment shall be allocated to the Lender (or the Lenders, *pro rata*) that funded such Defaulting Lender's Revolving Facility Commitment Percentage thereof; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest; provided further, that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation," no amounts received from, or set off with respect to, any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor. Each Borrower agrees that each Lender so purchasing a portion of another Lender's Loans or Reimbursement Obligations may exercise all rights of payment (including, without limitation, rights of set-off) with respect to such portion as fully as if such Lender were the direct holder of such portion.

(b) In addition to any rights and remedies of the Lenders provided by Law, each Lender shall have the right, without prior notice to the Borrowers, any such notice being expressly waived by the Borrowers to the extent permitted by applicable Law, during the existence of an Event of Default, upon any amount becoming due and payable by the Borrowers hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrowers. Each Lender agrees to promptly notify the Borrowers' Agent and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off or application.

11.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile transmission or electronic mail transmission in portable document format of signature pages hereto), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission or by electronic mail in portable document format shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrowers' Agent and the Administrative Agent.

11.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.11 Integration. This Agreement and the other Loan Documents represent the agreement of the parties hereto with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties relative to subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

11.12 Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

11.13 Submission to Jurisdiction. Each Loan Party hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Loan Parties as the case may be, at their address set forth in Section 11.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by Law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by Law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

11.14 Acknowledgements. Each Loan Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) none of the Agents nor any Lender has any fiduciary relationship with or duty to the Loan Parties arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Borrowers and the other Loan Parties, on one hand, and Agents and Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders.

11.15 Waivers of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

11.16 Confidentiality. (a) Each Lender Party shall use its best efforts to (i) keep confidential (and shall cause its directors, officers, employees, representatives, agents or auditors (collectively, "Representatives") to keep confidential) all information that such Lender Party receives from or on behalf of the Loan Parties other than information that is identified by any of the Loan Parties as being non-confidential information (all such information that is not so identified being "Confidential Information"); provided that nothing in this Section 11.16 shall prevent any Lender Party from (A)

disclosing, subject to the terms and requirements of this Section 11.16, such information to a Subsidiary or an Affiliate or its Representatives, (B) disclosing Confidential Information in connection with the exercise of any remedy hereunder or (C) using Confidential Information solely for purposes of evaluating and administering the Loans and the Loan Documents, and (ii) subject to Section 11.16(d), not disclose Confidential Information to Representatives of its Trading Business.

(b) Notwithstanding anything in this Section 11.16 to the contrary, any Confidential Information may be disclosed by any Lender Party (the affected Lender Party being the “Disclosing Party”) if the Disclosing Party is compelled by judicial process or is required by Law or regulation or is requested to do so by any examiner or any other regulatory authority or recognized self-regulatory organization including, without limitation, the New York Stock Exchange, the Federal Reserve Board, the New York State Banking Department and the Securities & Exchange Commission, in each case having or asserting jurisdiction over the Disclosing Party.

(c) The obligations of each Lender Party and its Representatives under this Section 11.16 with respect to Confidential Information shall not apply to (i) any Confidential Information which, as of the date of disclosure by such Lender Party or its Representatives, is in the public domain or subsequently comes into the public domain other than as a result of a breach of the obligations of such Lender Party or its Representatives hereunder, or (ii) any Confidential Information that was or becomes available to such Lender Party or its Representatives from a person or source that is or was not, to the knowledge of such Lender Party or its Representatives, bound by a confidentiality agreement with any Loan Party or otherwise prohibited from transferring such information to any other Person, or (iii) any Confidential Information which was or becomes available to such Lender Party or its Representatives without any obligation of confidentiality prior to its disclosure by or on behalf of the Loan Parties or (iv) any Confidential Information that was developed by such Lender Party or its Representative without the use of information provided by any Loan Party.

(d) Notwithstanding anything herein to the contrary, any Lender Party may disclose Confidential Information to those Representatives of its Trading Business, solely to the extent (i) such disclosure is (A) advisable, in the good faith discretion of such Lender Party, to assist such Lender Party in protecting and enforcing its rights under any Loan Document and other credit facilities which such Lender Party or any of its Subsidiaries or Affiliates has with the applicable Loan Party (or any of its Subsidiaries or Affiliates) and (B) relevant to such assistance, (ii) such Representatives have been advised of, and agree to, the confidential nature, and restrictions on use, of such Confidential Information and need to know same in connection with providing such assistance, and (iii) such Confidential Information is not used for any purpose other than that set forth in this Section 11.16.

11.17 Specified Laws. Each Lender, the Administrative Agent and the Collateral Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the Specified Laws, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names and addresses of the Borrowers and other information that will allow such Lender, the Administrative Agent, or the Collateral Agent, as applicable, to identify the Borrowers in accordance with the Specified Laws.

11.18 Additional Borrowers. At any time and from time-to-time after the Restatement Effective Date, the Borrowers’ Agent may request that any of its Subsidiaries become a borrower under this Agreement (each Subsidiary which becomes a borrower pursuant to the terms of this Section 11.18, an “Additional Borrower”). Such Subsidiary shall become an Additional Borrower with effect on and from the date on which the Administrative Agent notifies the Borrowers’ Agent that each of the following has been satisfied (which date shall be within ten (10) Business Days after each Lender has received the documents referred to in Section 11.18(d):

(a) the Administrative Agent receives a duly completed and executed Joinder Agreement, substantially in the form of Exhibit P;

(b) the Borrowers' Agent confirms that no Default or Event of Default is continuing or would occur as a result of that Subsidiary becoming an Additional Borrower and each of the representations and warranties relating to the Additional Borrower and the Loan Parties is true and not misleading in any material respect (except that any representation and warranty that is qualified by "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) as if made on date of accession of Additional Borrower;

(c) the Subsidiary is incorporated, organized or formed in the United States of America, Canada or another jurisdiction approved by the Required Lenders;

(d) the Collateral Agent shall have received the results of a recent search by a Person reasonably satisfactory to the Collateral Agent, of the Uniform Commercial Code (if relevant), judgment and tax Lien filings, and all customary searches for financing transactions of this nature in all applicable jurisdictions, which may have been filed with respect to personal property of such Additional Borrower, and the results of such search shall be reasonably satisfactory to the Collateral Agent;

(e) each Lender shall have received all of the documents referred to in Section 6.1(b) with respect to that Additional Borrower and all other documentation and information necessary to confirm compliance with applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act;

(f) such Additional Borrower becomes a Grantor; and

(g) except with respect to the Canadian Borrower, each Additional Borrower appoints the Borrowers' Agent to act on its behalf as the agent for such Additional Borrower hereunder and under the other Loan Documents and authorizes the Borrowers' Agent to take such actions on its behalf and to exercise such powers as are delegated to the Borrowers' Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto, and the Borrowers' Agent accepts such appointment (which appointment shall not be terminated or revoked without the consent of the Collateral Agent and the Required Lenders).

11.19 Joint and Several Liability. Upon entry into this Agreement by an Additional Borrower, all Loans, upon funding, shall be deemed to be jointly funded to and received by the Borrower Parties. Each Borrower Party jointly and severally agrees to pay, and shall be jointly and severally liable under this Agreement for, all Obligations, regardless of the manner or amount in which proceeds of Loans are used, allocated, shared, or disbursed by or among the Borrower Parties themselves, or the manner in which an Agent and/or any Lender accounts for such Loans or other extensions of credit on its books and records. Each Borrower Party shall be liable for all amounts due to an Agent and/or any Lender under this Agreement, regardless of which Borrower Party actually receives Loans or other Extensions of Credit hereunder or the amount of such Loans and Extensions of Credit received or the manner in which such Agent and/or such Lender accounts for such Loans or other Extensions of Credit on its books and records. Each Borrower Party's Obligations with respect to Loans and other Extensions of Credit made to it, and such Borrower Party's Obligations arising as a result of the joint and several liability of such Borrower Party hereunder, with respect to Loans and other Extensions of Credit made to the other Borrower Parties hereunder, shall be separate and distinct obligations, but all such Obligations shall be primary obligations of such Borrower Party. The Borrower Parties acknowledge and expressly agree with the Agents and each Lender that the joint and several liability of each Borrower Party is required solely as a condition to, and is given solely as inducement for and in consideration of, credit or accommodations extended or to be

extended under the Loan Documents to any or all of the other Borrower Parties and is not required or given as a condition of Extensions of Credit to such Borrower Party. Each Borrower Party's obligations under this Agreement shall be separate and distinct obligations. Each Borrower Party's obligations under this Agreement shall, to the fullest extent permitted by Law, be unconditional irrespective of (i) the validity or enforceability, avoidance, or subordination of the Obligations of any other Borrower Party or of any Note or other document evidencing all or any part of the Obligations of any other Borrower Party, (ii) the absence of any attempt to collect the Obligations from any other Borrower Party, any Guarantor, or any other security therefor, or the absence of any other action to enforce the same, (iii) the waiver, consent, extension, forbearance, or granting of any indulgence by an Agent and/or any Lender with respect to any provision of any instrument evidencing the Obligations of any other Borrower Party or any Guarantor, or any part thereof, or any other agreement now or hereafter executed by any other Borrower Party or any Guarantor and delivered to an Agent and/or any Lender, (iv) the failure by an Agent and/or any Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the Obligations of any other Borrower Party or any Guarantor, (v) an Agent's and/or any Lender's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, (vi) any borrowing or grant of a security interest by any other Borrower Party, as debtor-in-possession under Section 364 of the Bankruptcy Code, (vii) the disallowance of all or any portion of an Agent's and/or any Lender's claim(s) for the repayment of the Obligations of any other Borrower Party under Section 502 of the Bankruptcy Code, or (viii) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower Party. With respect to any Borrower Party's Obligations arising as a result of the joint and several liability of the Borrower Parties hereunder with respect to Loans or other Extensions of Credit made to any of the other Borrower Parties hereunder, such Borrower Party waives, until the Obligations shall have been paid in full and this Agreement shall have been terminated, any right to enforce any right of subrogation or any remedy which an Agent and/or any Lender now has or may hereafter have against any other Borrower Party, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to an Agent and/or any Lender to secure payment of the Obligations or any other liability of any Borrower Party to an Agent and/or any Lender. Upon any Event of Default, the Agents may proceed directly and at once, without notice, against any Borrower Party to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower Party or any other Person, or against any security or collateral for the Obligations. Each Borrower Party consents and agrees that the Agents shall be under no obligation to marshal any assets in favor of any Borrower Party or against or in payment of any or all of the Obligations. Each Borrower Party further acknowledges that credit extended to each Borrower Party hereunder will directly or indirectly benefit each other Borrower Party.

11.20 Contribution and Indemnification among the Borrowers. Each Borrower Party is obligated to repay the Obligations as joint and several obligor under this Agreement. To the extent that any Borrower Party shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Loans made to another Borrower Party hereunder or other Obligations incurred directly and primarily by any other Borrower Party (an "Accommodation Payment"), then the Borrower Party making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrower Parties in an amount, for each of such other Borrower Parties, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower Party's Allocable Amount (as defined below) and the denominator of which is the sum of the Allocable Amounts of all of the Borrower Parties. As of any date of determination, the "Allocable Amount" of each Borrower Party shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower Party hereunder without (a) rendering such Borrower Party "insolvent" within the meaning of Section 101(31) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("UFTA") or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (b) leaving such Borrower Party with unreasonably small capital or assets, within the meaning

of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Borrower Party unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA. All rights and claims of contribution, indemnification, and reimbursement under this Section 11.20 shall be subordinate in right of payment to the prior payment in full of the Obligations. The provisions of this Section 11.20 shall, to the extent expressly inconsistent with any provision in any Loan Document, supersede such inconsistent provision.

11.21 Express Waivers by Borrower Parties in Respect of Cross Guaranties and Cross Collateralization. Each Borrower Party agrees as follows:

(a) Each Borrower Party hereby waives: (i) notice of acceptance of this Agreement; (ii) notice of the making of any Loans, the issuance of any Letter of Credit or any other financial accommodations made or extended under the Loan Documents or the creation or existence of any Obligations; (iii) notice of the amount of the Obligations, subject, however, to such Borrower Party's right to make inquiry of the Administrative Agent to ascertain the amount of the Obligations at any reasonable time; (iv) notice of any adverse change in the financial condition of any other Borrower Party or of any other fact that might increase such Borrower Party's risk with respect to such other Borrower Party under the Loan Documents; (v) notice of presentment for payment, demand, protest, and notice thereof as to any promissory notes or other instruments among the Loan Documents; and (vi) all other notices (except if such notice is specifically required to be given to such Borrower Party hereunder or under any of the other Loan Documents to which such Borrower Party is a party) and demands to which such Borrower Party might otherwise be entitled;

(b) Each Borrower Party hereby waives the right by statute or otherwise to require an Agent or any other Secured Party to institute suit against any other Borrower Party or to exhaust any rights and remedies which an Agent or any other Secured Party has or may have against any other Borrower Party. Each Borrower Party further waives any defense arising by reason of any disability or other defense of any other Borrower Party (other than the defense that the Obligations shall have been fully and finally performed and paid) or by reason of the cessation from any cause whatsoever of the liability of any such Borrower Party in respect thereof;

(c) Each Borrower Party hereby waives and agrees not to assert against an Agent or any Lender: (i) any defense (legal or equitable), set-off, counterclaim, or claim which such Borrower Party may now or at any time hereafter have against any other Borrower Party or any other party liable under the Loan Documents; (ii) any defense, set-off, counterclaim, or claim of any kind or nature available to any other Borrower Party against an Agent or any Lender, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Obligations or any security therefor; (iii) any right or defense arising by reason of any claim or defense based upon an election of remedies by an Agent or any Lender under any applicable law; and (iv) the benefit of any statute of limitations affecting any other Borrower Party's liability hereunder;

(d) Each Borrower Party consents and agrees that, without notice to or by such Borrower Party and without affecting or impairing the obligations of such Borrower Party hereunder, the Agents may (subject to any requirement for consent of any of the Lenders to the extent required by this Agreement), by action or inaction: (i) compromise, settle, extend the duration or the time for the payment of, or discharge the performance of, or may refuse to or otherwise not enforce the Loan Documents; (ii) release all or any one or more parties to any one or more of the Loan Documents or grant other indulgences to any other Borrower Party in respect thereof; (iii) amend or modify in any manner and at any time (or from time to time) any of the Loan Documents; or (iv) release or substitute any Person liable for payment of the Obligations, or enforce, exchange, release, or waive any security for the Obligations or any Guaranty of the Obligations.

(e) Each Borrower Party represents and warrants to the Agents and the Lenders that, as of the date of entry of any Additional Borrower into this Agreement, such Borrower Party is currently informed of the financial condition of all other Borrower Parties and all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower Party further represents and warrants that, as of the date of entry of such Borrower Party into this Agreement, such Borrower Party has read and understands the terms and conditions of the Loan Documents. Each Borrower Party agrees that none of the Agents or any Lender has any responsibility to inform any Borrower Party of the financial condition of any other Borrower Party or of any other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

11.22 Limitation on Obligations of Borrower Parties. In the event that in any action or proceeding involving any state or foreign corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, the obligations of any Borrower, including for the obligations of any other Borrower Party, under this Agreement shall be held or determined to be void, avoidable, invalid or unenforceable (including because of Section 548 of the Bankruptcy Code or any applicable state or federal Law relating to fraudulent conveyances or transfers), then, notwithstanding any other provision of this Agreement to the contrary, the amount of such liability of a Borrower Party shall, without any further action by any Loan Party, Agent or Lender, be automatically limited and reduced to the highest amount that is valid and enforceable (such highest amount determined hereunder being the relevant Borrower's "Maximum Liability"); provided that nothing contained in this Section 11.22 shall limit the liability of any Borrower Party to repay Loans made directly or indirectly to or for the benefit of that Borrower Party or any Subsidiary of that Borrower Party (including Loans advanced to any other Borrower Party and then re-loaned or otherwise transferred to, or for the benefit of, such Borrower Party or any of its Subsidiaries), Obligations relating to Letters of Credit issued for the direct or indirect benefit of such Borrower Party or any of its Subsidiaries, and all interest, fees, expenses and other related Obligations under the Loan Documents with respect thereto, for which such Borrower Party shall be primarily liable for all purposes hereunder. This Section 11.22 with respect to the Maximum Liability of each Borrower Party is intended solely to preserve the rights of the Agents and the Lenders to the maximum extent not subject to avoidance under applicable Law, and no Loan Party nor any other person or entity shall have any right or claim under this Section 11.22 with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Borrower Party hereunder shall not be rendered void, voidable, invalid or unenforceable under applicable Law.

11.23 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an EEA Financial Institution; and;

(b) the effects of any Bail-in Action on any such liability, including, if applicable;

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

11.24 Effect of Amendment and Restatement. The parties to this Agreement agree that, upon (i) the execution and delivery by each of the parties hereto of this Agreement and (ii) satisfaction of the conditions set forth in Section 6.1, the terms and provisions of the Existing Credit Agreement shall be and hereby are amended, superseded and restated in their entirety by the terms and provisions of this Agreement. This Agreement is not intended to and shall not constitute a novation. All Loans made, Letters of Credit issued and Obligations incurred, in each case, under the Existing Credit Agreement that are outstanding on the Restatement Effective Date shall continue as Loans, Letters of Credit and Obligations, respectively, under (and shall be governed by the terms of) this Agreement and the other Loan Documents. Without limiting the foregoing, upon the effectiveness of this Agreement: (a) all references in the “Loan Documents” (as defined in the Existing Credit Agreement) to the “Administrative Agent”, the “Collateral Agent”, the “Agreement”, the “Credit Agreement” and the “Loan Documents” shall be deemed to refer to the Administrative Agent, the Collateral Agent, this Agreement, the Credit Agreement and the Loan Documents, (b) the “Commitments” (as defined in the Existing Credit Agreement) shall be redesignated as Commitments hereunder as set forth in Schedule 1.0, (c) the liens and security interests granted by any Loan Party pursuant to any Loan Document in favor of the Collateral Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect, (d) the Administrative Agent shall make such reallocations, sales, assignments or other relevant actions in respect of each Lender’s credit exposure under the Existing Credit Agreement as are necessary in order that each such Lender’s Revolving Facility Credit Exposure and outstanding Revolving Facility Loans hereunder reflects such Lender’s Revolving Facility Credit Exposure Percentage of the outstanding Total Revolving Facility Credit Exposures on the Restatement Effective Date, (e) the Borrowers hereby agree to compensate each Lender (including the Departing Lenders) for any and all losses, costs and expenses incurred by such Lender in connection with the sale and assignment of any Eurocurrency Loans (including the “Eurocurrency Loans” under the Existing Credit Agreement) and such reallocation described above, in each case on the terms and in the manner set forth in Section 4.14 hereof, and (f) each Departing Lender’s “Working Capital Facility Commitment” and/or “Acquisition Facility Commitment” under the Existing Credit Agreement shall be terminated, each Departing Lender shall have received payment in full of all of the “Obligations” owing to it under the Existing Credit Agreement (other than obligations to pay fees and expenses with respect to which the Borrowers’ Agent has not received an invoice, contingent indemnity obligations and other contingent obligations owing to it under the “Loan Documents” as defined in the Existing Credit Agreement) and the Departing Lenders shall not be Lenders hereunder.

Cypress Energy Partners, L.P. Closes Convertible Preferred Unit Placement and Credit Facility Renewal

TULSA, Oklahoma — (BUSINESS WIRE) — May 29, 2018

Cypress Energy Partners, L.P. (NYSE: [CELP](#)) (“Cypress”) announced today that it closed a \$43.5 million placement of convertible preferred units to an affiliate, using the proceeds to pay down debt and allowing it to extend the maturity of its credit facility three years from the closing date of the renewal. Cypress simplified and renewed the facility with its existing bank group. The amended \$90 million revolving credit facility has a \$20 million accordion feature (for a total of \$110 million), exclusive of additional banks that may join the credit facility in the future.

To ensure the successful refinancing of the credit agreement, an affiliate of our sponsor made the investment in a private placement of public equity (the “PIPE”). The conflicts committee of our board of directors, with the aid of its financial and legal advisors, negotiated and approved the final terms of the PIPE, which include standard and customary provisions for similar type arrangements, and obtained a fairness opinion. Cypress also benefits from no origination fees and no warrant coverage as is customary on PIPE investments. After the third anniversary of the closing date, the holder of the preferred units will have the option to convert the preferred units into common units on a one-for-one basis. If certain conditions are met after the third anniversary of the closing date, Cypress will also have the option to cause the preferred units to convert to common units. Additionally, within the first six months after the closing date, Cypress will have the option to redeem the preferred units with a nominal below market fee.

Cypress’ Chairman, President and Chief Executive Officer, Peter C. Boylan III, stated “I am pleased to announce we have completed the previously disclosed renewal of our credit facility and PIPE investment to deleverage Cypress. Our debt has been reduced approximately 43% from the balance at March 31, 2018 to 3.75x trailing twelve-month EBITDA (as defined in the credit agreement) and approximately 3.3x net of cash. Cypress shopped the market with a financial advisor and no third party offered equal or better terms. The PIPE investment was \$43.5 million, rather than our original estimate of up to \$50 million, as the result of cash received from the successful divestiture of a saltwater disposal facility. We continue to believe our organic growth combined with the interest expense savings associated with having less debt will allow us to resume an increase to our distribution rate sometime in 2019. The attractive terms of the PIPE provide us with significant flexibility with regard to payment-in-kind (“PIK”) distributions up to 7% of the PIPE distribution, and very flexible prepayment rights. We continue to evaluate a few strategic alternative transactions that resulted from hiring a financial advisor. Over the next couple of months, we will determine if any of those proposals provide us with additional attractive growth options.”
